To the Plan Trustee of
2 Towns Ciderhouse 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the 2 Towns Ciderhouse 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

2 TOWNS CIDERHOUSE 401(k) PLAN

Notes to the Financial Statements December 31, 2022 and 2021

1. Description of Plan

The following description of the 2 Towns Ciderhouse 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a qualified defined contribution plan covering all eligible employees of 2 Towns Ciderhouse (the “Plan Sponsor” and “Plan Administrator”). The Plan was established by the Plan Sponsor on October 1, 2013 to provide retirement benefits for its employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (“ERISA”). The Plan’s trustee is Reliance Trust Company (“Reliance”).

The Plan has a service agreement with Automatic Data Processing, Inc. (“ADP”). ADP will provide certain fiduciary services to the Plan.

Eligibility

All employees are eligible to participate in the Plan upon attaining the age of 21 and completing two months of service with the Company. Plan entry date is the first day of the month coinciding with or following the date the requirements are met.

Contributions

The Plan is a contributory plan whereby participants may contribute up to a maximum of 100% of pre-tax annual compensation not to exceed the dollar limit set by law of \$20,500 for 2022. Participants age 50 or older may elect to defer an additional \$6,500 of “catch up” contributions to the Plan. In addition, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan Sponsor also makes required Safe Harbor matching contributions to the Plan. The Plan Sponsor makes matching contributions equal to 100% of the first 3% of participants eligible earnings deferred into the Plan and an additional 50% on the next 2% of eligible earnings deferred. The Plan Sponsor’s matching contributions to the Plan amounted to \$186,409 for the year ended December 31, 2022.

The Plan Sponsor may also make discretionary profit-sharing contributions to the Plan in an amount determined by the Plan Sponsor, as defined in the Plan agreement. There were no such contributions for the year ended December 31, 2022.

Participant Accounts

Each participant's individual account is credited with participant contributions, the Plan Sponsor’s contributions and Plan investment earnings. Participants may choose to have their account balance deposited in various investment programs. Allocation of Plan investment earnings is based on the participant's account balance, as defined.

2 TOWNS CIDERHOUSE 401(k) PLAN

Notes to the Financial Statements December 31, 2022 and 2021

1. Description of Plan (Continued)

Vesting

Participants are immediately fully vested in their elective contributions and actual earnings thereon upon entering the plan, Safe Harbor match contributions, and rollover contributions. Vesting in the Plan Sponsor's nonelective contributions is based on years of continuous services as follows:

<u>Years of service</u>	<u>Vested Percentage</u>
1	20
2	40
3	60
4	80
5 or more	100

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as excess contributions owed to participants. As of December 31, 2022 and 2021, there were no excess contributions payable.

Investment Options

At December 31, 2022, participants may self-direct employee and employer contributions into various investment options with differing risk and growth characteristics. The investment options include mixes of mutual funds from aggressive to conservative, international, growth, and bonds. Participants may change their investment options at any time.

Payments of Benefits

In accordance with the Plan document, upon termination of service, a participant is entitled to receive, as benefits, an annuity or a lump sum amount equal to the value of his/her account.

Forfeitures

Forfeitures may be used to pay allowable administrative expenses and reduce Plan Sponsor matching contributions. As of December 31, 2022 and 2021, there was no forfeiture balance. For the year ended December 31, 2022, the Plan did not use forfeitures to pay for Plan expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting. The Plan's investments are stated at fair market value. Quoted market prices are used to value investments. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

2 TOWNS CIDERHOUSE 401(k) PLAN

Notes to the Financial Statements December 31, 2022 and 2021

2. Summary of Significant Accounting Policies (Continued)

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Sponsor believes that the estimates utilized in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in fair value of investments consists of realized gains and losses and the change in unrealized gains and losses in the Plan's investments. Realized gains and losses from the sale of investments are computed using the participant's cost basis in the investment aggregated at the Plan level. Net changes in unrealized appreciation/depreciation in investments represent the difference between the fair value of investments held at year-end and the cost of investments purchased in the current fiscal year or the fair value of investments held at the end of the preceding year.

Payments of benefits

Benefit payments are recorded when paid.

Administrative Expenses

Plan administrative expenses are paid by either the Plan Sponsor or the Plan, as provided in the Plan agreement. Amounts paid by the Plan for certain administrative fees were \$605 for the year ended December 31, 2022.

Subsequent Events

The Plan evaluated the impact of subsequent events through September 21, 2023 the date these financial statements were issued.

Subsequent to year end, in March 2023, the Plan Sponsor utilized outside ERISA counsel and determined that correction actions for certain contributions were to be made. The Plan Sponsor made the corrections in full during the first quarter of 2023. These corrections only impacted the accounts of partners of the LLC and had no impact on employee accounts. See note 7 for more detail.

Subsequent to year end, in June 2023, the Plan entered into a service agreement with Capital Group (American Funds) to provide certain fiduciary services. The transition to Capital Group was effective August 1, 2023. As part of this transfer of assets to Capital Group, the Plan also entered into a new service advisor agreement with First Pacific Financial and entered into a new TPA agreement with Pension Plan Specialists.

