Plan administrator and Advanced Conversion Technology, Inc. Board of Directors
Advanced Conversion Technology, Inc. Profit Sharing Plan
Middletown, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Advanced Conversion Technology, Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statement comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year then ended December 31, 2022, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from issuance.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule

The supplemental schedule of assets held at end of year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ADVANCED CONVERSION TECHNOLOGY, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

(with comparative information at December 31, 2021)

1. Description of Plan and summary of significant accounting policies:

The following description of the Advanced Conversion Technology, Inc. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering employees of Advanced Conversion Technologies, Inc. (the Company) who have worked for 60 days and attained the age of 18. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan investments are participant directed.

Contributions:

Participants may elect to defer from their annual compensation up to the federal annual limit. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Effective January 1, 2018, all newly eligible employees were automatically enrolled in the Plan with a 4% deferral contribution unless they elect otherwise. Effective January 1, 2019, participants with deferral contributions below 4% were automatically increased to 4% unless they elect otherwise. The Company makes safe harbor contributions of 3% of eligible compensation for Plan participants, which totaled \$216,643 and \$230,638 in 2022 and 2021, respectively. The Company may also elect to make additional discretionary contributions. Discretionary contributions of \$205,107 and \$204,927 were made in 2022 and 2021, respectively. The safe harbor and discretionary contribution amounts are prior to applying the available forfeitures used to off-set employer contributions.

Participant accounts:

Each participant's account is credited or charged with the participant's contributions, the Company's discretionary and safe harbor contributions, Plan earnings (losses) and certain administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ADVANCED CONVERSION TECHNOLOGY, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2022 (with comparative information at December 31, 2021)

1. Description of Plan and summary of significant accounting policies (continued):

Vesting:

Participants are vested immediately in their contributions and the assets transferred in, plus actual earnings thereon. Vesting in the Company's discretionary contributions portion of their accounts, plus earnings thereon, is based on years of credited service as follows:

<u>Years of credited service</u>	<u>Vesting percentage</u>
Less than 2	0%
2-3	20%
3-4	40%
4-5	60%
6	80%
6 or more	100%

Payment of benefits:

On termination of service due to death, disability or retirement, a participant becomes fully vested in Company contributions and earnings thereon regardless of the number of years of service and may receive a lump-sum distribution. For termination of services for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or installment payments.

Forfeitures:

Forfeitures resulting from terminated participants are first applied to restoration of participant's forfeitures, second to reduce employer contributions and lastly to offset Plan expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$19,455 and \$18,094, respectively. During 2022, forfeitures of \$18,094 were used to reduce employer contributions pertaining to the 2021 Plan year.

Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their accounts.

ADVANCED CONVERSION TECHNOLOGY, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2022 (with comparative information at December 31, 2021)

1. Description of Plan and summary of significant accounting policies (continued):

Basis of presentation:

The accompanying financial statements have been prepared on an accrual basis and present the net assets available for benefits and changes in those net assets.

Use of estimates:

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan administrator to make certain estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

Payment of benefits:

Benefits to participants are recorded when paid.

Valuation of investments:

Mutual funds are stated at fair value as determined by quoted market prices.

Interest-bearing cash (money market funds) are valued at cost, which approximates fair value.

Administrative expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of mutual funds, as they are paid through revenue sharing, rather than direct payment.

2. Information certified by the trustee:

The Plan's investments are held by Fulton Bank, N.A./Fulton Financial Advisors Division Retirement Services (the trustee). Investment information disclosed in the accompanying financial statements and schedule of assets held at end of year, specifically investments held at December 31, 2022 and 2021, and net depreciation in fair value of mutual funds, interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.

ADVANCED CONVERSION TECHNOLOGY, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2022 (with comparative information at December 31, 2021)

3. Fair value measurement:

The Plan ranks investments required to be reported at fair value in a three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset. Inputs may be observable or unobservable and refer broadly to the assumptions that market participants would use in pricing the asset. Observable inputs reflect the assumptions market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset developed based on the best information available in the circumstances. The three levels of the fair value hierarchy are described below:

Level 1 – Quoted prices in active markets for identical investment.

Level 2 – Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.). The Plan does not hold any Level 2 investments.

Level 3 – Significant unobservable inputs (including the Plan's own assumptions in determining the fair value of investments). The Plan does not hold any Level 3 investments.

See Note 1 for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

The fair values of assets measured on a recurring basis at December 31, 2022 and 2021 are as follows:

		Fair value measurements using
2022	Fair value	Level 1
Mutual funds	\$ 12,329,131	\$ 12,329,131
Interest-bearing cash	357,087	357,087
Total	<u>\$ 12,686,218</u>	<u>\$ 12,686,218</u>

ADVANCED CONVERSION TECHNOLOGY, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2022 (with comparative information at December 31, 2021)

3. Fair value measurement (continued):

		Fair value measurements using Level 1
2021	Fair value	
Mutual funds	\$ 15,903,906	\$ 15,903,906
Interest-bearing cash	366,574	366,574
Total	<u>\$ 16,270,480</u>	<u>\$ 16,270,480</u>

4. Income tax status:

On December 23, 2015, the Plan adopted the Fulton Financial Advisors, N.A. Prototype Defined Contribution Plan. Fulton Bank, N.A./Fulton Financial Advisors Division Retirement Services received a determination letter from the Internal Revenue Service dated June 30, 2020, which stated that the Prototype Plan was acceptable under provisions of the Internal Revenue Code (IRC). Although the Prototype Plan has been amended since the determination letter was received, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and the related trust is tax exempt.

5. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. Related party and party-in-interest transactions:

Certain Plan investments are managed by Fulton Bank, N.A./Fulton Financial Advisors Division Retirement Services. Fulton Bank, N.A./Fulton Financial Advisors Division Retirement Services is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net depreciation in fair value of mutual funds. Fulton Bank, N.A./Fulton Financial Advisors Division Retirement Services applies the Plan's revenue sharing earned as a reduction of the Plan's administrative expenses.
