INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of
Future Automotive Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Future Automotive Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Future Automotive Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Future Automotive Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Future Automotive Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Future Automotive Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Future Automotive Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 and the Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITORS' REPORT (continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FUTURE AUTOMOTIVE GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note 1: Description of Plan

The following description of the Future Auto Group 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the participating companies except collective bargaining employees and nonresident aliens who do not receive United States source income, who have six months of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA). The participating companies are all members of the Future Automotive Group ("the Company"): Future Ford Inc. dba Future Ford of Roseville, Future Nissan, Inc. dba Future Nissan, Suburban Motors, Inc. dba Future Ford of Sacramento, Decker Ford, Inc. dba Future Ford of Clovis, C.K Automotive, Inc. dba Future Kia, Future Nissan of Folsom, Inc., Future Chevrolet of Sacramento, Inc., Future Automotive of Yuba City, Inc. dba Future Toyota of Yuba City., and Future Imports Sacramento LLC. dba Future Honda.

Administration. The Plan has contracted with Fidelity Management Trust Company to act as trustee and custodian of plan assets, and Fidelity Investments ("Fidelity"), the dba for Fidelity Management & Research Company, to serve as the plan's administrator to manage certain operations of the plan and to process and maintain certain participant records.

Contributions. Each year, participants may contribute 1% - 100% of their compensation, as defined in the Plan, and subject to IRS annual limits. The Company may make matching contributions equal to a discretionary percentage of the Participant's salary deferral. For the 2022 plan year, the Company made matching contributions equal to 10% of each participant's deferral with an annual maximum of \$2,050. The Company may also make a discretionary profit sharing contribution that is allocated based on each participant's compensation as compared to total compensation of all participants.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, if any, (b) Plan earnings (losses), and (c) forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each mutual fund investment includes internal expense ratios ranging from approximately .015% to .99%. These expenses are reflected in each fund's investment return, and participants' accounts are not are not charged separately. Participants should refer to the mutual funds' prospectuses and the Plan's "Participant Fee Disclosure" for details of these fees.

Vesting. Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after six years of service.

Forfeitures. The total non-vested portion of terminated employees account balances are used by the plan sponsor to offset expenses, or to offset employer matching contributions. There were \$13,891 of forfeitures generated in the current year, and \$19,423 of forfeitures were used for plan expenses. As of December 31, 2022 there were \$551 of remaining unused forfeitures to be used to offset future expenses or used to offset future employer contributions.

Investment Options. Upon enrollment in the Plan, a participant may direct employee contributions in various increments to the investments administered by Fidelity. Participants may change their investments daily and can choose from several available mutual funds in the Fidelity Investments portfolio of investment options.

DECEMBER 31, 2022

Note 1: Description of Plan (continued)

Payment of Benefits. On termination of service due to death, disability, retirement, or termination, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account as a lump sum distribution in whole or in part. All investments available in the plan allow for daily redemptions with no redemption notice period required.

Notes Receivable from Participant. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan balances may be paid over a reasonable period of time not to exceed five years, except in the case that the proceeds of the loan are used to acquire the participant's principal residence. In this case, the maximum loan term is ten years. The loans are secured by the balance in the participant's account, and bear interest based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances.

Amendments - During the year ending December 31, 2022 the Plan was amended to add Future Imports Sacramento, LLC, as a participating company.

Note 2: Summary of Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's mutual fund investments are stated at fair value by Fidelity based on quoted market prices. The Plan's collective trust fund is stated at fair value based on the net asset value determined by Fidelity. The Putnam Stable Value Fund is a collective trust fund that is valued at contract value as determined by Fidelity.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Risks and Uncertainties - The Plan provides for various investment options which are exposed to a variety of risks, including interest rate, market fluctuations, valuation, and credit risks. Due to the level of risk associated with certain investments, it is possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events - Plan management has evaluated subsequent events through September 22, 2023, the date the financial statements were available to be issued.

