REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
International Association of
Heat and Frost Insulators
Local 17 Annuity Fund

Opinion

We have audited the financial statements of International Association of Heat and Frost Insulators Local 17 Annuity Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of International Association of Heat and Frost Insulators Local 17 Annuity Fund as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditors' Responsibilities for the Audit of the Financial Statement (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements of International Association of Heat and Frost Insulators Local 17 Annuity Fund (the Plan) have been prepared using the accrual basis of accounting.

New Accounting Pronouncement - The provisions of Accounting Standards Update (ASU) 2016-02, *Leases*, became effective for the Plan during the year ended December 31, 2022. The new standard relates to the accounting and financial statement presentation for leases, and generally requires a lessee to recognize right-of-use assets and lease liabilities. Under the new accounting standard, the Plan must determine if an arrangement is a lease at inception. Upon evaluating the Plan's leasing arrangements with related parties, Plan management and the Plan's legal counsel have determined that because the Plan and the lessors both have the right to terminate the leases without the other parties' permission and face only an insignificant penalty for doing so, the leases would not be considered enforceable or create enforceable rights and obligations beyond the 30-day notice period. Therefore, the provisions of ASU 2016-02 related to recognition of right-to-use assets and lease liabilities are not applicable to the Plan's leasing arrangements. The Plan is required, however, to provide certain disclosures regarding the leasing arrangements, which are included in Note 7. The ASU had no material impact on the Plan's financial statements.

Investments - Investments of the Plan are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. For all other investments, the fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Contributions Receivable - Contributions due but not received prior to year end are recorded as contributions receivable. Contribution deficiencies established through payroll compliance audits are recognized when the deficiencies are determined to be collectible. An allowance for uncollectible accounts is considered unnecessary and is not provided.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment - Purchases of office furniture and equipment are shared with International Association of Heat and Frost Insulators Local 17 Welfare Fund (the Welfare Fund). The Plan reimburses the Welfare Fund for a portion of depreciation.

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on the number of hours worked and the contribution rates set forth in the applicable collective bargaining agreement. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 2 within a jurisdiction primarily located in Illinois and Northwest Indiana.

Service Credit Income - The Plan receives service credit income from John Hancock Trust Company (John Hancock), the custodian of the Plan, on a quarterly basis. John Hancock uses revenue received from investment providers to offset certain administrative fees it charges to the Plan. Revenue received in excess of the administrative fees is credited to the Plan. The excess revenue received is used to pay general administrative expenses of the Plan.

Payment of Benefits - Benefits paid to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan but were not yet paid at either December 31, 2022 or 2021.

Expense Offsetting Arrangement - Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through August 17, 2023, which is the date the financial statements were available to be issued.

NOTE 2. DESCRIPTION OF THE PLAN

The Plan was established pursuant to collective bargaining agreements between the local union and various employers to provide benefits for eligible participants upon death, disability or retirement. The Plan is primarily funded by employer contributions as specified in the collective bargaining agreements. Participants may elect to make salary deferral contributions by taking a reduction in their hourly rate of pay up to a maximum of 60% of their hourly rate, subject to Internal Revenue Service (IRS) limitations. Total elective contributions and employer contributions cannot exceed the lesser of 100% of the participant's pay or \$61,000 and \$58,000 for 2022 and 2021, respectively, for participants under age 50 or \$67,500 and \$64,500 for 2022 and 2021, respectively, for participants age 50 or over. The Plan is a multiemployer defined contribution retirement plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Plan benefits are not insured by the Pension Benefit Guaranty Corporation.

NOTE 2. DESCRIPTION OF THE PLAN (CONTINUED)

The Plan is maintained under an agreement with John Hancock Retirement Plan Services, who maintains custody of the assets of the Plan and makes payments to participants at the direction of the Plan administrator.

Contributions to the Plan are invested in various investment options as directed by the participant. In the absence of participant direction, contributions are invested in a default investment option. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor performance by the investments selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf.

Participants' accounts are credited with the contributions made on their behalf, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. A quarterly administrative fee of \$20 is deducted from each participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Upon death, disability or retirement, a participant or beneficiary is entitled to apply for and receive the entire account balance within 60 days after the date of the participant's death, disability or retirement. This benefit may be either an annuity or a lump-sum payment. In general, upon any other termination from the Plan, the entire account balance is available to participants within 24 months from the termination date. Participants may also withdraw their benefits under the hardship withdrawal provisions of the Plan.

Although participants are immediately vested in contributions plus actual earnings thereon, a participant, or the beneficiary of a deceased participant, may forfeit their account if there have been no contributions made on their behalf for a period of 60 months, the individual has had no contact with the Plan for a period of 60 months, and the Trustees, after exhausting reasonable search efforts, are unable to locate the participant or beneficiary. Forfeitures are available to reduce the expenses of the Plan. In the event the participant or beneficiary is later located, the value of the account as of the date of the forfeiture will be restored to the credit of the individual, and will be charged as an expense. There were no forfeitures for the years ended December 31, 2022 and 2021.

