REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Teamsters Local 346 Savings & 401(k) Plan

Opinion

We have audited the financial statements of Teamsters Local 346 Savings & 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Teamsters Local 346 Savings & 401(k) Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

TEAMSTERS LOCAL 346 SAVINGS & 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN

Teamsters Local 346 Savings & 401(k) Plan (the Plan) was established in 1997 as a result of collective bargaining agreements between Teamsters General Local Union No. 346 and participating signatory employers. The Plan is a multiemployer defined contribution retirement plan subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Under current provisions of the Plan, a participant becomes eligible on the date the employer first makes a contribution on the participant's behalf, or when a participant is eligible to make participant deferral contributions under the Plan. A participant is immediately 100% vested in all contributions made.

Participants direct the investment of their account balances and future contributions into various investment options offered by the Plan. In the absence of participant direction, contributions are invested in a target date mutual fund based upon their age, until changed by the participant. Participants must evaluate their own investment goals and objectives and make a decision best suited to achieve those goals and objectives. Poor investment performance may cause their vested balance to be lower than the amounts contributed to the Plan on their behalf.

Employer and participant contributions are credited to an individual account created on the participant's behalf and are adjusted for an allocation of Plan earnings less administrative and related expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participant accounts are charged an annual administrative fee of \$108 which is collected quarterly and an annual fee of 23 basis points on the investment balance which is collected monthly. Amounts collected are available to pay administrative expenses of the Plan. The Plan collected fees of \$112,983 and \$113,756 for the years ended December 31, 2022 and 2021, respectively. Net assets available for benefits include unallocated account balances of \$52,215 and \$48,316 at December 31, 2022 and 2021, respectively, which are available to pay administrative expenses of the Plan.

Participants are entitled to receive 100% of their account balance after reaching normal retirement age. Distributions are also available under the hardship provisions of the Plan. In the event of a participant's total and permanent disability prior to retirement date or termination of employment, the participant will be distributed their account balance as though they had retired. Upon the death of a participant, the value of the participants account will be distributed to the participant's beneficiary.

Participants should refer to the summary plan description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

Contributions Receivable - Contributions due and not paid at year end are recorded as contributions receivable. Employer contributions owed as a result of payroll compliance audits are recorded as income when collected. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Investments - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Purchases and sales of investments are reflected on a trade-date basis.

Interest income is recorded on the accrual basis. Dividend income is recorded on the ex dividend date. Capital gain distributions, if any, are classified as interest and dividends.

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered employment is performed. Covered employment is primarily derived in the construction, transportation, distribution and manufacturing industries. Employer contributions are based on the number of hours or weeks worked in covered employment and the contribution rate currently in effect, as set forth in the collective bargaining agreements. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 1 within a jurisdiction primarily located in northern Minnesota.

Payment of Benefits - Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan but were not yet paid at either December 31, 2022 or 2021.

Expenses - Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through August 8, 2023, which is the date the financial statements were available to be issued.

NOTE 3. TAX STATUS

The Plan's latest determination letter is dated September 22, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. In the event the Plan terminates, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of participants and their beneficiaries, except that provision may be used for the payment of necessary expenses resulting from termination of the Plan. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted asset or liabilities. |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly. |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurements and unobservable. |

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's investments in mutual funds are classified within Level 1 of the fair value measurements hierarchy. The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

NOTE 6. RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7. FUNDING POLICY

The Plan is primarily funded by participant deferrals and by employer contributions as specified under negotiated collective bargaining agreements. The hourly employer contribution rate ranged from \$0.10 to \$21.76 during the years ended December 31, 2022 and 2021. The weekly employer contribution rate ranged from \$19.38 to \$105.00 during the years ended December 31, 2022 and 2021.

A participant may make contributions in \$0.05 hourly increments, with a minimum of \$.10 per hour, on a pre-tax basis, subject to Internal Revenue Code limitations. At no time may the combined participant deferral amount plus employer contributions exceed 100% of gross wages.

NOTE 8. MAJOR EMPLOYERS

Contributions from two employers accounted for approximately 28% and 27% of total contributions for the years ended December 31, 2022 and 2021, respectively. In the event these employers were to suspend contributions, the Plan would retain the risk of meeting current fixed administrative expenses until appropriate adjustments were made.

NOTE 9. PARTICIPANT CONTRIBUTIONS

Employers withhold participants' contributions from their payroll. During the years ended December 31, 2022 and 2021, instances were noted where certain employers remitted contributions to the Plan later than the 15th business day of the month following the month in which the amounts were otherwise payable to the participant, as required by the requirements prescribed by U.S. Department of Labor regulations. Therefore, these late deferrals constitute a prohibited transaction with a party-in-interest. Contributing employers failed to timely remit participant contributions of \$28,262 and \$15,253 during the years ended December 31, 2022 and 2021, respectively.

NOTE 9. PARTICIPANT CONTRIBUTIONS (CONTINUED)

The Plan has a collection program in which the Plan may collect contributions, liquidated damages, interest and attorney fees from delinquent employers. Upon receipt of late contributions from a delinquent employer, the amount of contributions and interest collected are credited to the participants' account to compensate the participant for lost earnings resulting from the delay in contributions.

NOTE 10. RELATED ORGANIZATION

The Plan is related to a tax-exempt labor union.

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES REQUIRED BY ERISA

Participants and Trustees of
Teamsters Local 346 Savings & 401(k) Plan

We have audited the financial statements of Teamsters Local 346 Savings & 401(k) Plan (the Plan) as of and for the years ended December 31, 2022 and 2021, and our report thereon dated August 8, 2023, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental schedules 1 and 2 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
