ALT & WITZIG ENGINEERING, INC. 401(K) PLAN
Carmel, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Alt & Witzig Engineering, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Alt & Witzig Engineering, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from The Standard Insurance Company, Inc. (The Standard) as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by The Standard agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Alt & Witzig Engineering, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Alt & Witzig Engineering, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intention omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Alt & Witzig Engineering, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Alt & Witzig Engineering, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplementary scheduled H, Part IV – question 4i assets held for investment is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by The Standard agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALT & WITZIG ENGINEERING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following brief description of the Alt & Witzig Engineering, Inc. 401(k) Plan (the Plan) provides only general information. Plan participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all full-time employees of Alt & Witzig Engineering, Inc. (the Company) and related companies, who have three months of service and are age 21 or older. The Plan was established in March of 1979 and amended at various times. Companies related to Alt & Witzig Engineering, Inc. included in the Plan are: Alt & Witzig of Ohio, LLC; A&W Consulting Services, LLC; A&W Engineering, LLC; Alt & Witzig Professional Services, LLC; GSI Engineering, LLC; and GSI Engineering Northern Division, LLC. Effective December 2021, GSI Engineering, LLC and GSI Engineering Northern Division, LLC were no longer related to the Company and thus no longer eligible to participate in the Plan. See Note 11. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Each year, participants may contribute a percentage of their eligible pretax annual compensation as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may elect to provide a matching contribution based on a discretionary percentage each plan year. The Company matched 50% of the participant's elective contribution up to the maximum of 4% of the participant's eligible compensation for the year ended December 31, 2022. The 2022 Company contributions totaled \$120,552, of which \$119,908 was remitted to the Plan in 2023. Additional discretionary profit-sharing contributions may be contributed to the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, an allocation of the Company's contribution, and an allocation of the Plan's earnings and administrative expenses. Allocations are based on participant's base earnings as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

VESTING

Participants are immediately vested in their contributions and any earnings thereon. Vesting in the Company contribution portion, and any earnings thereon, of their accounts is based on years of service. For employer matching contributions, a participant vests 25% per year of service beginning with year one and is 100% vested after four years of credited service. For employer profit sharing contributions, a participant vests 20% per year beginning after two years of credited service and is 100% vested after six years of credited service.

ALT & WITZIG ENGINEERING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

BENEFITS

Upon termination of service due to death, disability, or retirement, a participant is entitled to receive the entire amount credited to his or her account and may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, annual installments, a single-life annuity or a joint and survivor annuity. For termination of service due to other reasons, participants receive the value of the vested interest in their account as a lump-sum distribution.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or one-half of their vested account balance. The notes receivable are secured by the 100% vested portion of the balance in the participant's account and bear interest based on local prevailing interest rates as determined by the Plan Administrator. Principal and interest is paid ratably through monthly payroll deductions. Outstanding notes receivable from participants totaled \$35,808 and \$106,949 as of December 31, 2022 and 2021, respectively.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

FORFEITED ACCOUNTS

According to the provisions of the Plan document, nonvested participant account balances forfeited by participants are to be used to reduce future Company contributions and/or to cover administrative costs, if applicable. As of December 31, 2022 and 2021, forfeited nonvested accounts were \$6,516 and \$7,741, respectively. During the year ended December 31, 2022, \$4,135 of participant nonvested account forfeitures were used to cover administrative costs.

PLAN TERMINATION

Although the Company has not expressed intent to discontinue participation in the Plan, they may do so at any time upon resolution by the Company's Board of Directors subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their allocation of Company contributions.

2. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting whereby additions and deductions are recorded in the year in which they are incurred rather than in the year in which they are received or paid.

ALT & WITZIG ENGINEERING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

ESTIMATES

The Plan Administrator uses estimates and assumptions in preparing financial statements in conformity with the accounting principles generally accepted in the United States of America. Those standards require the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits, the disclosure of contingencies and the reported additions to and deductions from net assets available for benefits. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The assets of the Plan are held by The Standard Insurance Company, Inc. (The Standard). Investments held in the insurance company's general account are reported at contract value. Pooled separate accounts are valued at fair value at the net asset value (NAV) of the pooled accounts as provided by the Custodian. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Net appreciation or depreciation of investments is reported in the statement of changes in net assets available for benefits and consists of the realized gains and losses and the unrealized appreciation or depreciation of these investments. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded as received.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed excess contributions to the applicable participants prior to March 15, 2022. As of December 31, 2022 and 2021, the Plan had excess contributions payable of \$-0- and \$7,884, respectively.

EXPENSES OF THE PLAN

Certain administrative expenses of the Plan, including claim administrative fees, are paid by the Plan as incurred.

