### Independent Auditors' Report

Plan Administrator  
University School Retirement Savings Plan  
Shaker Heights, Ohio

#### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We were engaged to perform audits of the financial statements of University School Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year then ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

#### **Disclaimer of Opinion**

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

## **Basis for Disclaimer of Opinion**

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 2 to the financial statements, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions is not reasonably determinable. Accounting principles generally accepted in the United States of America ("GAAP") require that these accounts and the related income and distributions be included in the accompanying financial statements.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

## **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to, and we do not, express an opinion on this supplemental schedule.

# UNIVERSITY SCHOOL RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS

### **Note 1. Description of Plan**

The following is a summary of certain provisions of the University School Retirement Savings Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **Participation**

The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code ("IRC") covering all qualified employees of University School (the "School"), established as of January 1, 1964. Employees are eligible to participate in the Plan on the first day of the month following their employment. Participants will be eligible for School contributions on the first day of the month after completion of one year of employment and having attained age 21, as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

#### **Contributions**

Participants may elect to make contributions of their eligible earnings on a "pre-tax" or Roth basis subject to certain limitations of the IRC. Unless otherwise directed by the participants, 2.5% of eligible earnings is withheld and invested in a qualified default investment alternative. Annually, on September 1, automatically enrolled participants' percentage of eligible earnings withheld will increase by 0.5% until contribution reaches 5% of eligible earnings. The School will match an amount equal to 200% of the first 2.5% of participant compensation ("matching contributions"). The School will also contribute an amount equal to 5% of eligible earnings for each participant ("School contributions"). Total annual contributions made to the Plan on behalf of any participant are subject to limitations imposed under the IRC. The Plan also provides for the investment of qualified rollover contributions, catch-up contributions for participants aged 50 or older and additional contributions for participants with 15 years of service or more.

#### **Participants' Accounts**

Teachers Insurance & Annuity Association of America and College Retirement Equities Fund (together, "TIAA-CREF" or the "Custodian") maintain an individual account for each participant. These accounts are credited with participants' contributions, School contributions, matching contributions and related earnings, and charged with an allocation of any administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. Participants elect to maintain their aggregate contributions in the investment funds. Separate accounting for each of the funds is made pursuant to the participant's designated election. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Notes Receivable From Participants**

Participant loans are issued directly from the participant's account. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is based on the prevailing rate of prime plus 1% at the time of the loan. Principal and interest are paid ratably through payroll deductions.

## UNIVERSITY SCHOOL RETIREMENT SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS (CONTINUED)

#### **Note 1. Description of Plan (Continued)**

##### **Notes Receivable From Participants (Continued)**

Prior to 2020 the loans were administered by TIAA-CREF and were transacted outside of the Plan. These participant loans are not included in Plan assets. At December 31, 2022 and 2021, these outside loan balances were approximately \$51,873 and \$99,408, respectively, and were secured by Plan assets in the borrowing participants' accounts at 110% of the loan amount. As these loans are repaid, the collateral balance is reduced accordingly.

##### **Vesting**

Participants are at all times 100% vested in their contributions, matching contributions and earnings thereon. Vesting in School contributions is based on years of continuous service. Participants are 100% vested in School contributions after five years of credited service (20% each year) or in the event of death, disability or attaining normal retirement age as defined by the Plan. At December 31, 2022 and 2021, there were no forfeited nonvested account balances. During 2022, School contributions were reduced by \$12,367 from forfeited nonvested accounts.

##### **Payment of Benefits**

A participant, upon termination, death, disability, retirement or attainment of age 59½, may elect to commence distribution of his or her account. In the case of a severe financial hardship, TIAA-CREF, in its sole discretion, may direct distribution of all or a portion of the participant's elective and/or voluntary contributions, subject to certain restrictions of the Plan document and/or the related investment contract.

##### **Termination Provisions**

The School anticipates and believes that the Plan will continue indefinitely; however, the School reserves the right to terminate the Plan at any time by an action of its Board of Trustees subject to the provisions of ERISA. In the event of termination of the Plan, the assets then remaining in the funds will be allocated and distributed to participants in accordance with the terms and provisions of the Plan.

#### **Note 2. Summary of Significant Accounting Policies**

##### **Basis of Accounting**

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

## UNIVERSITY SCHOOL RETIREMENT SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS (CONTINUED)

#### **Note 2. Summary of Significant Accounting Policies (Continued)**

##### **Basis of Accounting (Continued)**

The financial statements of the Plan do not include amounts related to certain investment contracts which became inactive prior to January 1, 2009. As contemplated in the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, the School has made a good faith effort to determine the population of plan participants and has included amounts related to all known contracts in these financial statements. Accordingly, these financial statements are acceptable to the Department of Labor as part of the Plan's Form 5500 filing. However, because of the uncertainty involved in ascertaining all previous arrangements, it is possible that contracts may exist related to this Plan which have not been included in these financial statements and those amounts may be material. Accounting principles generally accepted in the United States of America require these amounts to be included in the financial statements.

##### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### **Investment Valuation and Income Recognition**

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, Custodian and insurance company. See Note 3 and Note 5 for discussion of fair value measurements and guaranteed investment contracts, respectively.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### **Payment of Benefits**

Benefits are recorded when paid by the Plan.

##### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the School. Expenses that are paid by the School are excluded from these financial statements. Investment related expenses are included in net appreciation or depreciation in fair value of investments.

## UNIVERSITY SCHOOL RETIREMENT SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS (CONTINUED)

#### **Note 2. Summary of Significant Accounting Policies (Continued)**

##### **Administrative Expenses (Continued)**

The Plan has an agreement in place with TIAA-CREF allowing the Plan to share in fee revenue generated by the Plan. This revenue credit income may be used to pay Plan expenses. Total revenue generated was \$35,741 in 2022, of which \$24,750 was used to pay Plan expenses.

To discourage short-term trading and help protect the long-term value of certain funds, a redemption fee will be charged equal to 2% of money transferred out of certain funds less than 60 days following initial purchase date. Redemption fees imposed on these funds are paid by the affected participants.

##### **Notes Receivable From Participants**

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and the benefit payment is recorded.

##### **Subsequent Events**

The School has evaluated subsequent events through September 15, 2023, which is the date the financial statements were available to be issued.

#### **Note 3. Fair Value Measurements**

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities.

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 – Unobservable inputs in which little or no market data exists.

The following is a description of the valuation methodologies used for Plan assets measured at fair value:

- Non benefit-responsive ("NBR") guaranteed investment contracts are reported at fair value as determined by TIAA-CREF based upon the individual purchases and sales of individual contracts and the correlation between the contracts' crediting rate with the highest quality debt security yields, adjusted for contract liquidity.

The NBR guaranteed investment contracts are reported based on information provided by the investment manager as validated by management and its advisors and, as such, additional quantitative disclosures are not required. These investments are classified as Level 3.

# UNIVERSITY SCHOOL RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

### Note 3. Fair Value Measurements (Continued)

- The investment in the pooled separate account is held and managed by TIAA-CREF. The fair value of investments held in this account is based on its reported net asset value ("NAV"). The NAV is based primarily on observable inputs and the market value of the underlying investments and is classified as Level 2.
- Included in registered investment companies are TIAA-CREF funds which are based on market quotations or prices from independent pricing services and are classified as Level 1. Also included are various CREF funds that are not available for sale on any securities exchange but whose underlying investments consist of equity securities and fixed income instruments. The valuation of these funds is based upon the daily quoted net asset value of shares held by the Plan and is classified as Level 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. There have been no changes in the methodologies used from 2021 to 2022. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level the Plan's assets at fair value as of December 31, 2022 and 2021:

The Plan's Level 3 assets had purchases totaling \$1,000,375 for the year ended December 31, 2022.

### Note 4. Unaudited Information

The Custodian of the Plan holds the Plan's investment assets and executes transactions therein. The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the statements of net assets available for benefits at December 31, 2022 and 2021, the supplemental schedule at December 31, 2022, the related investment and loan interest activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022 and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

### Note 5. Guaranteed Investment Contracts

The Plan holds investments in unallocated investment contracts (the "guaranteed investment contracts"). Of these, certain investments contain provisions that could be construed as placing restrictions on the availability of funds and, therefore, are included in the financial statements at fair value because they are not fully benefit-responsive. The principal investments underlying the guaranteed investment contracts are high-quality fixed income instruments, principally corporate and government bonds and asset-backed securities.

The Plan also holds an investment contract which meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

# UNIVERSITY SCHOOL RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

### **Note 5. Guaranteed Investment Contracts (Continued)**

TIAA Traditional Annuity ("TIAA Traditional") is an unallocated fixed-annuity contract that is fully and unconditionally guaranteed by TIAA-CREF. TIAA Traditional provides a guarantee of principal, a guaranteed minimum rate of interest between 1% and 3% and the potential for additional interest if declared by TIAA-CREF. Additional interest, when declared, remains in effect for the "declaration year," which begins each March 1.

Additional interest is not guaranteed for future years. Contributions to a participant's account purchase a guaranteed amount of lifetime annuity income. When a participant's account in the TIAA Traditional is annuitized based on available options, the present value of the stream of payments is equal to the account balance. The subsequent stream of annuity payments occurs outside of the Plan and does not represent an obligation of the Plan.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan document (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

### **Note 6. Income Tax Status**

The Plan has adopted a TIAA ERISA 403(b) volume submitter plan document. TIAA obtained an opinion letter regarding the volume submitter plan document, in which the Internal Revenue Service stated that the volume submitter document, as then designed, was in compliance with the applicable requirements of the IRC.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

### **Note 7. Party-in-Interest Transactions**

The Plan's assets are held in guaranteed investment contracts, a pooled separate account and registered investment companies managed by TIAA-CREF. Fees are also paid to TIAA-CREF, the Plan Custodian, therefore, these transactions qualify as party-in-interest transactions.

### **Note 8. Risks and Uncertainties**

The Plan holds various investment options in combinations of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
