In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Information Resources, Inc. Amended and Restated 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Information Resources, Inc. Amended and Restated 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Information Resources, Inc. Amended and Restated 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Information Resources, Inc. Amended and Restated 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Information Resources, Inc. Amended and Restated 401(k) Retirement Savings Plan

Plan Number 001, EIN 36-2947987

Notes to Financial Statements

December 31, 2022 and 2021

Note 1. Description of Plan

The following description of Information Resources, Inc. ("Company") Amended and Restated 401(k) Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Company. A regular full-time employee (at least 40 hours per week) becomes eligible to participate as of the latter of attaining age 21 or the first of the month following the date of employment; a regular part-time employee (less than 40 hours per week) is eligible to participate upon attaining age 21 and working 1,000 hours in a plan year. Effective January 1, 2015, employees who are residents of Puerto Rico or who primarily perform all of their services in Puerto Rico and are employed by Information Resources, Puerto Rico, Inc. are eligible to participate in the Plan. Effective March 1, 2018, the Plan was amended to authorize Field Audit Services Team, LLC, an affiliate of the Company, to become an employer under the Plan and their employees became eligible to participate in the Plan. Temporary employees (regardless of hours worked per week) who are hired, rehired, or transferred into a temporary status are not eligible to participate while classified as temporary. Effective January 1, 2021, the Plan was amended to include, among other things, provisions of both the CARES and SECURE Acts, and to accept rollovers from the Retail Solutions, Inc. 401k Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code of 1986 ("Code"). The Information Resources, Inc. Retirement Savings Plan Committee ("Committee"), certain employees of the Company and the Plan Trustee oversee governance of the Plan, determine the appropriateness of the Plan's investment offerings, and monitor investment performance.

On August 1, 2022, IRI Group Holdings, Inc., the parent company of the Plan Administrator and Sponsor, merged with affiliates of The NPD Group, LP. The impact of this merger on the Plan will be determined during the Plan's year ending December 31, 2023.

Plan Administrator and Trustee

Information Resources, Inc. is the Plan Administrator and Sponsor. The Board of Directors delegated authority, responsibility, and oversight of the Plan to the Committee, which is comprised of several employees of the Company. The Trustee of the Plan is Fidelity Management Trust Company.

Participant Accounts

Each participant's account is credited with the participant's elective deferral contribution and the Company's matching contribution, if any, and allocation of plan earnings (losses). Plan earnings or losses are allocated based on the participant's share of earnings or losses of his or her respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Number 001, EIN 36-2947987

Notes to Financial Statements

December 31, 2022 and 2021

Contributions

Participants may contribute between 2% and 50% of their cash compensation, as defined under the Plan, in any combination of pretax or Roth contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions.

Each year, the Company may elect to make a matching contribution to the Plan on behalf of those employees who make elective deferral contributions to the Plan during the year. The Company's matching contribution is based on a maximum of 6% of each participant's compensation, as defined. Company matching contributions were 45% of the amount contributed to a maximum of \$5,500 for 2022.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants.

All contributions are subject to certain limitations of the Code.

Vesting

Participants are immediately vested in their contributions plus earnings or minus losses thereon. Vesting in the Company's matching contribution is based on years of continuous service. A participant is 100% vested after five years of service. In the event of death, disability, or retirement at designated ages, participants become fully vested.

Notes Receivable from Participants

A Participant may borrow from his or her account from a minimum of \$1,000 to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate at the time the note is requested. Notes are required to be repaid in five years or less unless they qualify as a home loan for which the term may not exceed twenty years. Principal and interest are repaid ratably through payroll deductions.

Payment of Benefits

On termination of service, a participant with an account balance of \$1,000 or less will receive a single lump sum equal to the value of his or her account. Participants with account balances between \$1,000 and \$5,000 will be rolled into an individual retirement account. Participants with account balances exceeding \$5,000 can elect to receive a lump-sum distribution or may defer payment until a later date. Payment of such deferred amounts to participants must be made no later than the 60th day after the end of the plan year during which the latter of the following events occurs: (a) the participant reaches age 65 or (b) the participant retires, but no later than April 1 after the close of the plan year in which the participant attains age 72 (effective January 1, 2020), regardless of whether the participant actually retires.

Notes to Financial Statements

December 31, 2022 and 2021

Forfeitures

At December 31, 2022 and 2021, forfeited non-vested accounts were \$405,173 and \$490,922, respectively. Plan forfeitures are used to offset future Company matching contributions and administrative expenses. For the years ended December 31, 2022 and 2021, \$592,413 and \$448,982, respectively, were used to reduce employer contributions and administrative expenses.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with United States generally accepted account principles ("GAAP").

Estimates and Assumptions

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021, respectively. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Fair Value Measurement

The Plan performs fair value measurements in accordance with the Financial Accounting Standards Board Accounting Standards Codification 820, Fair Value Measurements and Disclosures. Refer to Note 3 for the fair value measurement disclosures associated with the Plan's investments.

