Report on the Audits of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SMA, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of SMA, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SMA, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SMA, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the SMA, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SMA, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SMA, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the SMA, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established on May 6, 1974, and adopted by SMA, INC. (the Company) under the provisions of Section 401(k) of the Internal Revenue Code of 1986 (IRC) and is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA) and the IRC, as amended. The purpose of the Plan is to provide retirement benefits for substantially all employees of the Company. An employee is eligible to become a participant after completing two months of service with the Company and is automatically enrolled in the Plan. Eligible employees who do not want to participate in the Plan are required to decline to contribute electronically. The Board of Directors is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Directors.

Contributions

Participants may elect to contribute up to 50% of their annual wages for up to a maximum deferral limitation, as defined in the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants may designate their deferrals as Roth deferrals or after-tax deferrals.

The Plan provides for certain employer contributions, including discretionary nonsafe harbor matching contributions and discretionary nonsafe harbor nonelective contributions. Nonsafe harbor matching and nonelective contributions require two months of minimum service hours, and participants must be employed on the last day of the Plan year, with exceptions to retirement, death, and disability. Nonsafe harbor nonelective contributions are allocated on a pro rata basis based upon each participant's eligible compensation for the allocation period. The Company elected to make matching contributions with an amount equal to 20% of the participant's contribution and up to a maximum of 5% of the employee's compensation. For the Plan year ended December 31, 2022, the Company made matching contributions totaling \$59,825, net of forfeitures, and elected to not make a discretionary nonelective contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary nonsafe harbor matching contributions and discretionary nonsafe harbor nonelective contributions plus actual earnings thereon is based on years of continuous service. A participant is 25% vested after one year of service, and vests at a rate of 25% annually thereafter. A participant is considered to be 100% vested after four years of credited service. Benefits attributable to each participant will become fully vested in the event of death, disability, normal retirement, or the complete or partial termination of the Plan.

Notes Receivable from Participants

Participants may borrow against their Plan account balance within Plan guidelines. Loan terms are at the discretion of the borrower but generally cannot exceed five years, unless the loan is made to acquire a principal residence. The loan amount must be a minimum of \$1,000 and cannot exceed the lesser of (a) one-half of the participant's nonforfeitable interest under the Plan or (b) \$50,000. Interest is charged on the outstanding balance at rates determined by the plan administrator based on prevailing interest rates. Principal and interest are paid ratably through payroll deductions, and notes are secured by the vested balance in the participant's account. In addition, a participant can only have two loans outstanding at any time. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Benefit Payments

Upon termination of employment with the employer, a participant will receive a lump-sum disbursement if his or her vested balance is \$1,000 or less. If the vested account balance is greater than \$1,000, but less than \$5,000, the Plan will transfer the account balance to an individual retirement account in the participant's name if he or she has not chosen a distribution method within 60 days of termination. For all other distributions, the participant is entitled to receive a lump-sum distribution or equal installments. In the event of death or total and permanent disability, a participant's beneficiary or the participant is entitled to the total value of the participant's account. Additionally, under certain circumstances of financial hardship or upon attaining the age of 59½, participants are allowed to withdraw their vested funds from the Plan.

Forfeitures

Forfeitures of the employee's nonvested portion of the Company's discretionary matching or nonelective contributions are used to pay Plan administrative expenses or to supplement employer contributions. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$851 and \$16,733, respectively. During the year ended December 31, 2022, \$16,773 of forfeitures was used to reduce employer contributions.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. The majority of administrative expenses incurred by the Plan are absorbed by the Plan, except for fees related to the administration of participant loans, which are deducted from the applicable participants' accounts.

Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are paid directly to third-party advisors. Management fees, as well as trust, custody, and recordkeeping fees, are deducted from participant accounts quarterly based on their pro rata share of Plan assets.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value at December 31, 2022 and 2021. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for a discussion of fair value measurements of the Plan's investments in mutual funds. As further disclosed in Note 9, fair value of the Plan's investments in common/collective trusts is measured using the net asset value per share (NAV) as a practical expedient.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as deemed distributions based upon terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The process of preparing financial statements in accordance with accounting principles generally accepted in the United States of America, (U.S. GAAP), requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and gains, and expenses and losses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

NOTE 3 CONCENTRATIONS, RISKS, AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4 CERTIFICATION OF INVESTMENT INFORMATION

Charles Schwab Trust Bank, the trustee of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the statement of changes in net assets available for benefits for the year ended December 31, 2022, and the supplemental schedule of assets (held at end of year) as of December 31, 2022.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants would become fully vested in their accounts.

NOTE 6 TAX STATUS

The Plan is based on the Prototype Volume Submitter Profit Sharing Plan with a cash or deferred arrangement, which received a determination letter from the Internal Revenue Service (IRS) stating that the pre-approved plan was designed in accordance with the provisions of the IRC. The Plan has not filed for its own determination letter from the IRS. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The related trust therefore is not subject to tax under present income tax law.

SMA, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 6 TAX STATUS (CONTINUED)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and it has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

Notes receivable from participants represent loans to employees and therefore qualify as party-in-interest transactions. The Plan also has a number of service providers. Such providers are parties in interest under ERISA.

NOTE 8 NONEXEMPT TRANSACTIONS

Qualified Nonelective Contributions

During 2022, the Company failed to automatically enroll a rehired employee upon satisfying the eligibility requirement. In addition, a deferral rate change was not properly applied for one participant. As a result, the Company is obligated to remit qualified nonelective contributions totaling \$3,985. These contributions are recorded on the statements of net assets as other employer contributions receivable at December 31, 2022. The contributions are deemed prohibited transactions in accordance with ERISA and the Internal Revenue Code. The Company is in the process of correcting these occurrences.

During 2021, the Company failed to automatically enroll certain participants upon satisfying eligibility requirements. As a result, the Company is obligated to remit a qualified nonelective contribution totaling \$3,164. These contributions are recorded on the statements of net assets as other employer contributions receivable at December 31, 2021. The contributions are deemed prohibited transactions in accordance with ERISA and the Internal Revenue Code. The Company corrected the occurrence in 2022.

NOTE 9 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

SMA, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 9 FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; or
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There has been no change in the methodology used at December 31, 2022 and 2021. The following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, measured on a recurring basis, at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 21,033,101</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,033,101</u>

NOTE 9 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, measured on a recurring basis, at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 21,641,161</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 21,641,161
Investments Measured Using NAV (Note 10)				<u>9,855,672</u>
Total Investments at Fair Value				<u>\$ 31,496,833</u>

NOTE 10 INVESTMENTS MEASURED USING NAV

The fair value of the Plan's common/collective trust fund investments are measured using NAV as a practical expedient at December 31, 2022 and 2021. Each unit in a common/collective trust fund invests directly in a unit of the underlying investment. Unit values are calculated based on the observable NAV of the underlying investment in funds.

The following table for December 31, 2022, sets forth a summary of the Plan's investments whose fair value is estimated using NAV (or its equivalent) as a practical expedient:

	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Common/ Collective Trust Funds	\$3,947,158	None	Daily	None	30 days

The following table for December 31, 2021, sets forth a summary of the Plan's investments whose fair value is estimated using NAV (or its equivalent) as a practical expedient:

	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Common/ Collective Trust Funds	\$9,855,672	None	Daily	None	30 days