3. INCOME TAXES

The Plan uses a prototype plan document sponsored by The Standard Insurance Company, Inc., the Custodian of the Plan. In a letter dated June 30, 2020, the Internal Revenue Service determined that the Plan constitutes a qualified trust under Section 401(a) of the Internal Revenue Code and is thus exempt from federal income taxes. Although the Plan has been amended since the determination letter, the Plan's administrator believes the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ALT & WITZIG ENGINEERING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States of America. As of December 31, 2022, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability, nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next 12 months. The Plan's income tax returns are subject to examination by the appropriate regulatory authorities; there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to tax examinations for years prior to 2019.

4. PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such a person.

At December 31, 2022 and 2021, certain Plan investments were managed by affiliates of The Standard Insurance Company, the Custodian of the Plan. Agresta, Storms & O'Leary, PC served as the Plan's auditors. Transactions with these parties qualify as exempt party-in-interest transactions. The Company provides certain accounting, administrative and investment management services to the Plan, for which they receive no compensation. Fees paid by the Plan for investment advisory, management fees and administrative services totaled \$46,201 for the year ended December 31, 2022.

5. INVESTMENTS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, The Standard Insurance Company, the Custodian, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits and the schedule of assets (held at end of year) as of December 31, 2022 and 2021, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

ALT & WITZIG ENGINEERING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

6. INVESTMENT IN STABLE VALUE FUND

The Plan had an investment in The Standard Insurance Company Standard Stable Asset A Fund (the Fund) as of December 31, 2022 and 2021. The Fund is a fully benefit-responsive investment fund for the collective investment of qualified plans. Because the investment is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fully benefit-responsive contracts. Such contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct withdrawal or transfer all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer(s). Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Fund to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The contract value of the investment in the Fund at December 31, 2022 and 2021 was \$1,062,889 and \$666,615, respectively.

7. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in accordance with ASC 820, *Fair Value Measurement and Disclosures*, in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ALT & WITZIG ENGINEERING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

ASC 820 defines fair value, establishes a framework for measuring fair value under GAAP and expands disclosures about fair value measurements. ASC 820 also establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. This hierarchy requires that the Plan maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

Level 1 – Quoted prices in active markets for identical assets or liabilities. The fair value of mutual funds is based on quoted market prices which represent the last sales price on the last business day of the Plan at year end.

Level 2 – Observable inputs other than quoted prices in Level 1, such as quoted prices for similar assets and liabilities in active markets, similar assets and liabilities in markets that are not active or can be corroborated by observable market data.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The following tables set forth by level, within the fair value hierarchy, the Plan investment assets and investment liabilities at fair value, as of December 31, 2022 and 2021:

Description	2022	Markets for Identical Assets (Level 1)	Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
Pooled separate accounts	\$ 7,969,161	\$ -0-	\$ 7,969,161	\$ -0-
	<u>\$ 7,969,161</u>	<u>\$ -0-</u>	<u>\$ 7,969,161</u>	<u>\$ -0-</u>
Description	2021	Markets for Identical Assets (Level 1)	Observable Inputs (Level 2)	Unobservable Inputs (Level 3)

	<u>\$ 13,450,865</u>	<u>\$ -0-</u>	<u>\$ 13,450,865</u>	<u>\$ -0-</u>

8. OTHER DISCLOSURES

During the Plan years ended December 31, 2022 and 2021, there were no leases, party-in-interest transactions, or obligations in default which would require disclosure under the Department of Labor Rules and Regulations for Reporting and Disclosures.

ALT & WITZIG ENGINEERING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

9. RISKS AND UNCERTAINTIES

The Plan invests in certain mutual funds through pooled separate accounts that provide for various investment options in any combination of stocks, bonds, fixed income securities and other investment securities. Investment securities are exposed to various risks, such as interest rate risk, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect the amounts reported in the Plan's financial statements and could affect participants' account balances.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FEDERAL FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 9,187,766	\$ 14,349,194

Net assets available for benefits per the 5500	<u><u>\$ 9,187,766</u></u>	<u><u>\$ 14,357,078</u></u>

The following is a reconciliation of the change in net assets per the financial statements for the year ended December 31, 2022 to Form 5500:

Change in net assets available for benefits per the financial statements	\$ (2,608,841)
Net change in excess contributions payable	<u>(7,884)</u>
Change in net assets available for benefits per the 5500	<u><u>\$ (2,616,725)</u></u>

11. PARTIAL PLAN TERMINATION

In April 2022, all participant accounts associated with employees of GSI Engineering, LLC and GSI Engineering Norther Division, LLC (see Note 1) were transferred to another plan, which resulted in a partial plan termination of the Plan as defined by the IRS. The affected participants became fully vested in all employer contributions related to the partial plan termination. The total amount transferred out of the plan related to this event was \$2,552,587 during the year ended December 31, 2022 as reported on the statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

12. SUBSEQUENT EVENTS

In accordance with ASC Topic 855, *Subsequent Events*, the Plan has evaluated events through September 8, 2023, which is the date these financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure in the financial statements.