2 TOWNS CIDERHOUSE 401(k) PLAN

Notes to the Financial Statements December 31, 2022 and 2021

3. Fair Value Measurements

The Plan categorizes its investments using a three-tier fair value hierarchy that is dependent upon the various “inputs” used to determine the value of the Plan’s investments. The three levels of the fair value hierarchy under current accounting standards are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: - quoted market prices for similar assets or liabilities in active markets; - quoted prices for identical or similar assets or liabilities in inactive markets; - inputs other than quoted prices that are observable for the asset or liability; - and inputs that are derived principally from or corroborated by observable market data by correlation or other means.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

- *Registered investment companies (mutual funds):* Valued based on quoted market prices (Level 1 inputs).
- *Common collective trusts:* The fair value of the investments in the common collective trust is determined based on the fair value of the underlying securities within the fund, which represents the net asset value (“NAV”) of the shares held by the Plan at year end.

The method described above for common collective trusts may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan’s valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets and fair value as of December 31, 2022:

Investments	Level 1	Level 2	Level 3	Total
Registered investment companies:	\$	\$	\$	\$
Mutual funds	1,791,960	-	-	1,791,960
Total investments in the fair value hierarchy	\$ 1,791,960	\$ -	\$ -	1,791,960

3. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets and fair value as of December 31, 2021:

Investments	Level 1	Level 2	Level 3	Total
Registered investment companies:	\$	\$	\$	\$

Investments measured at NAV:				
Common/collective trust				138,870
Total investments at fair value				\$ 1,925,382

4. Party-in-interest Transactions

Plan investments include certain mutual funds managed by the Custodian. These transactions qualify as party-in-interest transactions. These transactions are exempt from prohibited transaction rules under ERISA.

5. Information Certified by the Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian, a qualified institution, has certified that the following investment information included in the accompanying financial statements and supplemental schedule is complete and accurate: investments in the statements of net assets available for benefits as of December 31, 2022 and 2021; net appreciation in value of investments and interest and dividends in the statement of changes in net assets available for benefits for the year ended December 31, 2022; and the investment information included in the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022.

6. Reconciliation of Schedule H of Form 5500 to Financial Statements

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 at December 31, 2022 and 2021:

6. Reconciliation of Schedule H of Form 5500 to Financial Statements (Continued)

The following is a reconciliation of participant contributions, employer contributions, and corrective distributions per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2022:

	Participant Contributions	Employer Contributions	Corrective Distributions
Amount per financial statements	\$ 293,476	\$ 188,222	\$ -
Current year contributions receivable	(9,038)	(6,600)	-

Current year liability for excess contributions	-	-	-
Prior year liability for excess contributions	-	-	-
Amount per Schedule H of Form 5500	<u>\$ 293,802</u>	<u>\$ 187,927</u>	<u>\$ -</u>

7. Delinquent Participant Contributions and Corrective Actions

As reported on the Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions, certain participant contributions were not remitted to the Plan within the time frame specified by DOL Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Plan Sponsor. The Plan utilized an outside ERISA counsel and determined certain elective deferrals relating to 2021 and prior made by the partners of the LLC and corresponding matching contributions on those deferrals required corrective actions. It was determined that certain partners in the LLC made elective deferrals to the Plan based upon guaranteed payments without considering losses that were allocated. As such, in certain years, there was no earned income and thus no contributions should have been made to the Plan for those partners. Further, the Plan Sponsor made safe harbor matching contributions to the Plan based on elective deferral amounts that were not permissible due to net losses and some participants did not receive a match in certain years when they were required to.

In March 2023, the Plan Sponsor took corrective action to forfeit any matches that were not permitted and to allocate match amounts that were mistakenly not provided and adjusted for earnings. The Plan Sponsor has also returned excess partner deferrals for Plan years in which they were not permissible. The Plan Sponsor made the appropriate filings in accordance with the IRS's Employee Plans Compliance Resolution System. The corrective actions resulted in \$8,974 of positive contributions being allocated to partner accounts in 2023 and negative contributions of \$64,080. The net result of the corrective actions was \$55,106 of negative contributions to partner accounts.

8. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan may be adversely affected by health epidemics. Due to pandemics, the equity and bond markets, in which Plan assets are invested, could experience unusually high volatility and uncertainty. Although the Plan sponsor is continuing to monitor and assess the effects of potential pandemics on the Plan and its investments, the ultimate impact of the outbreak or a similar health epidemic is highly uncertain and subject to change.

2 TOWNS CIDERHOUSE 401(k) PLAN

Notes to the Financial Statements December 31, 2022 and 2021

9. Plan Termination

Although they have not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time by resolution of its Plan Sponsor subject to the provisions of ERISA. In the event of Plan termination, the respective accounts of the participants under the Plan shall become fully vested and nonforfeitable.

10. Prohibited Transactions

Except for the late remittances describe in note 7, there were no prohibited party-in-interest transactions during the year ended December 31, 2022.

11. Tax Status

The Plan adopted a prototype plan document that has a favorable determination letter from the Internal Revenue Service dated October 6, 2020, that states that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The Plan Administrator believes that the Plan, as amended, is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The financial statement effects are recognized when the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
