**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

Trustees  
Room and Board 401(k) Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed an audit of the financial statements of Room & Board 401 (k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other matter – supplemental schedules required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Room & Board 401(k) Plan**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2022 and 2021**

**NOTE A - PLAN DESCRIPTION**

The following description of the Room & Board, Inc. (the "Plan Sponsor") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan. The Plan was established on May 1, 1987. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan was restated effective January 1, 2017.

The Plan has implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), including an option for coronavirus-related distributions ("CRD"), an increase of Plan loan limits to the lesser of \$100,000 or 100% of the participant's vested balance, suspension of loan repayments, and suspension of minimum required distributions. Written amendments to the Plan to reflect these operation changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service ("IRS") guidance.

***Eligibility***

All employees of the Employer, except employees covered under a collective bargaining agreement, non-resident aliens, and leased employees are eligible to participate in the Plan upon employment.

***Contributions***

Participants may contribute 1% to 80% of their annual compensation, as defined by the Plan, to the Plan through participant elective deferral contributions, subject to limits established by law. Participants' contributions are pre-tax contributions unless participants designate all or a portion as Roth contributions. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Plan includes an automatic annual 2% increase in deferral election up to 10%, unless the participant makes a contrary election. Participants may also make rollover contributions and participants age 50 and over may make catch-up contributions to the Plan. All contributions are subject to certain limitations contained in the Plan and as defined by law.

Employer matching contributions are provided for under the Plan and are discretionary based on profitability, with a maximum contribution of 50% of the first 8% of a participant's contribution. For the Plan year ended December 31, 2022, the Plan Sponsor provided an employer matching contribution rate of 50% of the participants' elective deferral contributions up to a maximum of 8% of the participants' eligible compensation, subject to limits established by law.

Additionally, participants may be eligible for an additional discretionary matching contribution from the Company. No discretionary non-elective contributions were made in fiscal year 2022.

***Participants' Accounts***

Participants' accounts are credited with participants' elective deferrals, rollover contributions, catch-up contributions, employer's contributions, and an allocation of the Plan earnings, if applicable. Allocations of employer contributions are based on participants' eligible compensation, as specified in the Plan.

## **Room & Board 401(k) Plan**

### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

Participants' accounts are also charged with benefit payments, if applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants' accounts are valued daily.

#### ***Vesting***

Effective January 1, 2022, Plan benefits attributable to employer contributions are 25% vested after one year of service, 50% vested after two years of service and 100% vested after 3 years of service, with a provision for 100% vesting at the normal retirement date, early retirement with at least three years of vesting service, or death or permanent disability, as defined in the Plan. Prior to January 1, 2022, Plan benefits attributable to employer contributions were 100% vested after three years of service, with a provision for 100% vesting at the normal retirement date, early retirement with at least three years of vesting service, or death or permanent disability, as defined in the Plan. Participants' salary reduction contributions, catch-up contributions, and rollover contributions are immediately vested plus earnings (losses) thereon.

#### ***Forfeitures***

Forfeitures within the Plan year may be used to pay Plan expenses or offset employer contributions. In 2022, forfeitures of \$188,349 were used to reduce employer matching contributions. As of December 31, 2022 and 2021, forfeiture balances of \$186,148 and \$0, respectively, are held in the Plan's forfeiture account as part of plan assets.

#### ***Investment Options***

Participants may direct the investment of their account balances into various funds as defined in the Plan. The Plan allows participants to transfer assets in their accounts between the funds daily.

#### ***Payment of Benefits***

Under the terms of the Plan, participants may receive distributions in the form of an annuity, a direct rollover, or a lump-sum upon retirement. Upon separation of employment due to termination, participants may withdraw their benefits as a lump-sum payment. If a terminated participant's account balance exceeds \$1,000 but is not more than \$5,000 and the participant has not elected a form of distribution, the balance will be automatically rolled over to an individual retirement account ("IRA") with the Trustee. If the account balance is \$1,000 or less, and the participant has not made an election, a lump-sum distribution will be made. Participants are permitted withdrawals from their Plan accounts for financial hardships and early retirements, after age 59½. Benefit payments requested and unpaid as of December 31, 2022 and 2021 totaled \$0 and \$0, respectively.

#### ***Notes Receivable From Participants***

Participants may borrow from their account a minimum of \$500 up to a maximum of the lesser of \$50,000 or 50% of their account balance, as defined in the Plan. The loans are secured by the participant's vested account balance. Notes must be repaid within five years or within fifteen years if used for the purchase of a primary residence. Such notes bear interest at a rate commensurate with local prevailing rates, one percent above the prime interest rate. Principal and interest are repaid ratably through payroll deductions for active participants. A participant may have no more than one outstanding loan at one time. There were no loans in default as of December 31, 2022 and 2021.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A summary of significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

***Basis of Accounting***

The financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment in the collective trust fund and pooled separate accounts are valued at net asset value ("NAV") as a practical expedient to fair value. Please see Note C for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Net Appreciation (Depreciation) in Fair Value of Investments***

Net appreciation (depreciation) in the fair value of investments represents the net realized gains and losses and net unrealized appreciation or depreciation on investments. Realized gains or losses on investments are the differences between the proceeds received and either the cost of the investment sold, determined on an average-cost basis, or the fair value at the end of the previous year, whichever is applicable. Net unrealized appreciation and depreciation is the change in the difference between fair value and the cost of investments or the fair value at the end of the previous valuation date, whichever is applicable.

***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor.

***Benefits Paid to Participants***

Benefits are recorded when paid.

***Notes Receivable From Participants***

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

***Risks and Uncertainties***

The Plan provides for investments in a variety of investment funds. The investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### NOTES TO FINANCIAL STATEMENTS - CONTINUED

#### ***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and charges therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***Subsequent Events***

The Plan evaluated its December 31, 2022 financial statements for subsequent events through September 15, 2023, the date the financial statements were available to be issued, for events requiring recording or disclosure in the Plan's financial statements. Plan management is not aware of any subsequent events that would require recognition or disclosure in the financial statements.

#### **NOTE C - FAIR VALUE MEASUREMENTS**

Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during Plan years 2022 and 2021.

*Mutual funds:* Value is quoted daily from publicly traded closing prices.

*Collective trust fund:* Valued using the NAV. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities and is used as a practical expedient to estimate fair value.

**Room & Board 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

*Pooled separate accounts:* Valued using the NAV. The NAV is determined by each fund's trustee using the fair value of the underlying securities within the fund at year end and is used as a practical expedient to estimate fair value.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

| Assets at Fair Value as of December 31, 2022 |                      |             |             |                       |
