INDEPENDENT AUDITOR'S REPORT

September 14, 2023

To the Plan Administrator of
Blythedale Children's Hospital 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Blythedale Children's Hospital 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Blythedale Children's Hospital 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Blythedale Children's Hospital 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Blythedale Children's Hospital 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Blythedale Children's Hospital 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Blythedale Children's Hospital 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BLYTHEDALE CHILDREN'S HOSPITAL 403(B) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Blythedale Children's Hospital 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Blythedale Children's Hospital 403(b) Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code. The Plan covers substantially all employees of Blythedale Children's Hospital (the Hospital) who were hired after January 1, 2011. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Hand Benefits & Trust Company (HB&T) served as the custodian and recordkeeper of the Plan's assets for the years ending December 31, 2022 and 2021.

Eligibility

Each employee hired after January 1, 2011, is entitled to make his or her own contributions (elective deferrals) to the Plan upon their first day of employment with the Hospital. Each employee, upon attainment of age 18 and the expectation to work 975 hours in the Plan Year, and having completed 3 months of service, is eligible to receive discretionary employer matching contributions and additional non-elective employer contributions if made.

Contributions

Contributions to the Plan are made by participants and the Hospital and are calculated as a percentage of each participant's earnings.

An eligible participant may make voluntary pre-tax contributions to the Plan up to 100% of their wages. If a participant elects to make a voluntary contribution, the Hospital will match up to the first 2% of the participant's elective contributions, once eligible, as well as contribute 2% of the employee's base salary. During 2022 and 2021, these employer match contributions totaled approximately \$461,000 and \$449,000 respectively. For those employees who earn more than the social security wage limit, the Hospital may contribute an additional 2% of earnings in excess of the social security wage limit, up to the statutory pay limit. The additional discretionary profit sharing contribution relating to the years ending December 31, 2022 and 2021 totaled approximately \$506,000 and \$456,000 respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Hospital's contribution, and earnings/losses on all contributions. Allocations of earnings/losses and administrative expenses are based on participant account balances according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balance.

1. DESCRIPTION OF PLAN (Continued)

Funding Vehicles

Plan contributions are invested in one or more of the funding vehicles offered by the Plan. The Plan does not permit plan-to-plan transfers or contract exchanges with any annuity contract or custodial account that is not a funding vehicle specifically approved by the Plan Administrator for use under the Plan.

Vesting

Participants are immediately vested in the portions of their balance relating to elective deferrals including catch-up contributions and rollover contributions. Once they have reached three years of service, participants become 100% vested in the matching and non-elective contributions from the employer.

Forfeited Accounts

At December 31, 2022 and 2021, unused forfeited accounts approximated \$4,200 and \$5,400, respectively. Forfeited amounts are used primarily to reduce future employer contributions and plan expenses. Forfeitures applied during the years ended December 31, 2022 and 2021 approximated \$54,000 and \$46,000, respectively.

Notes Receivable from Participants

Loans may be made from the Plan only to the extent the participant has vested funds in the plan. Eligible participants may borrow funds, up to 50% of their vested plan assets or \$50,000. Each participant is limited to one loan and loans must generally be repaid over a period no longer than five years.

Payment of Benefits

Upon retirement or disability, and depending on the relevant funding vehicle contract, the forms of benefit that may be available under the funding vehicle contract include, but are not limited to lump sum, installments, partial distributions, and any other annuity and withdrawal option as provided under the funding vehicle contract.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's elective deferrals. All hardship withdrawals must comply with Internal Revenue Service rules relating to hardships, which are uniformly applicable to all participants.

Administrative Expenses

The Plan permits the payment of Plan expenses to be made from Plan assets. Substantially all administrative expenses associated with the Plan are paid by Plan participants as a reduction of investment income.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, political, currency, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document. The Plan has determined an allowance for uncollectible notes receivable from participants is unnecessary at December 31, 2022 and 2021.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Investments

The Plan invests in various mutual funds and a common collective trust that are reported at fair value. Changes in the current value of investments, including realized and unrealized gains and losses on assets sold during the year, are reflected in the statements of changes in assets available for benefits as net appreciation in the fair value of investments. Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant-directed.