Investment Valuation and Income (Loss) Recognition

The Plan Administrator and Plan Trustee determine the Plan's valuation policies. The Plan's Registered Investment Companies are recorded in the financial statements at fair value based on published market values. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Putnam Stable Value Fund is valued at contract value which represents contributions plus earnings, less participant withdrawals and administrative expenses. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments in the statement of changes in net assets available for benefits includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes to Financial Statements

December 31, 2022 and 2021

Other Income

Pursuant to an agreement to provide administrative services between the Company, Plan and Trustee, the latter agrees to make revenue sharing payments to the Plan to pay administrative expenses. For the years ended December 31, 2022 and 2021, the Plan received revenue sharing payments of \$23,233 and \$54,490, and dividends of \$1,638 and \$10 respectively. For the years ended December 31, 2022 and 2021, \$22,500 and \$37,726 respectively were used to pay Plan administrative expenses. At December 31, 2022 and 2021, the balance in the revenue sharing account was \$110,579 and \$108,207, respectively.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses of maintaining the Plan are paid by the Company. Participants are charged for certain transactions, such as the processing of a loan or distributions. Investment and transaction-based fees are charged to the Plan and deducted from investment earnings and income. Consequently, these fees are reflected as a reduction of investment return.

Note 3. Fair Value Measurements

The Plan's investments are stated at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There were no level 2 or level 3 inputs used to measure fair value for the years ended December 31, 2022 and 2021.

Level 1 Fair Value Measurements

The fair value of Registered Investment Companies (mutual funds) is based on quoted net asset values of the shares held by the Plan at the end of the year.

Stable Value Fund

The Putnam Stable Value Fund is comprised of high-quality guaranteed investment contracts, security-backed investment contracts and high-quality money market instruments that are valued at the net asset value (NAV) of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable the fund will sell the investments

for an amount different from the reported NAV. If the Plan initiates a full redemption of the funds, the trustee reserves the right to require notification to ensure that securities' liquidations will be carried out in an orderly business manner. The fund's investment objective is stability of principal and high current income. The Fund has no unfunded commitments.

The following sets forth the Plan's investments at fair value at December 31, 2022 and 2021:

	Level 1	Level 2	Level 3	Total
<u>December 31, 2022</u>				
Registered Investment Companies	<u>\$ 410,883,326</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 410,883,326</u>
Total assets in fair value hierarchy	<u>\$ 410,883,326</u>	<u>\$ -</u>	<u>\$ -</u>	<u>410,883,326</u>
Putnam Stable Value Fund, measured at NAV (a)				<u>7,229,280</u>
Investments at fair value				<u>\$ 418,112,606</u>
<u>December 31, 2021</u>				
Registered Investment Companies	<u>\$ 541,851,770</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 541,851,770</u>
Total assets in fair value hierarchy	<u>\$ 541,851,770</u>	<u>\$ -</u>	<u>\$ -</u>	<u>541,851,770</u>
Putnam Stable Value Fund, measured at NAV (a)				<u>6,458,485</u>
Investments at fair value				<u>\$ 548,310,255</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments measured at fair value are based on the NAV per share. Realized and unrealized gains and losses included in net available for benefits for the years ended December 31, 2022 and 2021 are reported in net appreciation (depreciation) in fair value of investments on the statement of changes in net assets available for benefits.

Note 4. Related Party Transactions

The Plan holds shares of registered investment companies managed by Fidelity Investments, a related party to the Trustee of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

Plan administrative expenses are generally paid with revenue sharing payments, available forfeited participant funds or by participant plan assets. Administrative expenses paid by the Plan amounted to \$208,608 and 214,864 for the years ended December 31, 2022 and 2021, respectively.

The Plan allows participants to borrow from their accounts in the Plan. These transactions qualify as party-in-interest transactions. The value of notes receivable was \$2,376,775 and \$2,772,344 at December 31, 2022 and 2021, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 5. Investment Information Prepared and Certified by the Trustee

The plan administrator has received from the Trustee, as of and for the years ended December 31, 2022 and 2021, respectively, certification as to the accuracy and completeness of certain financial information and data in accordance with Section 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following data prepared and certified by the Trustee as accurate and complete includes all investments and related investment activity reflected in the accompanying financial statements.

	2022	2021
<u>Investments, at fair value</u>		
Registered investment companies	\$ 410,883,326	\$ 541,851,770
Investment measured at NAV	7,229,280	6,458,485
	<u>\$ 418,112,606</u>	<u>\$ 548,310,255</u>
Net investment income (loss)	<u>\$ (137,957,241)</u>	<u>\$ 67,303,559</u>

Note 6. Plan Amendment or Termination

The Company reserves the right to amend or modify the provisions of the Plan at any time. Although the Company expects to continue the Plan indefinitely, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan for any reason, subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in all amounts credited to their account and receive a payment equal to the value of the participant's account balance at the time of liquidation.

Note 7. Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated September 27, 2013 that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

Notes to Financial Statements

December 31, 2022 and 2021

Note 8. Risks and Uncertainties

The Plan provides for various investment options in several types of investment securities and instruments that, in general, are exposed to various risks, such as interest rate, market volatility and credit risks. Due to the level of risks associated with certain investment securities and the sensitivity of certain fair value estimates related to changes in valuation assumptions, it is at least reasonably possible that changes in risks may occur in the near term and such changes could materially affect the value of the participants' individual account balances, and the amounts reported in the Statements of Net Assets Available for Benefits and in the Statement of Changes in Net Assets Available for Benefits.

Note 9. Subsequent Events

The Plan monitors significant events occurring after the statement of net assets available for benefits date and prior to the issuance of the financial statements to determine the impacts, if any, on the financial statements to be issued. The Plan has evaluated subsequent events through the date which the financial statements are issued.
