## Independent Auditor's Report

Retirement Plan Committee  
Webster University Defined Contribution  
Retirement Plan  
Webster Groves, Missouri

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of the Webster University Defined Contribution Retirement Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## **Notes to Financial Statements**

**December 31, 2022 and 2021**

### **Note 1: Description of the Plan**

#### ***General***

The following description of the Webster University Defined Contribution Retirement Plan (“Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

The Plan is a defined contribution plan sponsored by Webster University (“University”) for the benefit of its employees. Employees are immediately eligible to participate in the Plan as a contributing participant upon commencement of employment with the University. Adjunct faculty members, temporary, casual and part-time employees can participate in the Plan upon hire. Temporary, casual and part-time employees who meet the service requirements are also included in matching contributions. However, adjunct faculty members are not eligible and are excluded from matching contributions.

The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (“ERISA”). Teachers Insurance and Annuity Association of America (“TIAA”) and College Retirement Equities Fund (“CREF”), (together, “TIAA-CREF”) serves as the trustee and the record keeper of the Plan. TIAA, FSB is the directed custodian.

#### ***Contributions***

The Plan permits eligible employees through a salary deferral election to have the University make annual contributions of up to 100% of eligible compensation. Prior to January 1, 2021, the University made a matching contribution up to 9.5% of the employee’s compensation. Effective January 1, 2021, the University suspended the employer matching contribution, which was reinstated effective January 1, 2022 at a contribution rate of 50% of the employee’s elected contributions, not to exceed 3% of covered compensation. Contributions are subject to certain limitations. Employee rollover contributions are also permitted. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

#### ***Participant Investment Account Options***

Investment account options available include various funds. Each participant has the option of directing their contributions into any of the separate investment accounts and may change the allocation to the extent permitted by the individual agreements.

#### ***Participant Accounts***

Each participant’s account is credited with the participant’s contribution, the University’s contribution and Plan earnings and is charged with an allocation of TIAA-CREF administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit provided from the participant’s account.

## **Notes to Financial Statements**

**December 31, 2022 and 2021**

### ***Vesting***

Participants are immediately vested in their voluntary contributions and the University's contributions plus earnings thereon.

### ***Payment of Benefits***

Upon termination of service, an employee may elect to receive a lump-sum amount equal to the value of their account or installment payments in the form of a single life annuity, a survivor annuity or minimum distributions. Withdrawals other than for termination are permitted under circumstances provided by the Plan.

### ***Notes Receivable from Participants***

The Plan Adoption Agreement includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on local prevailing rates at loan inception as determined by the Plan Administrator.

### ***Plan Termination***

Although it has not expressed an intention to do so, the University has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

## **Note 2: Summary of Significant Accounting Policies**

### ***Basis of Accounting***

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

## **Notes to Financial Statements**

**December 31, 2022 and 2021**

### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

### ***Investment Valuation and Income Recognition***

The Plan is funded by individually controlled TIAA and CREF investments. Contributions are allocated to the TIAA Traditional Annuity contract, CREF Variable Annuity accounts, TIAA-CREF mutual funds, TIAA-CREF self-directed brokerage accounts and the TIAA Real Estate Pooled Separate account.

The TIAA Traditional Annuity is a fixed-dollar annuity and investment product offered by TIAA, an insurance company. The TIAA Traditional Annuity is maintained in the TIAA general account. Contributions to the TIAA Traditional Annuity purchase a contractual or guaranteed amount of future benefits for the participants and are secured by the general assets of TIAA.

