Required Communications

Area	Comments
MCM's Responsibilities	+ To conduct our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") except that, as permitted by Section 103(a)(3)(C) of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") and as instructed by Plan management, our audit did not extend to the certified investment information provided by American United Life Insurance Company, a One America Company, a qualified institution, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America ("GAAP"). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presently fairly, in all material respects, in accordance with GAAP. + The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP. + The certified information in the accompanying financial statements and supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). + Our audit engagement included consideration of internal control over financial reporting as a basis for designing audit procedures that were appropriate in the circumstances, but not for the purpose of expressing an opinion or providing any assurance on the effectiveness of the Plan's internal control over financial reporting.

Required Communications (Continued)

Area	Comments
MCM's Responsibilities (Continued)	+ To communicate significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.
Management's Responsibilities	+ The financial statements, including the related notes to the financial statements and supplemental schedules. + The design, implementation, and maintenance of the Plan's internal controls. + The Plan's compliance with applicable laws and regulations including the maintenance of a current plan document, including all amendments. + MCM's audit of the financial statements does not relieve you or management of your responsibilities.
Planned Scope and Timing of the Audit Engagement	+ MCM was engaged to perform an ERISA Section 103(a)(3)(C) audit of the Plan's financial statements which comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements. + MCM performed the audit engagement according to the planned scope and timing as communicated in our engagement letter dated December 14, 2022.

Required Communications (Continued)

Area	Comments
Significant Risks Identified	+ We are required by auditing standards to communicate what are considered to be the most potential significant risks of the audit. MCM considers those risks to be as follows: + Management override of internal controls - The risk that management and/or those charged with governance have the ability to manipulate or override internal controls in order to intentionally misstate the nature and/or timing of contributions, distributions or other transactions. + Definition of plan compensation - The risk that Plan Compensation as defined by the Plan agreement is incorrectly applied in the payroll system. + There were no findings related to these risks identified during the audit.
Corrected and Uncorrected Misstatements	+ There were no misstatements noted during the audit that were determined by management to be material to the financial statements taken as a whole. + There were no uncorrected financial statement misstatements detected as a result of audit procedures, other than those that were clearly trivial.
Accounting Policies	+ Management is responsible for the selection and use of appropriate accounting policies. + The significant accounting policies used by the Plan are described in Note B to the financial statements. There have been no initial selection of accounting policies or changes in their application during the Plan year ended December 31, 2022. + No matters came to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions or (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Required Communications (Continued)

Area	Comments
Accounting Estimates	+ Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. + The following are considered to be the most sensitive estimates affecting the financial statements: + Fair Value of Pooled Separate Accounts ("PSA") - PSAs are valued at the net asset value ("NAV") of units held by the Plan at year end provided by the issuer of the fund. The NAV is used as a practical expedient to estimate fair value and is based on the value of the underlying investment assets owed by the fund, minus its liabilities. + Guaranteed Investment Contract ("GIC") - The GIC is a fully benefit-responsive investment contract and therefore required to be reported at contract value. Contract value represents the deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. + The calculation and significant assumptions have been approved by Plan management. We evaluated the key factors and assumptions used to develop these estimates in determining that they are reasonable in relation to the financial statements taken as a whole and are consistent with prior practice.
Financial Statement Disclosures	+ Certain financial statement disclosures are particularly sensitive because of their significance to the financial statement users. + The most sensitive disclosures affecting the financial statements pertain to: + Investments (Notes B, C, D and E) + Related Party and Party in Interest Disclosures (Note F) + Risks and Uncertainties (Note I)

Required Communications (Continued)

Area	Comments
Reportable Findings and Internal Control Matters	+ During the conduct of our 2022 audit engagement, we did not become aware of any material weaknesses, the definition of which is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis.
Significant Unusual Transactions	+ During the conduct of our 2022 audit engagement, we did not become aware of any significant unusual transactions.
Fraud and Illegal Acts	+ During the conduct of our 2022 audit engagement, we did not become aware of any fraud or illegal acts. + Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Plan involving management, employees who have significant roles in internal control, and/or others where the fraud could have a material effect on the financial statements.
Difficulties Encountered in Performing the Audit Engagement	+ None
Difficult or Contentious Matters	+ None
Disagreements with Management	+ None
Compliance with Ethics Requirements Regarding Independence	+ The audit engagement team, others at MCM, as appropriate, and MCM have complied with all relevant ethics requirements regarding independence. + We are not aware of any matters that in our professional judgement would impair our independence.

Required Communications (Continued)

Area	Comments
Issues Discussed Prior to the Retention of MCM	+ Related discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.
Management's Consultations with Other Accountants	+ Management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. + To our knowledge, there were no such consultations with other accountants related to the 2022 audit engagement.
Representations Requested from Management	+ The representations requested from Plan management are reflected in the management representation letter dated September 18, 2023. See a copy of the signed management representation letter as attached to this communication (Exhibit A).
Noncompliance with Laws and Regulations	+ During the conduct of our 2022 audit engagement, there were no matters involving the Plan's noncompliance with laws and regulations that came to our attention.
Other Matters	+ The ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. + Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This representation letter is provided in connection with your audit of the financial statements of the Bob Thomas Dealerships 401(k) Plan (the Plan) subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

We have elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement such that, in the light of surrounding circumstances, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Except where otherwise stated below, immaterial matters are not considered to be exceptions that require disclosure for the purpose of the below representations. Such immaterial matters are not necessarily indicative of amounts that would require adjustment to or disclosure in the financial statements.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of the date of this letter, the following representations made to you during your audit:

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.
