The Plan Administrative Committee and Participants
Pritchett Trucking, Inc./Nextran Corporation 401(k) Plan
Jacksonville, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the financial statements of Pritchett Trucking, Inc./Nextran Corporation 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification(s), comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - schedule of delinquent participant contributions for the year ended December 31, 2022, and Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule(s) agrees to, or is/are derived from, in all material respects, the information prepared and certified by a qualified institution(s) that management determined meet(s) the requirements of ERISA Section 103(a)(3)(C).

Pritchett Trucking, Inc./Nextran Corporation 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the Pritchett Trucking, Inc./Nextran Corporation 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan maintained by Pritchett Trucking, Inc./Nextran Corporation (the Company or Employer) for the benefit of its eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

All employees, excluding those who are leased, temporary, or non-resident aliens, who complete 6 months of service are eligible to participate in the Plan as of the first day of the quarter coincident with or subsequent to the above condition being met.

Contributions

Participants may elect to make pre-tax contributions and/or after-tax (Roth) contributions up to the dollar limitation of the Internal Revenue Code (IRC). In addition, eligible participants are permitted to make catch-up contributions. Participants may also contribute, on a pre-tax basis, amounts representing distributions from other qualified plans (rollovers). The Employer may make a discretionary matching contribution (Employer matching contributions) on a per pay period basis. The Employer matching contribution is equal to 50% of the participant's contribution up to 4% of the participant's compensation. Contributions are invested in various investment options at the direction of the participants.

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer matching contributions, and each participant's share of the Plan's income (loss). The Plan's income (loss), with respect to each investment fund, is allocated based on the proportion that each participant's account balance invested in such fund has to the total of all participants' account balances invested in such fund.

Vesting

Participants are always 100% vested in their contributions and related earnings thereon. Employer matching contributions, and the related earnings thereon, are vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than one	0%
One	20%
Two	40%
Three	60%
Four	80%
Five or more	100%

Notes to Financial Statements

1. Description of the Plan (cont.)

Forfeitures

The Plan allows forfeitures to be used to reduce Employer matching contributions, to reduce administrative expenses, or to be allocated to participants. During the year ended December 31, 2022, the Employer utilized total forfeitures of approximately \$23,000 to reduce Employer contributions. The unused forfeiture account balance was approximately \$2,000 and \$1,000 as of December 31, 2022 and 2021, respectively.

Participants' Notes Receivable

A participant may borrow up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Notes are secured by the participant's account balance and bear interest at a reasonable rate of interest as determined by the trustee based on prevailing interest rates charged for similar loans in the loan market. Notes are repaid through payroll deductions over a period not to exceed five years, with exceptions for the purchase of a primary residence.

Benefit Payments

Participant accounts may be withdrawn upon attaining age 59½, termination of employment, death, or disability. The Plan also allows for in-service withdrawals in the event of a financial hardship. Vested account balances at the time of termination that are \$5,000 or less, excluding rollover accounts, will also be distributed. A participant may elect to receive the benefits in the form of cash or an in-kind distribution and as either a lump-sum distribution or installment payments over a specified period of time.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Certain expenses incurred from maintaining the Plan are paid directly by the Company. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Administrative expenses relating to specific participant transactions are charged directly to the participant's account.

Revenue Credit Program

The Plan holds an ERISA Recapture Account (revenue sharing account). Income from the program can be used to pay Plan expenses or may be allocated to participants. The revenue sharing account balance was approximately \$195,000 and \$54,000 at December 31, 2022 and 2021, respectively. During the year ended December 31, 2022, Plan expenses were offset by \$23,000 of revenue sharing credits.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Pritchett Trucking, Inc./Nextran Corporation 401(k) Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (cont.)

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for information on fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Benefit Payments

Benefit payments to participants are recorded upon distribution.

3. Certified Information

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Bank of America, N.A. (BOA) has provided a certification that the financial information included in the financial statements and supplemental schedule as of December 31, 2022 and 2021, and for the year ended December 31, 2022, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein and investment income included in the accompanying financial statements and supplemental schedule as of December 31, 2022 and 2021, and for the year ended December 31, 2022, is covered by such certification.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurement

The Plan follows Accounting Standards Codification (ASC) topic 820, Fair Value Measurement, which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below.

Pritchett Trucking, Inc./Nextran Corporation 401(k) Plan

Notes to Financial Statements

4. Fair Value Measurement (cont.)

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds - Valued at the quoted market prices of shares held by the Plan at year-end. The fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at the net asset value (NAV) as of December 31, 2022 and 2021. It is not probable that the mutual funds will be sold at amounts that differ materially from the NAV of shares held.

Common/Collective Trust Funds - Valued at the NAV based on the last reported sales price of the underlying investments held. The NAV is used as a practical expedient to estimate fair value. The Plan's interest in the common/collective trust funds are based on unit values using audited financial statements of the funds at year-end and are not classified within the valuation hierarchy.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

<i>December 31, 2022</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ <u>42,004,343</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 42,004,343

4. Fair Value Measurement (cont.)

<i>December 31, 2021</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 48,962,350	\$ -	\$ -	\$ 48,962,350
Common collective trust funds measured at NAV*				8,512,797
Total investments at fair value				\$ 57,475,147

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

Fair value of investments in certain entities that calculate net asset value per share (or its equivalent) is as follows:

Investment	Fair Value at December 31,		Unfunded	Redemption	Redemption
	2022	2021	Commitments	Frequency	Notice Period
Common collective trust funds	\$ 8,488,333	\$ 8,512,797	N/A	Daily	N/A

5. Income Tax Status

The Plan is based on a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan (pre-approved plan) sponsored by Merrill Lynch Pierce Fenner & Smith Inc. (Merrill Lynch). The Internal Revenue Service (IRS) has opined and informed Merrill Lynch by a letter dated June 30, 2020, that the pre-approved plan is designed in accordance with applicable sections of the IRC. The Plan administrator believes that the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Party-In-Interest Transaction

Merrill Lynch Trust Co., a subsidiary of BOA, owns a 49% stake in Blackrock, an issuer of mutual funds held by the Plan. BOA is the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions. Usual and customary fees were paid for investment management services. Notes receivable from participants are also defined by ERISA as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules.

7. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts, and the Plan administrator will facilitate the distribution of account balances under the provision of the Plan and trust agreement until all assets have been distributed.

Pritchett Trucking, Inc./Nextran Corporation 401(k) Plan

Notes to Financial Statements

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

9. Excess Contributions Payable

The Plan failed the discrimination test for the years ended December 31, 2022 and 2021. Excess contributions payable in the amount of \$79,730 and \$24,123 as of December 31, 2022 and 2021, respectively, are recorded as a liability in the accompanying statements of net assets available for benefits. A decrease in contributions of \$79,730 for the year ended December 31, 2022 is recorded in the statement of changes in net assets available for benefits. The Plan reimbursed the excess contributions to its participants in the respective following years.

10. Delinquent Participant Contributions

During 2022, employee withholdings of \$20,249 were not remitted within the appropriate time period by the Company. The Company remitted the delinquent contributions of \$20,249 and the lost earnings to the Plan during 2022. This transaction constituted a prohibited transaction as defined by ERISA.

11. SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

12. Subsequent Events

Management has evaluated subsequent events through September 05, 2023, the date these financial statements were available to be issued.

Effective January 1, 2023, Pritchett Trucking, Inc. spun off from the Plan, and the existing participating employers retained the Plan and changed the Plan's name to Nextran Truck Centers 401(k). Assets in the amount of approximately \$4,200,000 related to participants associated with Pritchett Trucking, Inc. were transferred during February of 2023 to a separate plan.