Fair Value Measurement

The Plan uses various valuation techniques in determining fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's estimate about the assumptions market participants would use in pricing the asset or liability, developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement (Continued)

The Plan determines the fair value measurement valuation policies and procedures, including those for Level 3 recurring and nonrecurring measurements. At least annually, the Plan: (1) determines if the current valuation techniques used in fair value measurements are still appropriate, and (2) evaluates and adjusts the unobservable inputs used in the fair value measurements based on current market conditions and third-party information.

The following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds - Valued based on quoted prices in active markets.

Common collective trust – The HB&T MetLife Stable Value Fund is a fully benefit-responsive group annuity contract issued by MetLife. The account is credited with earnings on the underlying investments and charged for participant withdrawals. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The objective of the collective investment fund is to preserve capital and provide stability of principal while earning current income that exceeds money market rates over the long term. The account invests in fixed income securities, such as U.S. Government agencies and treasuries, mortgages, asset backed securities, corporate debt, and cash equivalents. There are no redemption restrictions or unfunded commitments related to this investment. Participants may ordinarily direct the withdrawal or transfer all of or a portion of their investment at contract value. The crediting interest rate is based on a formula agreed upon by the issuer but may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting. The average yield on the MetLife Stable Value Fund based on interest rates credited to participants was approximately .75% and 1% at December 31, 2022 and 2021, respectively.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Company believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

3. INVESTMENT INFORMATION

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, HB&T, the custodian, has certified that the following data included in the financial statements and accompanying supplemental schedule of assets (held at end of year) is complete and accurate as of December 31:

	<u>2022</u>	<u>2021</u>
Investments	\$ 13,578,761	\$ 14,763,757
Notes receivable from participants	\$ 351,239	\$ 369,780
Total investment (loss) income	(\$ 2,837,440)	\$ 1,955,609
Interest on notes receivable from participants	\$ 13,176	\$ 10,294

Schedule of Assets (Held at End of Year) – Schedule I

4. FAIR VALUE MEASUREMENTS

The Plan's investments at fair value, within the fair value hierarchy, were as follows at December 31, 2022:

	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual Funds	\$ 13,317,694	\$ -	\$ -	\$ 13,317,694
Common Collective Trust	<u>-</u>	<u>261,067</u>	<u>-</u>	<u>261,067</u>
	<u>\$ 13,317,694</u>	<u>\$ 261,067</u>	<u>\$ -</u>	<u>\$ 13,578,761</u>

The Plan's investments at fair value, within the fair value hierarchy, were as follows at December 31, 2021:

	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual Funds	\$ 14,506,569	\$ -	\$ -	\$ 14,506,569
Common Collective Trust	<u>-</u>	<u>257,188</u>	<u>-</u>	<u>257,188</u>
	<u>\$ 14,506,569</u>	<u>\$ 257,188</u>	<u>\$ -</u>	<u>\$ 14,763,757</u>

5. TAX STATUS

The Plan is exempt from federal income tax under Section 403(b) of the Internal Revenue Code. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its tax exempt status for Plan participants. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Hospital has the right under the Plan document to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Hospital's contributions.

7. PARTY-IN-INTEREST TRANSACTIONS

The Plan allows participants of the Plan to invest in certain funds that are managed by HB&T, the record keeper and custodian of the Plan. As such, transactions between the participants investing in these funds and the Plan qualify as party-in-interest transactions.

The Plan allows participants of the Plan to receive loans under specific circumstances. As such, transactions between participants with loans and the Plan qualify as party-in-interest transactions.

8. RECONCILIATION TO FORM 5500

The following is a reconciliation of the assets available for benefits per the financial statements to Schedule H of Form 5500 for the years ended December 31:

	<u>2022</u>	<u>2021</u>
