INDEPENDENT AUDITORS' REPORT

**To the Trustees of
GRENZEBACH 401(K) PLAN
Newnan, Georgia**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the accompanying financial statements of GRENZEBACH 401(K) PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Reliance Trust Company, a qualified institution, as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America;
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GRENZEBACH 401(K) PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GRENZEBACH 401(K) PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GRENZEBACH 401(K) PLAN's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GRENZEBACH 401(K) PLAN's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i-Schedule of Assets (Held At End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**GRENZEBACH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 DESCRIPTION OF PLAN

The following description of the GRENZEBACH 401(K) PLAN (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan which includes a salary reduction feature that meets the requirements of Section 401(k) of the Internal Revenue Code covering all eligible employees of Grenzebach Corporation (the “Company”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions – The Plan allows for both elective deferrals and automatic deferral provisions. Employees are automatically enrolled in the Plan after three months of employment unless they elect not to participate. The automatic deferral percentage is an increasing deferral from 3% to 6% based on the plan year of application to a participant. Each year, participants may elect to contribute up to a certain percentage of eligible compensation, as defined in the Plan. The Plan also allows participants to designate a portion or all of the deferral contribution at the time the deferral election is made as a Roth deferral contribution. The employee’s total deferral may not exceed a certain dollar limit which is set by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company contributes qualified safe harbor contributions. Each pay period, a matching contribution equal to 100% of each participant’s elective deferral not exceeding 1% of the participant’s compensation, plus 50% of each participant’s elective deferrals between 1% and 6% of the participant’s compensation. Additional discretionary amounts may be contributed by the Company, at the option of Company Management. No additional discretionary amounts were contributed for the year ended December 31, 2022.

Participant Accounts – Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contribution and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided in the plan agreement.

Notes Receivable From Participants – Participants may borrow from their fund accounts, a minimum of \$1,000 with a limit of one loan per participant, up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Note receivable transactions are treated as a transfer from the investment fund to the Notes Receivable from Participants account. These notes must be repaid in equal installments within 5 years. The notes are secured by the balance in the participant’s account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest, ranging from 4.25% to 6.50% per year, is paid ratably through payroll deductions.

**GRENZEBACH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested in discretionary matching contributions after 5 years of credited service and 100% vested for qualified safe harbor contributions after 2 years of credited service.

Payment of Benefits – Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or a rollover or a combination of these two options.

Forfeitures – Forfeitures are created when participants terminate employment before becoming fully vested. In the current year, forfeited non-vested accounts in the amount of \$1,903 were used to reduce the Employer's matching contributions. There were \$-0- forfeitures available at December 31, 2022 and 2021, respectively.

Expenses – The Plan paid substantially all of the Plan fees in the current year. These expenses are excluded from these financial statements. Investment related expenses are included in net depreciation of fair value of investments.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when paid. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

**GRENZEBACH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits – Benefits are recorded when paid.

Risks and Uncertainties – The Plan's invested assets ultimately consist of investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

NOTE 3 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The net assets available for benefits per the financial statements agrees with the nets assets available for benefits per the Form 5500 for the years ended December 31, 2022 and 2021, respectively.

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, 2022, but not yet paid as of that date. No approved benefit claims existed at December 31, 2022, which were not paid.

NOTE 5 TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the requirements under Section 401 of the IRC have been designed, currently being operated in compliance with applicable requirements of the IRC and therefore believe that the Plan is qualified, and accordingly, no taxes have been provided for in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service ("IRS"). The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**GRENZEBACH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 6 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company, the trustee of the Plan, as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

NOTE 7 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

ADP Retirement Services provides certain administrative services to the Plan pursuant to a Master Plan Service Agreement ("MSA") between the Company and ADP Retirement Services. ADP Retirement Services receives revenue from mutual fund service providers for services ADP Retirement Services provides to the funds. This revenue is used to offset certain amounts owed to ADP Retirement Services for its administrative services to the Plan.

If the revenue received by ADP Retirement Services from such mutual fund service providers exceeds the amount owed under the MSA, ADP Retirement Services remits the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2022, there were no excess amounts. The Plan or Plan Sponsor may make a payment to ADP Retirement Services for administrative expenses not covered by revenue sharing.

Certain Plan investments are shares of mutual funds managed by ADP Retirement Services who is also the investment trustee, as defined by the Plan, and, therefore, these transactions qualify as party in interest transactions. Administrator fees paid by the Plan for the 2022 investment services totaled \$38,546.

NOTE 8 FAIR VALUE MEASUREMENTS

The Plan has established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**GRENZEBACH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 8 FAIR VALUE MEASUREMENTS (CONTINUED)

Common Collective Trust: Valued based on the share prices/net asset values (“NAV”) reported on the plan summary reports for collective trust funds which are obtained directly from the fund house or other investment provider.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value. Investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 9 SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through August 22, 2023, the date the financial statements were issued.

In August 2023, the Plan sponsor transitioned trustees and record keepers. The Plan's assets were transferred from Reliance Trust Company to Fidelity Management Trust Company as trustee and from ADP Retirement Services to Fidelity Management Trust Company as record keeper.
