Independent Auditors' Report

To the Plan Administrator
Sport Chevrolet Honda 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Sport Chevrolet Honda 401(k) Plan and Trust (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sport Chevrolet Honda 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator
Sport Chevrolet Honda 401(k) Plan and Trust

- The information in the financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Sport Chevrolet Honda 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sport Chevrolet Honda 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may

To the Plan Administrator
Sport Chevrolet Honda 401(k) Plan and Trust

involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sport Chevrolet Honda 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sport Chevrolet Honda 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Plan Administrator
Sport Chevrolet Honda 401(k) Plan and Trust

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SPORT CHEVROLET HONDA 401(k) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of the Sport Chevrolet Honda 401(k) Plan and Trust (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering employees of Sport Chevrolet Company, Inc. and Sport Honda, Inc. (Company). The Plan was established effective July 1, 2009, and most recently restated January 1, 2022, to provide employees the opportunity to accumulate savings that provide benefits in the event of retirement, disability, or death. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility - All eligible employees are automatically enrolled in the Plan to defer 2% of their compensation unless they elect otherwise. The automatic enrollment feature does not change a participant's contribution level if they have already submitted an enrollment form electing the level of their contributions to the Plan or electing not to contribute. Active employees in the Plan are eligible to receive employer-matching contributions, provided they worked at least 1,000 hours of service during the plan year.

Contributions - Each year, participants may elect to contribute up to 100% of their compensation, in whole percentages or as a dollar amount per pay period, as defined in the Plan. The Plan includes an automatic-enrollment provision, whereby all newly eligible employees are enrolled in the Plan with a default deferral rate set at 2% of eligible compensation, unless they affirmatively elect not to participate or elect a different contribution percentage. Eligible employees who have attained age 50 before the close of the plan year can make additional catch-up contributions in accordance with limits provided in the Internal Revenue Code (IRC). Participants may designate all, or a portion, of their elective deferral contributions as after-tax Roth elective contributions. A Roth contribution is defined as being made in lieu of all or a portion of the pretax elective deferral the participant is otherwise eligible to make under the Plan and treated by the employer as includible in the participant's income. Participants may also contribute amounts representing distributions from other qualified defined benefit plans, defined contribution plans or eligible retirement accounts, annuity contracts, or government arrangements as defined in the plan document (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company provides a match contribution equal to 25% of participant deferrals up to 6% of base compensation. The Company may also provide a discretionary employer profit-sharing contribution. There were no discretionary profit-sharing contributions for the years ended December 31, 2022 and 2021. Contributions are subject to certain statutory limitations.

Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's contribution, investment results, and charged with distributions and administrative expenses, as applicable. Allocations are based on participant earnings, account balances, or specific participant-initiated transactions. Additionally, some administrative expenses are paid from the annual operating expenses of the Plan's designated

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Participant Accounts - Continued - investment alternatives, which are netted against the investment earnings for the relevant participant-directed investments. Participants direct the investment of salary deferrals, employer contributions, and rollover accounts into the various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in employer contributions is based on years of continuous service. After two years of continuous service, a participant becomes 20% vested in matching contributions in the Plan. The vesting percentage increases by 20% each year until the participant becomes fully vested in his or her account after six years. Years of service with Howe's Auto, Inc., Sport Jeep/Eagle, Sport Chevrolet Company, Inc., and Sport Honda, Inc. are counted toward vesting.

Notes Receivable from Participants - Participants may borrow from their elective deferral accounts a maximum amount equal to the lesser of \$50,000 (reduced by the greatest outstanding loan balance during the twelve months preceding the date of the loan) or 50% of their vested account balance. The minimum loan amount is \$1,000. Loan terms range from one to five years or longer for the purchase of a primary residence. Loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with prevailing interest rates charged by major financial institutions for comparable loans at the time the loan is made. Principal and interest are paid ratably through payroll deductions. Loans will not be made available to any participant who is not an active employee. Upon termination of employment, any remaining loan balance becomes immediately due and payable.

Payment of Benefits - Upon termination of service due to death, disability, retirement (age 65), age 59½, or separation from service a participant may elect to receive all or any portion of his or her eligible account balance paid in a single lump sum or direct rollover to an individual retirement account or another eligible retirement plan or paid directly to the participant. For any distribution exceeding \$200 but not in excess of \$5,000, the participant shall be given the option to elect to have such a distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly. If neither option is elected, the plan administrator shall make such a distribution in a direct rollover to an individual retirement plan designated by the plan administrator and shall provide written notice to the participant informing the participant that they have the option to transfer such amounts into another individual retirement plan of his or her own choice. Amounts less than \$200 will be distributed to the participant in a lump sum, if no election is made. A participant may request a withdrawal of all or a portion of his or her employer match account and non-elective account after five years of participation from funds held for two years, and from his or her rollover account at any time.

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Payment of Benefits - Continued

As required under Section 401(a)(9) of the IRC, a participant must begin receiving required minimum distributions from the Plan by April 1 of the calendar year following the later of (1) the calendar year following the year in which the participant reaches age 72, or (2) the calendar year in which the participant retires.

Hardship Withdrawals - Participants may withdraw their salary deferral accounts, excluding Roth contributions, in the form of a hardship withdrawal to satisfy an immediate and heavy financial need as defined by the Plan. The distribution may not exceed the amount of the participant's immediate and heavy financial need plus a tax gross-up.

