INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Spectra Credit Union 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of the Spectra Credit Union 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the 2022 accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2022 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities in accordance with the ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the 2022 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2022 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2022 financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2022 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2022 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2022 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2022 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements (Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – 2022 Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions and schedule of assets (held at end of year) are presented for the purpose of additional analysis and are not a required part of the 2022 financial statements, but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Compiled Financial Statements

Plan management is responsible for the accompanying financial statement of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2021, and the related notes to the financial statement in accordance with GAAP. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on this financial statement.

SPECTRA CREDIT UNION 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 1 - Description of the Plan

General

The Plan is a defined contribution safe harbor 401(k) plan that was established on January 23, 1997 by Spectra Credit Union (the Credit Union). The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). The following description of the Plan is provided for general information purposes only. Participants should refer to the Summary Plan Description or the Adoption Agreement, including amendments thereto, for a complete description of the Plan's provisions.

Administration

The Plan Sponsor and Plan Administrator is the Credit Union. The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator has formed a Retirement Committee comprised of members of the Credit Union's management team. The Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Credit Union. Effective December 31, 2020, Empower Institutional merged with Mass Mutual, the Plan's previous provider for participant and administrative services. As part of the merger, the Plan's Trustee and Investment Custodian changed from Reliance Trust Company (Reliance Trust) to Great-West Trust Company LLC, (Great-West) effective February 1, 2022. The Trustee holds all of the Plan's assets and executes all of the Plan's transactions. Great-West was renamed Empower Trust Company effective August 1, 2022.

Eligibility

The Plan covers all employees of the Credit Union, except those who are part-time with less than 1,000 hours of service, and those who are leased, temporary or seasonal employees. All eligible employees must be 18 years of age, with the entry date being the first day of the month after meeting the participation requirements.

Contributions to the Plan

Participants may elect to defer a percentage of their annual compensation to the Plan as pre-tax or after-tax Roth contributions provided that the election does not exceed annual Internal Revenue Service (IRS) limits. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions up to annual limits set by the IRS. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollovers).

The Plan includes an automatic enrollment feature whereby all eligible employees are automatically enrolled into the Plan at a deferral rate of 5% of eligible compensation unless they affirmatively elect not to participate. In addition, there is an automatic escalation clause for participants automatically enrolled which includes scheduled deferral rate increases of 1% annually, until the deferral rate reaches 10%.

The Plan provides for safe-harbor matching and discretionary profit-sharing contributions by the Credit Union. The Credit Union contributes a safe-harbor matching contribution at 100% of the first 5% of the participant's eligible compensation, as defined by the Plan. The Credit Union did not make a profit-sharing contribution to the Plan during the year ended December 31, 2022 .

SPECTRA CREDIT UNION 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 1 - Description of the Plan (Continued)

Contributions to the Plan (Continued)

Participants direct the investment of both their individual contributions plus their share of Credit Union contributions into the various investment options offered by the Plan. The Credit Union's contributions are allocated in the same manner as that of the participant's elective contributions. Contributions are subject to IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Credit Union contributions as well as Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 8.00%. Loan terms may range from 1 - 5 years, except for a loan used to acquire a dwelling as the principal residence of the participant. Principal and interest payments are made through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, partial withdrawals or annual installments over a period of time not to exceed the participant's life expectancy, or the life expectancy of the participant's designated beneficiary. A lump-sum distribution is required if a participant's vested balance is less than \$1,000.

In addition, the participant may elect to receive the lump-sum distribution directly or roll over the distribution to another retirement plan or to an individual retirement account. Further, hardship distributions and in-service distributions after age 59½ are permitted if certain criteria are met. At all times, participants may withdraw, in total or a portion of, their rollover contributions.

Vesting

Participants are immediately vested in their voluntary contributions and the Credit Union's safe-harbor matching contributions, plus actual earnings/losses thereon. Vesting in the Credit Union's discretionary profit-sharing contribution portion of their account plus actual earnings thereon is based on years of continuous service. A participant becomes 100% vested in the Credit Union's discretionary profit-sharing contributions after five years of credited service.

