INDEPENDENT AUDITOR'S REPORT

To the Sponsor of
Atlantic Physical Therapy Center 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Atlantic Physical Therapy Center 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year subsequent to the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplementary schedule H, part IV, line 4i - schedule of assets (held at end of year) as of December 31, 2022 is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of the Atlantic Physical Therapy Center 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan that is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan is a 401(k) salary deferred profit sharing plan established for the benefit of the employees of Atlantic Physical Therapy Center (“Atlantic” or “Sponsor”), covering all employees of the Sponsor, except those covered under a collective bargaining agreement. The Plan Administrator is responsible for the oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan’s investment offerings, and monitors investment performance.

Eligibility

Employees of the Sponsor, who are not covered under a collective bargaining agreement, are eligible to contribute to the Plan upon attainment of age 21 and completion of 12 consecutive months of service during which 1,000 hours of service are completed or, if 1,000 hours are not obtained during the first 12 consecutive months of employment, the date when the employee is credited with a year of service. The entry date into the Plan is the first day of the month coinciding with or following the date the employee satisfies the eligibility requirements.

Employee Contributions

A participating employee may contribute a percentage of eligible compensation not to exceed the annual limit of the lesser of 90% of eligible compensation or limits established by the Internal Revenue Code (“IRC”), as amended. Under the Plan, participants may make tax-deferred contributions and qualified rollover contributions. The maximum pre-tax participant contribution allowed during 2022 was \$20,500. The Plan allows employees who are contributing to the Plan who have attained age 50 to make catch-up contributions that are subjected to the limits established by the IRC, which was \$6,500 for 2022.

Employer Contributions

The Sponsor will make safe harbor matching contributions in accordance with the safe-harbor provisions of the IRC equal to 100% of the first 4% of an employee’s Plan compensation contributed as elective deferral contributions each payroll period. The Sponsor made safe harbor contributions of \$243,029 to the Plan for the year ended December 31, 2022.

The Sponsor may make a discretionary profit-sharing contribution to the Plan in an amount to be determined by the Sponsor at Plan year-end. The allocation of the profit-sharing contribution to participants’ accounts is based on the participant’s wage base divided by the total wage base of all participants. There was no discretionary profit-sharing contribution for the year ended December 31, 2022.

Participant Accounts

Each participant’s account is credited with the participant’s salary reduction contribution, the participant’s qualified rollover contribution, the participant’s Roth contribution, the employer’s safe harbor matching contributions, and allocations of (a) the employer’s discretionary profit-sharing contribution, (b) Plan earnings, and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The participant’s account is reduced by withdrawals, losses on investments, and any forfeitures.

Investment income is reinvested in the same fund in which it was earned. Net Plan earnings are allocated to each participant’s account, on a daily basis, based upon the earnings (or losses) of the particular fund or funds in which the participant’s account is invested.

Atlantic Physical Therapy Center 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2022 and 2021

Vesting

Participants are immediately vested in their elective deferral contributions, rollover contributions, and safe harbor matching contributions. Employer profit sharing contributions vest to the participants based upon years of service. A participant is credited 100% vesting on a 6-year graded scale of 20% per year beginning on the participant's second anniversary. If a participant is employed on or after normal retirement age, dies, or becomes disabled prior to being 100% vested based on years of service, the participant will automatically be 100% vested.

Notes Receivable from Participants

Participants may borrow from their vested interest in their fund accounts. The amount shall not exceed the lesser of \$50,000 or 50% of the participant's vested interest and shall not be less than \$1,000 at inception. The maximum number of loans that a participant may have outstanding at any one time is 3. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. Loan terms range from 1 to 5 years unless the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate the prime rate as published in *The Wall Street Journal* on the 14th day of each month, plus 1.00%. Principal and interest are paid ratably through biweekly payroll deductions. At December 31, 2022, the interest rates applied to all loans ranged from 4.25% to 6.50%.

Distributions and Withdrawals

Prior to age 59½, distributions and withdrawals are not permitted from the Plan except in the instances of hardship, death, disability, or termination of employment. Hardship withdrawals must be submitted to the Plan administrator in writing and can only be taken if the individual is employed with the Sponsor at the time of the hardship distribution. After attaining age 59½, participants may elect to withdraw an amount equal to any whole percentage not to exceed 100% of the participant's vested account for any reason. All in-service distributions shall not be less than \$500. On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum payment or in annual installments not exceeding the life expectancy of the participant or the participant's beneficiary, if the participant has died. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If, at the time of termination of service, a participant's vested balance does not exceed \$5,000, then a distribution will be automatically made in a single lump-sum payment.

Forfeitures

If a participant elects to withdraw his or her entire account balance from the Plan prior to becoming vested, any discretionary profit-sharing contributions and investment earnings thereon in their account are forfeited based on a 6-year graded vesting schedule. Forfeiture accounts have the option to be used to reduce future employer contributions and to pay Plan expenses. At December 31, 2022 and 2021, there were \$3,657 and \$3,368, respectively, of forfeited nonvested accounts. For the year ended December 31, 2022, no forfeitures were used to offset employer contributions or pay Plan expenses.

