REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
401(k) Retirement Plan for Employees of Mather

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of 401(k) Retirement Plan for Employees of Mather (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all

material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter

2021 supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and

other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

401(k) Retirement Plan for Employees of Mather

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN

The following description of the 401(k) Retirement Plan for Employees of Mather (the Plan) (formerly known as 401(k) Retirement Plan for the Employees of Mather LifeWays) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Effective January 1, 2020, Mather LifeWays shortened its name to Mather, Mather Institute on Aging changed its name to Mather Institute, and Mather LifeWays Community Initiatives shortened its name to Mather Community Initiatives.

The Plan covers all employees age 21 and over of Mather (Mather; Mather Institute, LLC; Mather Community Initiatives, LLC; Wilmette Affiliate, LLC; Georgian Affiliate, LLC; Pavilion Affiliate, LLC; Hinman-Davis, LLC, Virginia Mather Management, LLC, Berkeley Mather, LLC, and Tucson Mather Management, LLC) (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan has safe harbor employer matching contributions. Upon eligibility, employees are automatically enrolled at a 5% salary deferral with an automatic annual increase of 1%, not to exceed 15%. The Company will not increase a participant's deferral percentage if the employee has made a change to this deferral percentage or if the employee has taken a hardship withdrawal. Participants can change their deferral percentages or elect not to make deferrals to the Plan at any time.

Eligibility

Employees are eligible to participate and to receive matching employer contributions immediately upon hire if they are age 21 or over. Employees are also eligible to receive a non-elective employer contribution if they are 21 or over, have been paid during the Plan year, and are employed as of the last day of the Plan year.

Contributions

Participants may contribute up to 75% of eligible compensation, as defined by the Plan. Participants may elect to have all or a portion of their deferrals contributed to a Roth investment option. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions to the Plan. Employer safe harbor matching contributions by the Company are non-elective. The Company will contribute an amount equal to 100% of up to and including 3% of the active participant's compensation contributed to the Plan, plus an additional 50% for the next 2% of the active participant's compensation contributed to the Plan. In addition, the Company provides an additional non-elective contribution equal to 3% of eligible compensation for eligible employees on December 31 of the Plan year. Non-elective contributions of \$540,179 and \$834,638 were contributed for 2021 and 2020, respectively. Contributions are subject to certain compensation limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's safe harbor matching contributions, the additional non-elective contribution, the additional supplemental contribution, if any, and an allocation of plan earnings (losses). Allocations of plan earnings (losses) are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is limited to the participant's vested account balance.

Investment Options

Participants may direct the investments of their accounts among the various investment funds provided under the Plan. Participants may change their investment selections in accordance with the rules established by the Plan administrator.

Vesting

A year of service is earned when an employee is credited with at least 1,000 hours of service during the Plan year. All participants are immediately vested in their contributions plus actual earnings (losses) thereon.

All participants vest 100% in employer contributions after completing two years of service. Regardless of the foregoing, a participant becomes fully vested upon the occurrence of certain specified events, including attainment of age 65, death or permanent disability.

Notes Receivable from Participants

Participants may borrow from their vested account balances the lesser of 50% or \$50,000. The minimum loan amount for the Plan is \$1,000. Loans are secured by the participant's account balance. Participants may have one outstanding loan at a time. All loans shall bear interest at prime plus 1%. The terms of the loan may be up to five years, or 30 years if the loan is for the purchase of a primary residence. Principal and interest are automatically paid through payroll deductions.

Payment of Benefits

Upon termination of service by retirement, death, disability or termination from the Company, a participant may receive a lump-sum amount equal to the vested value of his or her account or can roll the vested amount over into another qualified plan or individual retirement account. In-service and hardship withdrawals are permitted under the Plan in certain circumstances.

Forfeitures

Forfeitures are used to reduce employer contributions. Forfeitures of \$322,552 and \$24,026 were used to reduce employer contributions during 2021 and 2020, respectively. At December 31, 2021 and 2020, forfeited accounts totaled \$34,064 and \$35,771, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2021 and 2020

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent loans are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses of the Plan

All expenses of maintaining the Plan are paid by the Company. Expenses specific to processing notes receivable from participants are charged against participant accounts. Investment fees incurred are deducted from investment earnings, which are allocated to participant accounts.

NOTE C - FAIR VALUE MEASUREMENTS

The financial instruments recorded at fair value were measured and reported at fair value using a three-level hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Classification of assets and liabilities within the fair value hierarchy considers the markets in which the financial instruments were traded and the reliability and transparency of the assumptions used to determine fair value. Level 1 financial instruments consist of investments, the values of which are based on quoted market prices for identical investments in an active market. Level 2 financial instruments are valued using models or other valuation methodologies. These models use inputs that are observable, either directly or indirectly. Level 3 financial instruments are valued using pricing models that utilize significant inputs that are primarily unobservable, and also include instruments for which the determination of fair value requires significant management judgment or estimation.

In determining fair value, the Plan uses various methods, including market, income and cost approaches. Based on these approaches, the Plan utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated or generally unobservable inputs.

The following is a description of the valuation methodologies used to measure assets at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money Market Fund - Valued at the quoted net asset value (NAV) of shares held by the Plan at year end.

Mutual Funds - Valued at the quoted NAV of shares held by the Plan at year end.

401(k) Retirement Plan for Employees of Mather

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Collective Trust Fund - Valued using the NAV provided by the administrator of the fund as a practical expedient for fair value. The NAV is based on the value of the underlying assets owned by the fund, minus liabilities, and then divided by the number of shares/units held by the Plan at year end. The NAV is quoted on a private market and the underlying assets owned by the fund are traded on active markets. Were the Plan to initiate a full redemption of a collective trust, the investment advisor generally reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. Participant redemption is permitted daily.

The tables below present the fair value hierarchy for those assets measured at fair value as of December 31:

	2021	2020
Money market fund (Level 1)	\$ -	\$ 188,730
Mutual funds (Level 1)	50,007,280	43,804,044
Collective trust fund (recorded at NAV)		
Wells Fargo Stable Value Fund	1,068,912	498,649
Investments, at fair value	<u>\$ 51,076,192</u>	<u>\$ 44,491,423</u>

NOTE D - RELATED-PARTY TRANSACTIONS

Certain plan investments are managed by Principal, the recordkeeper and trustee of the Plan. Certain Plan investments were previously managed by Charles Schwab Investment Management, Inc., a related party to Charles Schwab Trust Company (Schwab), the former trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions.

Notes receivable from participants are also considered party-in-interest transactions.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE F - TAX STATUS

The Plan obtained its latest determination letter on August 8, 2014. The Plan has been amended since submission for the updated determination letter. However, the Plan administrator and the Plan's ERISA counsel believe that the Plan is designed and is currently being operated in all material respects in compliance with the applicable requirements of the Internal Revenue Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Delaware Charter Guarantee & Trust Company, doing business as Principal Trust Company (Principal) and Schwab have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate (Principal beginning December 2021 and Schwab prior to December 2021):

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE I - SUBSEQUENT EVENTS

Plan management evaluated the Plan's December 31, 2021 financial statements for subsequent events through August 31, 2022, the date the financial statements were available to be issued. Plan management is not aware of any subsequent events that would require recognition or disclosure in the financial statements.
