SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT

We have performed the audit of the accompanying financial statements of W.E. Bowers & Associates Union Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of W.E. Bowers & Associates Union Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

OPINION ON THE DECEMBER 31 2022 FINANCIAL STATEMENTS

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION ON THE DECEMBER 31, 2022 FINANCIAL STATEMENTS

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of W.E. Bowers & Associates Union Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT – CONTINUED

PRIOR PERIOD FINANCIAL STATEMENTS

The financial statements of W.E. Bowers & Associates Union Retirement Plan as of December 31, 2021, were audited by other auditors whose report dated July 29, 2022, expressed an unmodified opinion on those statements.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about W.E. Bowers & Associates Union Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of W.E. Bowers & Associates Union Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about W.E. Bowers & Associates Union Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT – CONTINUED

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of assets (assets held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF PLAN

The following description of W.E. Bowers & Associates Union Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering the union employees of W.E. Bowers & Associates (the "Company") who are age 18 years or older and have completed six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee is responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions – Each year, participants may contribute up to the maximum percentage of pretax annual compensation, as defined in the Plan. Participants may designate all or a portion of their contributions to be Roth contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The Company may make non-elective profit-sharing contributions to the Plan at its discretion. The Company did not make a discretionary contribution for the year ended December 31, 2022. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts – Each participant's account is credited with the participant's contributions and Company contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their elective deferral and employer safe harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions is based on years of continuous service. A participant is 100% vested after six years of service.

Notes Receivable From Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account, the interest rates of participant notes receivable ranged from 4.25% to 9.00%. Principal and interest are paid ratably through payroll deductions.

Payment Of Benefits – Payments of benefits are permitted in various methods depending upon whether the request for payment results from retirement, death, an event of disability or termination. The Plan administrator may allow distribution of 100% of the participant's contributions and vested portion of employer contributions in cases of hardship. Balances less than \$5,000 may be paid in lump-sum distributions, without requiring participant approval.

Forfeited Accounts – Forfeited amounts are used to reduce employer contributions or to offset plan expenses. As of and for the year ended December 31, 2022, there were no forfeited nonvested accounts.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis Of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Valuation Of Investments And Income Recognition – Investments in registered investments companies and collective trust are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

See Note D for discussions on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's realized gains and losses on investments bought and sold during the year.

Use Of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment Of Benefits – Benefits are recorded when paid.

Plan Expenses – The Company absorbs certain administrative expenses of the Plan. Expenses that are paid by the Company are excluded from the Plan's financial statements. Fees related to the administration of notes receivable from participants and distributions from the plan are charged directly to the participants' account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events – The Plan evaluates the events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through September 22, 2023, the date the financial statements were available to be issued.

NOTE C - INVESTMENTS

All investment information and notes receivable from participants included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by the trustee, Reliance Trust Company.

W.E. BOWERS & ASSOCIATES UNION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2022 AND 2021

NOTE D - FAIR VALUE MEASUREMENTS

The Plan applies generally accepted accounting principles to establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under generally accepted accounting principles are described as follows:

- Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 – inputs to the valuation methodology include quoted prices for identical or similar assets and liabilities in active or inactive markets; inputs that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Registered Investment Companies (Mutual Funds) - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust – The Plan invests in the Putnam Stable Value Fund ("Putnam Fund"). The Putnam Fund is comprised of investment contracts issued by life insurance companies, banks and other financial institutions, and is valued at their NAV. The NAV, as provided by the investment advisor, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the Putnam Fund less its liabilities. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the trust, the investment advisor requires a 12 month written notice, however, the investment advisor may complete any such Plan level withdrawals before the expiration of such 12 month period. There are no unfunded commitments as of December 31, 2022 and 2021. The redemption frequency is daily. The objective of the Putnam Fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile and liquidity for benefit-responsive payments. To achieve its investment objective, the Putnam Fund invests in high-quality stable investment contracts as well as cash and cash equivalents.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021, by caption on the statements of net assets available for benefits within the valuation hierarchy.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

NOTE E - PARTIES-IN-INTEREST TRANSACTIONS

Certain participants of the Plan have outstanding loans with the Plan at December 31, 2022. These loans are considered party-in-interest transactions according to the Department of Labor guidelines. Total outstanding loans as of December 2022 and 2021 were \$497,046 and \$384,258, respectively.

ADP Retirement Services (ADP) provides participant recordkeeping services to the Plan, which qualifies as a party-in-interest. Fees paid by the Plan for these services were \$9,872 for the Plan year ended December 31, 2022.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE H - TAX STATUS

The Company adopted a prototype plan that obtained a determination letter dated October 6, 2020. The determination letter stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been restated since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified, and the related trust is tax exempt.

NOTE I - RISKS AND UNCERTAINTIES

The Plan's investments include financial instruments which are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of financial instruments will occur in the near term that could materially affect the participants' account balances and the amounts reported in the accompanying financial statements.
