Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the accompanying financial statements of Snak-King Corp. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SNAK-KING CORP. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of the Snak-King Corp. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was adopted by Snak King Corporation (the Company), effective January 1, 1999, and is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code (IRC) of 1986, as amended. Effective January 3, 2022, Snak King Corporation elected to operate as a limited liability company. The purpose of the Plan is to provide retirement benefits for all eligible employees who are at least 21 years of age.

Eligibility

Employees of Snak-King LLC are eligible to participate in the deferral, match and nonelective components once they reach the age of twenty-one or older. To receive an allocation of the employer matching or nonelective contribution, a participant must work at least 1,000 hours during the plan year. The participant will also receive an allocation if they have retired, become disabled, or deceased during the Plan year.

Contributions

Participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan and subject to IRC limitations. Participants may designate all or a portion of their elective deferrals as Roth contributions. Participants may also contribute amounts representing distributions from other eligible retirement plans, as defined in the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

Company-matching contributions are discretionary and cannot exceed 4% of a participant's compensation. For the year ended December 31, 2022, the Company matched 25% of the first 4% of compensation deferred by a participant for a total Company-matching contribution of \$81,592.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. Participants are vested in Company contributions at the rate of 20% after two years of service and an additional 20% each year thereafter and are considered to be 100% vested upon six years of service.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow against their plan account balance within plan guidelines. Loan terms are at the discretion of the borrower but generally cannot exceed five years. The loan amount can be a minimum of \$1,000 but cannot exceed the lesser of (a) one-half of the participant's nonforfeitable interest under the Plan or (b) \$50,000. Interest is charged on the outstanding balance at rates determined by the plan administrator based on prevailing interest rates. Principal and interest are paid ratably through payroll deductions. The loans are secured by the vested account balance in the participant's account, and a participant can have a maximum of one outstanding loan at any time.

Benefits Payments

Upon termination of service for any reason, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. Additionally, upon attaining the age of 59½, the participant is allowed to withdraw certain funds from the Plan.

Forfeitures

Forfeitures of the employee's nonvested portion of the Company's contributions are used to reduce future employer's contributions or to pay plan administrative fees. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$14,471 and \$14,286, respectively. During the year ended December 31, 2022, \$3,264 of the forfeited amount was allocated to the remaining participants of the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). References to the "ASC" hereafter refer to the Accounting Standards Codification established by the Financial Accounting Standards Board (FASB) as the source of authoritative U.S. GAAP.

Use of Estimates

The process of preparing financial statements in accordance with U.S. GAAP requires the use of estimates and assumptions regarding certain types of assets and liabilities, revenues and gains, and expenses and losses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements. As further described in Note 4, the fair value of the Plan's stable value fund is measured using the net asset value per share as a practical expedient.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains and/or losses are reported the day after the trade date. Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as net depreciation in fair value on investments.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable are reclassified as distributions based upon terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

ERISA requires the Plan to satisfy certain nondiscrimination provisions. The Plan may be required to return some contributions in order to satisfy these provisions. At December 31, 2022 and 2021, excess contributions payable were \$6,397 and \$20,210, respectively.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. The majority of administrative expenses incurred by the Plan are absorbed by the Company, except for fees related to the administration of notes receivable from participants and distributions, which are deducted from the applicable participants' accounts. Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation in fair value on investments.

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities; or
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022, and net earnings on investments and interest and dividends for the year then ended, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Empower Trust Company, LLC (Empower), the custodian of the Plan.

NOTE 6 INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (CONTINUED)

Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Great-West Trust Company, LLC, the prior custodian of the Plan.

NOTE 7 CONCENTRATIONS, RISKS, AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, all participants would become fully vested in their accounts.

NOTE 9 TAX STATUS

The Plan is based on the Prototype Non-Standardized 401(k) Plan with Empower, the custodian of the Plan, which received an opinion letter from the Internal Revenue Service (IRS) stating that the prototype plan was designed in accordance with the provisions of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore also believes that the Plan is qualified and the related trust is tax exempt. The Plan has not yet filed for its own determination letter from the IRS; however, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The related trust, therefore, is not subject to tax under present income tax law.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan; it has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

DECEMBER 31, 2022 AND 2021

NOTE 10 WITHDRAWN PARTICIPANTS

At December 31, 2022 and 2021, there were no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not been paid.

NOTE 11 PARTIES IN INTEREST

Notes receivable from participants represent loans to employees and therefore qualify as party-in-interest transactions. The Plan also has a number of service providers. Such providers are parties in interest under ERISA.

NOTE 12 DIFFERENCES ON THE FORM 5500

The financial statements have been prepared on the accrual basis as required by U.S. GAAP. However, as of December 31, 2022 and 2021, the Form 5500 to be filed with the IRS has been prepared on the cash basis.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

	<u>2022</u>	<u>2021</u>
Net Assets Available for Benefits per the Financial Statements	\$ 10,991,602	\$ 13,956,572
Excess Contributions Payable	<u>6,397</u>	<u>20,210</u>
Net Assets Available for Benefits per the Form 5500	<u>\$ 10,997,999</u>	<u>\$ 13,976,782</u>

A reconciliation of net increase (decrease) in net assets available for benefits per the financial statements for the year ended December 31 to Form 5500 is as follows:

Net Decrease in Net Assets Available for Benefits per the Financial Statements	\$ (2,964,970)
Current Year Excess Contributions	6,397
Prior Year Excess Contributions	<u>(20,210)</u>
Net Decrease in Net Assets Available for Benefits per the Form 5500	<u>\$ (2,978,783)</u>

NOTE 13 SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 21, 2023, the date the financial statements were available to be issued.

Effective January 1, 2023, the Plan was amended to change its name from Snak King Corp. 401(k) Profit Sharing Plan to Snak-King LLC 401(k) Profit Sharing Plan.