Note 3: Information Certified by Trustee

Fidelity Management Trust Company, the trustee of the Plan, has certified as to the completeness and accuracy of all investments and participant notes receivable reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, the investment income and interest from participant notes reflected on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022, and all investment information reflected in the supplemental Schedule of Investments Held at December 31, 2022, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This information has been certified as complete and accurate to the best of their knowledge and is summarized as follows:

	2022	2021
Value of Interest in Mutual Funds	\$ 31,744,956	\$ 37,751,829
Interest Bearing Cash - Money Market Fund	16,792	15,479
Value of Interest in Stable Value CCT	1,069,578	619,193
Notes Receivable from Participants	597,120	555,738
Net depreciation in fair value of investments	(8,022,849)	
Interest and Dividend Income	1,502,019	
Interest income on participant notes receivable	26,232	

Note 4: Fair Value Measurements

Financial Accounting Standards Board ASC 820-10 (formerly FASB Statement No. 157, Fair Value Measurements), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

FUTURE AUTOMOTIVE GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note 4: Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the net asset value ("NAV") of shares held by the plan at year end as reported by Fidelity Management Trust Company, the trustee of the Plan, based on quoted market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Fair Value
Mutual Funds	\$ 31,744,956	\$ -	\$ -	\$ 31,744,956
Interest Bearing Cash - MM Fund	16,792	-	-	16,792
Total assets at fair value	31,761,748	-	-	31,761,748

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Fair Value
Mutual Funds	\$ 37,751,829	\$ -	\$ -	\$ 37,751,829
Interest Bearing Cash - MM Fund	15,479	-	-	15,479
Total assets at fair value	37,767,308	-	-	37,767,308

Note 5: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 6: Tax Status

The Plan uses the prototype plan document Fidelity Basic Plan Document No. 17, sponsored by FMR, LLC who received an opinion letter from the IRS dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

FUTURE AUTOMOTIVE GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note 6: Tax Status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administration has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 7: Administrative Expenses

Administrative expenses of \$10,502 were paid to Fidelity for specific participant loan, distribution transactions, and cancellation fees, and \$16,846 was paid in audit fees. Fidelity also receives direct recordkeeping compensation of .16% of the Plan's assets, paid by the participants. There is also a direct advisory fee paid to Tridea Advisors, of .15% of the managed account balance which is also paid by the participants. These direct charges paid to Fidelity and Tridea Advisors totaled \$53,660 and \$63,605 for the 2022 plan year, respectively. Fidelity also receives indirect compensation from the Plan's underlying mutual fund investments ranging from 0% to .25%. Total fund level fees range from .015% to .99%.

Note 8: Excess Contributions

For the year ended December 31, 2022 and 2021, the Plan was required to return excess employee contributions of \$69,423 and \$30,162, respectively, to certain active participants as required to satisfy the relevant nondiscrimination provisions of the Plan. The distributions are included in the plan's statement of net assets available for benefits as excess contributions payable at December 31, 2022 and 2021.

Note 9: Reconciliation of Financial Statements to Schedule H of Form 5500

The Plan's Form 5500 Schedule H is prepared on a cash basis of accounting while these financial statements are on the accrual basis. Also, the Stable Value Fund is valued at contract value on these financials, and fair value on the Schedule H. The following is a reconciliation of differences in certain amounts per the financial statements and amounts reported on Schedule H of Form 5500:

Accrual for Excess Contributions:

As discussed in note 8, the Plan was required to refund excess contributions for the plan year ending December 31, 2022. For purposes of these financial statements, this amount is recorded as a payable as of December 31, 2022. The form 5500 is prepared on a cash basis, and these refunds will be shown as corrective distributions on the Schedule H in the 2022 tax year.