SPECTRA CREDIT UNION 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting. Income from investments is recorded when it is earned. Employee contributions are recorded when withheld from pay. Employer contributions are recorded in the period to which they pertain. Expenses are recorded in the accounting period in which they are incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to make use of estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement attribute for that portion of the net assets of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and Investment Custodian. See Note 4 for discussion of fair value measurements.

The purchase and sale of investments is recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

SPECTRA CREDIT UNION 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 2 - Summary of Significant Accounting Policies (Continued)

Fees and Expenses

Certain expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Certain fees associated with distributions and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Excess Contributions Payable to Employer and Employees

Amounts payable to the employer and employees represent excess employee and employer contributions made during 2022 that were refunded to the employer and employees on February 1, 2023.

Subsequent Events

The Plan has evaluated subsequent events through **(Date Pending)**, the date the financial statements were available to be issued.

Note 3 - Unaudited Investment Information Certified by the Investment Trustees

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by Reliance Trust through February 1, 2022, and Great-West and Empower Trust Company thereafter, as to its completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

1. All investment balances reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021,
2. All investment activity reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022,
3. All investment-related information included in the supplemental schedule H, Line 4i - schedule of assets (Held at End of Year) as of December 31, 2022 and
4. Notes receivable from participants as of December 31, 2022 and 2021 and the related interest income for the year ended December 31, 2022.

SPECTRA CREDIT UNION 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 4 - Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds

Valued at daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

	As of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$13,128,125	\$—	\$—	\$13,128,125

	As of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$15,703,205	\$—	\$—	\$15,703,205

SPECTRA CREDIT UNION 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 5 - Investment Contract

The Plan invests in a guaranteed investment contract (GIC). The GIC's underlying asset is a general investment account that provides a stated rate of return and insulates participants' accounts from daily fluctuations in the market. Under the terms of the GIC group annuity contract, participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their balance in the GIC investment option at contract value.

As described in Note 2, because the GIC group annuity contract is fully benefit-responsive, contract value is the relevant measurement attributable for that portion of the net assets available for benefits attributable to this contract. Contract value, as reported to the Plan by Empower Institutional represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The terms of this contract require all permitted participant-initiated transactions with the Plan to occur at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Specifically, in the event of contract termination, a fair value adjustment may apply. Empower Institutional does not terminate fully benefit-responsive investment contracts with its clients for reasons other than contract termination by the Plan sponsor. As noted above, contract termination by the Plan sponsor may result in the settlement of investments at an amount different from contract value.

Note 6 - Party-in-Interest Transactions

Certain Plan investments are managed by Empower Institutional. As Empower Institutional serves as the record keeper, as defined by the Plan, payment of fees by the Plan to Empower Institutional qualify as a party-in-interest transaction as defined by ERISA. Fees paid by the Plan for certain administrative services to Empower Institutional approximated \$54,000 for the year ended December 31, 2022. These transactions are not, however, considered prohibited transactions and 29 CFR 408(b) of the ERISA regulations.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA. Upon Plan termination, all participants' accounts would become fully vested.

SPECTRA CREDIT UNION 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 8 - Plan Amendment and Tax Status

The Plan uses a volume submitter plan document, which has been filed with the IRS and has received a favorable advisory letter dated June 30, 2020. While the Plan document has not received an individual IRS determination letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related trust is tax-exempt as of December 31, 2022. The Plan was most recently amended and restated effective January 1, 2022 as a result of the amendment and restatement of the volume submitter basic plan document to reflect new statutory changes.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 10 - Prohibited Transactions

During 2022, the Credit Union failed to transmit participant contributions and loan payments to the Plan within the time frame required by the DOL's Rules and Regulations which approximated \$241,000. During 2023, the Credit Union will remit lost earnings to the affected participant accounts. The untimely remittance of participant contributions constitutes a nonexempt prohibited transaction.