The participant must first exhaust all other assets reasonably available prior to obtaining a hardship withdrawal, including obtaining a loan from the Plan.

Forfeitures - Forfeitures may be used to pay administrative expenses and any remaining forfeitures will be used to reduce future employer-matching contributions. As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$19,893 and \$23,088, respectively. During 2022, no forfeited nonvested accounts were used to pay administrative expenses.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received for the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants at

SPORT CHEVROLET HONDA 401(k) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2022

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition - Continued - the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the term of the plan document.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Costs associated with participant-initiated transactions are paid by the respective participants' accounts. Administrative expenses include expenses charged by Nationwide Trust Company for asset management and asset-based fees and charged by Long Island Employee Benefit Group (LIEBG) for third-party administration. Additionally, per-participant fees are charged by Nationwide Trust Company and LIEBG. A custodial fee is charged by Nationwide Trust Company. Lastly, administrative expenses include transaction fee charges for loans and distributions. Some administrative expenses of the Plan are paid from the annual operating expenses of the Plan's designated investment alternatives, which are netted against the investment earnings for the relevant participant-directed investments.

Subsequent Events - The Plan's policy is to evaluate events and transactions after its year end for potential recognition in the financial statements or disclosure in the notes to the financial statements. The plan administrator has evaluated events and transactions through the date of the independent auditors' report, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of a valuation methodology used for assets measured at fair value. There has been no change in the methodology used as of December 31, 2022 and 2021:

Registered Investment Companies - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

SPORT CHEVROLET HONDA 401(k) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2022

NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED

Registered Investment Companies - Continued

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2022			
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 13,988,005	\$ -	\$ -	\$ 13,988,005
Total Assets in the Fair Value Hierarchy	\$ 13,988,005	\$ -	\$ -	\$ 13,988,005
Investments Measured at NAV (a)	\$ -	\$ -	\$ -	\$ 1,244
Total Investments, at Fair Value	\$ -	\$ -	\$ -	\$ 13,989,249

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 17,288,437	\$ -	\$ -	\$ 17,288,437

Investments Measured at NAV (a)	\$ -	\$ -	\$ -	\$ 630
Total Investments, at Fair Value	\$ -	\$ -	\$ -	\$ 17,289,067

(a) In accordance with *Subtopic 820-10*, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED

Fair Value Measurements of Investments that are Measured at Net Asset Value per Share as a Practical Expedient - The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

2021				
Morley Stable Value Fund	\$ 630	N/A	Daily	12 Months

NOTE 4: GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

In 2016, the Plan entered into a traditional fully benefit-responsive fixed select contract with Nationwide Life Insurance Company. Contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Because the Fixed Select Contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Fixed Select Contract.

The Fixed Select Contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by the contract issuer, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Due to the nature of the contract, it does not have specific underlying assets assigned.

The Fixed Select Contract held by the Plan is a group annuity contract that is backed solely by the claims-paying ability of Nationwide Life Insurance Company. The contract issuer is contractually obligated to repay both principal and interest, minus any applicable fees and expenses, at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting. The interest rate was 1.68% during the first and second quarters of 2022, 1.76% during the third quarter of 2022 and 2.02% during the fourth quarter of 2022.

Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include the following:
(a) amendments to the plan documents (including complete or partial plan termination or merger with another plan),

SPORT CHEVROLET HONDA 401(k) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2022

NOTE 4: GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY - CONTINUED

(b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation.

The Company does not believe that any events that would limit the Plan's ability to transact at contract value with the plan participants or the issuer are probable.

The Fixed Select Contract does not have a maturity date. The provisions do not provide for a distribution at contract value at some specified future date. A contract holder can request a lump-sum distribution with a market value adjustment, or an installment payout, at contract value, over a period of years.

NOTE 5: INFORMATION CERTIFIED BY CUSTODIAN

The Plan's investments as of December 31, 2022 and 2021, were held by Nationwide Trust Company, FSB. The plan administrator elected the method of annual reporting compliance permitted by DOL Regulation Section 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, Nationwide Trust Company, FSB, the custodian, certified the following data included in the accompanying financial statements and supplemental schedules as complete and accurate.

NOTE 6: RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan has not considered normal plan operations such as participant and employer contributions or benefits accrued or paid by the Plan for participants as party-in-interest transactions that require separate disclosure. Certain plan investments are shares of registered investment companies and a group annuity contract. Participant loan origination fees are paid out of the relevant participants' accounts. These transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules.

NOTE 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their account balances. Any unallocated assets would be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 8: TAX STATUS

The underlying non-standardized pre-approved profit sharing plan with cash or deferred arrangement (CODA) has obtained an opinion letter, dated June 30, 2020, from the Internal Revenue Service (IRS), which stated that the form of the Plan as then designed was in compliance with the applicable requirements of the Internal Revenue Code (IRC) and, therefore, the related trust is tax exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS or DOL. The plan administrator has analyzed

NOTE 8: TAX STATUS - CONTINUED

the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's federal Form 5500 is subject to examination by the IRS and DOL, generally for the three years after it was filed.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in their values will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10: COMMITMENTS AND CONTINGENCIES

In the normal course of business, there may be various commitments and contingencies outstanding which are not reflected in these financial statements. In the opinion of the plan administrator, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.