The TIAA Traditional Annuity accounts are recorded separately for the fully benefit responsive account and the non-benefit responsive account. The fully benefit responsive account is recorded at contract value. Contract value, as reported to the Plan by TIAA, represents contributions made under the contract, plus interest at the contract rate, less funds to pay withdrawal benefits and administrative expenses. The investment contract with TIAA does not require a surrender charge for withdrawals and transfers from the investment contract to other investment options. The non-benefit responsive Retirement Annuity account is recorded and fair value, as estimated by TIAA, which approximates contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Crediting interest rates on the TIAA Traditional Annuity are determined quarterly by the issuer with a minimum rate of approximately 3.0%, plus any amounts established on a year-by-year basis, subject to limitations relating to Plan termination, early retirements, etc. There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

## Notes to Financial Statements December 31, 2022 and 2021

Information on the Traditional Annuity accounts (Retirement Annuity) is as follows:

|                                                 | 2022  | 2021  |
|-------------------------------------------------|-------|-------|
| Retirement Annuity                              |       |       |
| Average yields                                  |       |       |
| Based on actual earnings                        | 5.56% | 3.70% |
| Based on interest rate credited to participants | 5.56% | 3.70% |

The crediting interest rate for the Retirement Annuity at December 31, 2022 and 2021, was 5.56% and 3.70%, respectively.

Participants purchase accumulation units in the variable annuity contracts and their value is calculated daily. Variable annuity accounts, except for the Money Market account, are recorded at their estimated fair value which is based upon the underlying value of the assets. The Money Market account is recorded at amortized cost, which approximates fair value. The amortized cost of an instrument is determined by valuing it at its original cost and thereafter amortizing any discount or premium from its face value at a constant rate until maturity.

TIAA-CREF mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end.

The TIAA Real Estate Pooled Separate Account (Real Estate Account) is valued at the NAV per accumulation unit of the investment. The underlying real estate holdings or other real estate-related investments are valued principally utilizing external appraisals. Although the underlying assets of the account cannot be quickly sold and converted to liquid assets, the TIAA general account provides the Plan with a liquidity guarantee. Transfers out of the Real Estate Account are limited to one per calendar quarter. There are no unfunded commitments or redemption notice periods.

The Real Estate Account seeks favorable long-term returns primarily through rental income and appreciation of real estate investments owned by the Real Estate Account. The Real Estate Account will also invest in publicly traded securities and short-term higher quality liquid investments easily converted to cash to enable the Real Estate Account to meet participant redemption requests, purchase or improve properties or cover other expense needs.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

# **Webster University Defined Contribution Retirement Plan**

## **Notes to Financial Statements**

**December 31, 2022 and 2021**

TIAA-CREF issues loans to Plan participants directly. Participants pledge as security for Plan loans a portion of their balance in the TIAA Traditional Annuity, which represents 110% of the outstanding loan balance. The amount pledged as collateral at December 31, 2022 and 2021, was \$529,492 and \$819,272, respectively.

The Employee Benefit Security Administration (EBSA) has expressed concern that the pledging of collateral of a participant's balance could be considered a prohibited transaction; however, formal guidance has yet to be issued by the EBSA.

### **Plan Tax Status**

The Plan, together with the investment vehicles, is intended to be a tax-sheltered annuity plan under Section 403(b) of the *Internal Revenue Code of 1986*, as amended. The Plan has not requested or obtained a determination letter, as the Internal Revenue Service does not currently provide that service for Section 403(b) plans. However, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and not subject to tax.

### **Payment of Benefits**

Benefit payments to participants are recorded upon distribution.

### **Administrative Expenses**

Administrative expenses may be paid by the University or the Plan, at the University's discretion. Expenses of \$47,553 and \$85,184 were paid from the Plan's Revenue Credit Account for the years ended December 31, 2022 and 2021, respectively. This account represents fees refunded from TIAA-CREF. Administrative expenses paid in 2022 and 2021 by the Plan to TIAA-CREF are further explained in Note 5.

## **Note 3: Disclosures About Fair Value of Plan Assets**

Fair value is the price received to sell an asset in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in inactive markets or other inputs corroborated by observable market data for substantially the full term of the assets

# Webster University Defined Contribution Retirement Plan

## Notes to Financial Statements December 31, 2022 and 2021

**Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets

### ***Recurring Measurements***

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2022 and 2021.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2022 and 2021. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.