Participants' Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions in any increment in various investment options offered by the Plan.

Participants may change their investment options at any time.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that management make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosures. Accordingly, actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains (losses) and the unrealized appreciation (depreciation) on those investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are valued at their outstanding unpaid principal balances, plus accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are recorded as distributions to participants.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative and Other Fees

All trustee and recordkeeping expenses related to the administration of the Plan are paid entirely by the Plan unless they are paid by the Sponsor. Expenses paid by the Sponsor are excluded from these financial statements. In addition, participants are charged service fees for any loan and distribution transactions they request, and certain investment related expenses have been offset with net investment income and are not readily determinable.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks, and domestic and global market conditions. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could significantly affect participants' account balances and the amounts reported in the December 31, 2022, statement of net assets available for benefits. The Plan is exposed to credit loss in the event of nonperformance by the companies with whom guaranteed investment contracts are placed. However, the Sponsor does not anticipate nonperformance by these companies and believes that the risk to Plan assets from credit loss is not material due to the diversified nature of the assets held.

3. INVESTMENTS CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan has elected the method of annual compliance reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted, no auditing procedures were performed by the independent public accountants with respect to the information certified as complete and accurate by Reliance Trust Company. Reliance Trust Company, the trustee of the Plan, holds investment assets and executes investment transactions therein, and substantially all information pertaining to the Plan's investments and notes receivable from participants included in the financial statements, including the associated investment income (loss) and interest earned on notes receivable from participants, was obtained or derived from information supplied to the Plan administrator and by the trustee of the Plan. Based on information provided and certified by the trustee, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2022 and 2021.

The following is a summary of the Plan's financial information as December 31, 2022 and 2021 (except for noncertified assets of \$724,793 and \$833,628 for 2022 and 2021, respectively), and for the year ended December 31, 2022 (except for noncertified net depreciation in fair value of investments and interest and dividend income of \$120,782 and \$19,589, respectively), which was certified by Reliance Trust Company as complete and accurate.

4. FAIR VALUE OF INVESTMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Such inputs include quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Atlantic Physical Therapy Center 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Registered Investment Companies: The investments held by registered investment companies consist of shares of mutual funds and are valued at quoted market prices which represent the net asset value ("NAV") of the shares held by the Plan at year-end.

Common Stock: Shares of common stock are valued based on quoted market prices.

Common Collective Trust: The investments held in common collective trusts are valued at the NAV of the underlying units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investments for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets and fair value as of December 31:

	2022

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Metlife Stable Value Fund Series 2554	\$ 3,675	N/A	Daily	None

5. PLAN TERMINATION

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the IRC. In the event of Plan termination, participants will become 100% vested in their accounts.

6. PARTIES-IN-INTEREST

Atlantic provides the Plan with certain accounting and administrative services for which no fees are charged. The Plan allows for administrative costs to be paid by the Sponsor or absorbed through the forfeiture account. Certain costs are paid by the Sponsor directly.

The Plan issues loans to participants, which are secured by the participants' account balances. These transactions qualify as exempt party-in-interest transactions.

7. TAX STATUS

The Plan obtained its latest determination letter on October 6, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan is required to operate in conformity with the applicable provisions of the IRC to maintain its tax-qualified status. The Plan has been amended since receiving the opinion letter. However, the Sponsor believes the Plan is being operated in compliance with the applicable requirements of the IRC, and therefore, believes the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability, or asset, if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor. The Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Furthermore, there are no tax related interest or penalties included in the financial statements presented.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 at December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 5,896,677	\$ 6,093,135
Less: Contributions receivable from participants	(16,345)	(5,794)
Less: Contributions receivable from the Sponsor	<u>(7,990)</u>	<u>(13,393)</u>
Net assets per Schedule H of Form 5500	<u>\$ 5,872,342</u>	<u>\$ 6,073,948</u>

The following is a reconciliation of the net change in net assets available for benefits per the financial statements for the year ended December 31, 2022, to net income per Schedule H of Form 5500:

Net change in net assets available for	
benefits per the financial statements	\$ (196,458)
Add: Prior year contribution receivable from participants	5,794
Add: Prior year contribution receivable from the Sponsor	13,393
Less: Current year contribution receivable from participants	(16,345)
Less: Current year contribution receivable from the Sponsor	<u>(7,990)</u>
Net income per Schedule H of Form 5500	<u>\$ (201,606)</u>

9. SUBSEQUENT EVENTS

Subsequent events were evaluated through September 5, 2023, the date the financial statements were available to be issued. Based on this evaluation, the Plan has determined that no subsequent events have occurred, which require adjustment to or disclosure in the financial statements.