Corrective distributions per schedule H of Form 5500	\$ 40,081
Add accrual for excess participant contributions contributions payable as of December 31, 2021	69,423
Less corrective distributions paid during 2022 that were accrued as payable as of December 31, 2021	<u>(30,162)</u>
Excess contributions per the financial statement	<u><u>\$ 79,342</u></u>

FUTURE AUTOMOTIVE GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note 9: Reconciliation of Financial Statements to Schedule H of Form 5500 (continued)

Accrual for Contributions Receivable:

The following is a reconciliation of employer and employee contributions per the financial statement for the year ending December 31, 2022 and contributions as stated on Schedule H of Form 5500:

Total contributions received and receivable as reported on Schedule H	\$ 4,534,125
Less prior year accrued employee contribution receivable	-
Less prior year accrued employer contribution receivable	(322,326)
Add current year accrued employee contribution receivable	10,042.00
Add current year accrued employer contribution receivable	<u>372,590</u>
Total contributions per Financial Statements	<u>\$ 4,594,431</u>

Fair Value vs. Contract Value:

The Fidelity Advisor Stable Value CIT III CCT is reported at contract value on these financial statements, and at fair value for the Form 5500 Schedule H.

Total investments as reported on Schedule H	\$ 32,750,727
Add adjustment to contract value for the Stable Value Fund	<u>80,599</u>
Total assets per Financial Statements	<u>\$ 32,831,326</u>
Total Investment Income (loss) as reported on Schedule H	\$ (6,572,300)
Add change in fair value for the Stable Value Fund	<u>77,702</u>
Total Investment Income and Loan Interest per Financial Statements	<u>\$ (6,494,598)</u>

The net assets available for benefits as shown on these financial statements is \$393,838 higher than on the schedule H of form 5500, and the net increase in assets available for benefits is \$98,747 higher than what is reported on schedule H of form 5500. These differences relate to cash vs. accrual differences and fair value and contract value differences as described above.

Note 10: Fidelity Advisor Stable Value III CCT

Contributions to the Fidelity Advisor Stable Value III CCT ("Stable Value Fund") are invested solely in shares of the Fidelity Advisor Stable Value III Collective Trust. The sponsoring entity is Fidelity Management Trust Company. The Stable Value Fund seeks to preserve principal and provide book value liquidity on a daily basis for plan-permitted, participant-directed withdrawals while maintaining a competitive rate of interest. There is no guaranteed minimum crediting rate. The investment is considered fully benefit responsive and normal participant withdrawals and transfers from the Stable Value Fund are processed at contract value. If the Plan were to request a liquidation, surrender charges and/or market value adjustments may apply. The Stable Value Fund is stated at contract value as determined by Fidelity is as follows:

	<u>2022</u>	<u>2021</u>
Traditional Stable Value CCT	<u>\$ 1,069,578</u>	<u>\$ 619,193</u>

Note 11: Party-In-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Some of the plan investments are mutual funds managed by Fidelity Investments, an affiliated company with the trustee, Fidelity Management Trust Company. Fidelity is the investment advisor for these investments, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity for investment management services of these mutual funds is included as a reduction of the return on each fund. Notes receivable from participants also reflect party-in-interest transactions.

Note 12: Prohibited Transactions - Delinquent Participant Contributions

During the prior year ending December 31, 2022, the Plan sponsor inadvertently failed to deposit contributions of participant deferrals and loan repayments, totaling \$3,108 within the required time frame as stated by the United States Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions.

FUTURE AUTOMOTIVE GROUP 401(K) PLAN
FORM 5500, SCHEDULE H, LINE 4a - SCHEDULE OF DELINQUENT PARTICIPANT CONTRIBUTIONS
DECEMBER 31, 2022

The following is a Schedule of Delinquent Participant Contributions for the Future Auto Group 401(k) Plan (Federal EIN 94-2729275), Plan Number 001, of which Future Ford, Inc. is the plan sponsor.

2022 Form 5500 Line 4a - Schedule of Delinquent Participant Contributions				
Participant Contributions and Loan Payments Transferred Late to	Total that Constitute Nonexempt Prohibited Transactions			Total Fully Corrected Under VFCP and PTE 2002-51
	Contributions Not Corrected	Contributions Corrected Outside the VFCP	Contributions Pending Correction in the VFCP	
\$3,108	\$3,108	\$0	\$0	\$0

During the 2022 plan year, the Plan sponsor inadvertently failed to deposit \$2,852 of participant deferrals, which included \$256 in loan payments, within the required timeframe as stated by the United States Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions.