The Plan's net assets available for benefits at December 31, 2022 and 2021 include unallocated amounts of \$254,142 and \$289,796 respectively, that are available to be used for the payment of administrative expenses incurred by the Plan.

Participants should refer to the summary plan description for more complete information.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries. Provision may be made for the payment of necessary expenses resulting from the termination of the Plan.

In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at the time and the priority of those benefits.

NOTE 4. TAX STATUS

The Plan's latest determination letter is dated July 17, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The following describes the three levels of the fair value hierarchy.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The Plan's investments in mutual funds are classified within Level 1 of the fair value measurements hierarchy. The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

NOTE 6. GROUP ANNUITY CONTRACT

The Plan has a traditional fully benefit-responsive group annuity contract with New York Life Insurance Company that invests in a pooled separate account. The pooled separate account is invested primarily in fixed income securities, which are owned by New York Life Insurance Company. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

New York Life Insurance Company, the group annuity contract issuer, is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer and is subject to change daily. The minimum interest crediting rate cannot be less than zero. The average crediting interest rates were 2.37% and 1.81% for the years ended December 31, 2022 and 2021, respectively.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by New York Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 6. GROUP ANNUITY CONTRACT (CONTINUED)

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value. The Plan is generally entitled to the full contract value of the investment contract if the Plan provides sufficient advance notice of termination to the investment manager. Twelve months' notice is considered sufficient advance notice of termination according to the investment contract. The Plan administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with Plan participants is not probable.

NOTE 7. RELATED ORGANIZATIONS

The Plan has four related entities: International Association of Heat and Frost Insulators Local Union No. 17 (the Local); International Association of Heat and Frost Insulators Local 17 Welfare Fund (the Welfare Fund); International Association of Heat and Frost Insulators Local 17 Pension Fund (the Pension Fund); and International Association of Heat & Frost Insulators and Asbestos Workers Local 17, Joint Apprentice Training and Recordkeeping Trust.

Common administrative expenses are initially paid by the Welfare Fund. Quarterly payments to the Welfare Fund are netted against an annual allocation of these expenses. Common administrative expenses allocated to the Plan totaled \$114,088 for the year ended December 31, 2022 and \$130,329 for 2021.

The Plan shares office space and facilities with the related organizations under a shared leasing arrangement with the Local, which expired December 31, 2021. Under the terms of the lease, total monthly rent for 2021 was \$4,886. A new lease was approved through December 31, 2026. Monthly rental payments effective January 1, 2022 were \$7,920 with no annual increase thereafter. Rental payments are initially paid by the Welfare Fund and allocated to the Plan based on estimates of space utilized. The Plan's share of total rental expense for the office lease was \$15,254 for the year ended December 31, 2022 and \$8,524 for 2021. The lease provides for a 30-day notice period for termination by either the lessor or lessee. The Plan has determined that due to the mutual termination option, enforceable rights and obligations do not exist under the leasing arrangement beyond the 30-day notice period. Therefore, neither a right-of-use asset nor a lease liability was recorded on the statements of net assets available for benefits.

At December 31, 2022 and 2021, the Welfare Fund owed the Plan \$16,242 and \$26,934 respectively, related to the reimbursement of common administrative expenses.

NOTE 8. PARTICIPATION IN MULTIEMPLOYER PLANS

Defined Benefit Pension Plans

All of the Plan's shared employees are covered by a local area multiemployer defined benefit pension plan, and one employee is covered by a second multiemployer defined benefit pension plan. The risk of participating in multiemployer defined benefit pension plans is different from single employer plans. Assets contributed to a multiemployer defined benefit pension plan by one employer may be used to provide benefits to employees of other participating employers. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers.

NOTE 8. PARTICIPATION IN MULTIEMPLOYER PLANS (CONTINUED)**Defined Benefit Pension Plans (continued)**

The Plan's shared participation in the multiemployer pension plans for the years ended December 31, 2022 and 2021 is outlined in the following table. Plans that are considered to be significant are required to be separately identified. The "EIN/PN" column provides the employer identification number (EIN) and the three-digit plan number (PN). The most recent Pension Protection Act (PPA) zone status provides an indication of the financial health of the plan. Among other factors, plans in the red zone are below 65 percent funded, plans in the yellow zone are between 65 percent and 80 percent funded, and plans in the green zone are at least 80 percent funded. The "FIP/RP Status Pending/Implemented" column indicates plans for which a funding improvement plan (FIP) or rehabilitation plan (RP) is either pending or has been implemented. The last column specifies the year end date of the plan to which the annual report (Form 5500) relates.

Pension Plan	EIN/PN	Pension Protection Act Zone Status		FIP/RP Status Pending / Implemented	Contributions		Most Recently Available Annual Report (Form 5500)
		2022	2021		2022	2021	
International Association of Heat and Frost Insulators Local 17 Pension Fund	51-6033290/001	Green as of 1/1/2023	Green as of 1/1/2022	N/A	\$ 5,415	\$ 6,696	12/31/2021
Other					<u>4,445</u>	<u>3,845</u>	
				Total	<u>\$ 9,860</u>	<u>\$ 10,541</u>	

Contributions to the significant plan are made monthly under the terms of a participation agreement, which does not have an expiration date. The Plan's contributions do not represent more than 5% of total contributions to this plan as indicated in the plan's most recently available annual report.

Defined Contribution Retirement Plan

All the Plan's shared employees are covered by a multiemployer defined contribution retirement plan. The Plan's share of contributions to this plan for the years ended December 31, 2022 and 2021 was \$5,312 and \$5,436 respectively.

Welfare Plan that Provides Postretirement Benefits

The Plan's shared employees are also covered by a multiemployer health and welfare plan that provides medical benefits to retirees and to eligible employees and their dependents. The Plan's share of contributions to this plan for the years ended December 31, 2022 and 2021 was \$ 12,082 and \$14,431 respectively.

NOTE 9. MAJOR EMPLOYERS

Contributions from two employers accounted for approximately 26% of total employer contributions for the year ended December 31, 2022, and contributions from one employer accounted for approximately 15% of total employer contributions for the year ended December 31, 2021. In the event these employers suspend contributions, the Plan would retain the risk of meeting current fixed administrative expenses until the appropriate adjustments were made.

NOTE 10. FUNDING POLICY

Participating employers contribute such amounts as specified in their collective bargaining agreements. The hourly employer contribution rates in effect for 2022 and 2021 were as follows:

	<u>6/1/2022 - 12/31/2022</u>		<u>6/1/2021 - 5/31/2022</u>		<u>1/1/2021 - 5/31/2021</u>	
	<u>Zone 1</u>	<u>Zone 2</u>	<u>Zone 1</u>	<u>Zone 2</u>	<u>Zone 1</u>	<u>Zone 2</u>
Mechanic	\$ 7.30	\$ 5.00	\$ 6.00	\$ 4.75	\$ 5.00	\$ 4.50
Hazardous waste handlers	\$ 4.13	\$ 3.21	\$ 3.25	\$ 3.04	\$ 3.25	\$ 3.04
Firestoppers	\$ 4.13	\$ 3.21	\$ 3.25	\$ 3.04	\$ 3.25	\$ 3.04
Apprentice	\$ 4.13	\$ 3.21	\$ 3.25	\$ 3.04	\$ 3.25	\$ 3.04

The fabrication contribution rate is only paid on hours worked in excess of 1,000 hours, at a rate of \$1.50 per hour for the years ended December 31, 2022 and 2021.

As described in Note 2, elective participant contributions are also allowed by the Plan.

NOTE 11. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 12. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in a group annuity contract managed by John Hancock Retirement Plan Services, an affiliate of the custodian and record-keeper of the Plan. These transactions qualify as exempt party-in-interest transactions.

NOTE 13. CONCENTRATION OF INVESTMENTS

The Plan has a significant portion of its assets invested in one mutual fund, the Vanguard Wellesley Income Fund, which represented approximately 21% and 20% of the Plan's net assets available for benefits at December 31, 2022 and 2021, respectively.

In addition, at December 31, 2022 and 2021, the Plan held a significant portion of its assets in one investment fund in a group annuity contract, which represented approximately 34% and 29% of net assets available for benefits as of December 31, 2022 and 2021, respectively. The investment is a traditional non-benefit responsive guaranteed investment contract with underlying assets consisting primarily of investment-grade fixed income securities.

It is reasonably possible that changes in the values of these investments could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits. The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial investments. Investment decisions are made, and the resulting risks are borne, exclusively by the Plan participant who made such decision.

NOTE 14. PARTICIPANT CONTRIBUTIONS

Employers withhold participants' contributions from their payroll and remit them to the Plan. Under the current collective bargaining agreement, employers must remit all contributions attributable to the prior calendar month on or before the 20th day of the following month. Participant contributions received in accordance with the collective bargaining agreement may not necessarily meet the Department of Labor's requirement for receipt by the 15th business day of the following month. During the years ended December 31, 2022 and 2021, certain employers remitted contributions to the Plan more than 15 business days after the following month. The late payments did not meet the timeliness requirements prescribed by U.S. Department of Labor (DOL) regulations and, therefore, constitute a prohibited transaction with a party-in-interest. During the years ended December 31, 2022 and 2021, contributing employers failed to timely remit to the Plan participant contributions totaling \$37,275 and \$18,529 respectively.

The Plan has a collection program that pursues legal action against delinquent employers. As part of its collection program, the Plan may collect contributions, liquidated damages, interest and attorney fees from delinquent employers.

NOTE 15. DEPARTMENT OF LABOR INVESTIGATION

The Department of Labor (DOL) conducted an investigation of the Plan for the general purpose of determining compliance with the provisions of Title I of ERISA. The Plan provided the DOL all requested information. The investigation was completed and a closing letter received in February 2022 indicated that no further action was necessary.

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES

To the Participants and Trustees of
International Association of
Heat and Frost Insulators
Local 17 Annuity Fund

We have audited the financial statements of International Association of Heat and Frost Insulators Local 17 Annuity Fund (the Plan) as of and for the years ended December 31, 2022 and 2021, and our report thereon dated August 17, 2023, which expressed an unmodified opinion on those financial statements, appears on pages 1 through 3. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental Schedules 1 and 2 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
