To the Plan Administrators
Unity Bank Group Retirement Plan
Rush City, Minnesota

Dear the Plan Administrators:

We have audited the financial statements of Unity Bank Group Retirement Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit) for the year ended December 31, 2022, and we have issued our report thereon dated August 31, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by Fidelity Management Trust Company, the Trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America (GAAS), as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated June 5, 2023, in addition to our planning discussions with you on May 31, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. We had no significant differing opinions regarding management’s accounting estimates.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive disclosures noted for 2022.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

In addition, we did not identify any misstatements that management determined to be immaterial and passed on recording.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that has not been previously communicated to management by other parties and that we determined is sufficiently important to merit management's attention.

Disagreements With Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 31, 2023, a copy of which accompanies this letter.

Management's Consultation With Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Internal Control Matters

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Plan, an employee benefit plan subject to ERISA, as of and for the year ended December 31, 2022, in accordance with GAAS, we considered the Plan's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by Fidelity Management Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies; therefore, material weaknesses or significant deficiencies may exist that were not identified. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in the Plan's internal control to be a significant deficiency:

Financial Accounting and Reporting

An entity's internal control over financial reporting does not end at the general ledger, but extends to the financial statements and notes. As part of our professional services for the year ended December 31, 2022, Wipfli assisted in drafting the financial statements and related notes. Because the Plan Sponsor relies on Wipfli to provide the necessary understanding of current accounting and disclosure principles in the preparation of the financial statements, and chose to have Wipfli assist in the preparation of the financial statements, a significant deficiency exists in the Plan Sponsor's internal controls. The completeness of the financial statement disclosures and the accuracy of the overall financial presentation is negatively impacted because outside auditors do not have the same comprehensive understanding of the Company as its internal financial staff.

We did not identify any deficiencies in internal control that we consider to be material weaknesses as defined above.

Conclusion

This information is intended solely for the use of the Plan Administrator and, if appropriate, management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,

Management Representation Letter

Wipfli LLP
150 S. 5th Street, Suite 2000
Minneapolis, MN 55402

This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of Unity Bank Group Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (US GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Fidelity Management Trust Company, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by Fidelity Management Trust Company, has been audited by you in accordance with auditing standards generally accepted in the United States of America (US GAAS), and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audits.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated June 5, 2023, including our responsibility for the preparation and fair presentation of the financial statements.
2. The financial statements referred to above are fairly presented in conformity with US GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
3. We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:
 - a. The circumstances permit an ERISA Section 103(a)(3)(C) audit.
 - b. A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
 - c. The certification meets the 29 CFR 2520.103-5 requirements.
 - d. The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.
4. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
6. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
7. The methods, significant assumptions, and data used in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in accordance with US GAAP.
8. Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with the requirements of US GAAP and ERISA Section 3(14) and regulations thereunder.

9. All events subsequent to the date of the financial statements and for which US GAAP requires adjustment or disclosure have been adjusted or disclosed.
10. There are no uncorrected misstatements.
11. There are no known actual or possible litigation, claims, and assessments that must be accounted for and disclosed in accordance with US GAAP.
12. There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt, nonexempt transactions, loans or leases in default, events reportable to the PBGC, or events that may jeopardize the tax status) that must be disclosed.
13. Material concentrations have been properly disclosed in accordance with US GAAP.
14. Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
15. Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with US GAAP.
16. The supplemental schedule or financial statements disclose the following, where applicable:
 - a. All non-exempt party-in-interest transactions [as defined in ERISA Section 3(14) and regulations thereunder].
 - b. Investments or loans in default or considered to be uncollectible.
 - c. Reportable transactions [as defined in ERISA Section 103(b)(3)(H) and regulations thereunder].

Information Provided

17. We have provided you with:
 - a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.
 - b. A substantially complete draft of Form 5500.
 - c. Additional information that you have requested from us for the purpose of the audit.
 - d. Unrestricted access to persons within the Plan from who you determined it necessary to obtain audit evidence.
 - e. Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.

18. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
19. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
20. We have no knowledge of any fraud or suspected fraud affecting the Plan and involves:
 - a. Management,
 - b. Employees who have significant roles in internal control, or
 - c. Others where the fraud could have a material effect on the financial statements.
21. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
22. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
23. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with US GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
24. We have disclosed to you the names of all the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships and transactions, including any side agreements.
25. The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
26. We have no:
 - a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b. Intentions to terminate the Plan.
27. Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.

28. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
29. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as disclosed in Note 3 to the Plan's financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
30. All required amendments to and filings of Plan documents with the appropriate agencies have been made.
 - a. Effective January 1, 2020, the new IRS hardship distribution regulations were implemented to allow participants to have access to earnings on the deferral portion of their account, to include federal disasters as a hardship category, to eliminate the suspension period subsequent to receiving a hardship distribution, and to eliminate the requirement to exhaust plan loans. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
 - b. On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law, which includes provisions relating to retirement plans. The Plan was amended to implement certain changes provided for under the CARES Act, including allowing certain eligible individuals to receive coronavirus-related distributions, increased maximum retirement plan loan amounts, and deferments of certain participant loan payments for up to one year. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
31. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified plan. The plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
32. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
33. The Plan has complied with the fidelity bonding requirements of ERISA.
34. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
35. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

36. We believe the form and content of the Schedule H, Line 4i – Schedule of Assets (Held at End of Year) are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Subsequent Events Representation Letter

Wipfli LLP
150 S. 5th Street, Suite 2000
Minneapolis, MN 55402

We are writing to confirm that Unity Bank Group Retirement Plan had none of the following events occur during the time period starting with our most recent fiscal year-end, December 31, 2022, to the date of the letter. There have been no:

1. Subsequent settlements of a contingent liability or litigation at an amount that is different from the amount recorded in the draft year-end financial statements, if applicable.
2. New (previously undisclosed to Wipfli LLP) pending or threatened litigation, claims, or assessments, or unasserted claims or assessments.
3. Substantive consultations with the attorneys.
4. Material adverse changes in financial position of the Company since year-end.
5. Material changes to any significant estimates in the draft year-end financial statements.
6. Sales of any assets subsequent to year-end at a price significantly less than the carrying value in the draft financial statements.
7. Events adversely impacting the financial position of the Plan Sponsor.
8. Changes to previously disclosed substantial contingent liabilities or commitments that existed at the date of the balance sheet, and no new substantial contingent liabilities or commitments have become known since year-end.
9. Changes in the current status of items in the financial statements being reported on that were accounted for on the basis of tentative, preliminary, or inconclusive data.
10. Unusual adjustments made during the period from the year-end to the date of this inquiry.
11. Significant undisclosed (in the draft year-end financial statements) financial commitments.
12. Changes in accounting or financial policies.
13. Expiration or cancellation of significant insurance coverage.
14. New regulatory requirements or laws that could adversely affect the Plan or Plan Sponsor.
15. Liabilities in dispute or being contested.

16. New, or change to, related-party transactions since year-end.
17. Minutes (or summaries in place of approved minutes) from administrative, investment, or other committees (impacting Plan operations) meetings have been prepared and not provided to you for the period under audit through the date of this letter.
18. Meetings of directors or stockholders where minutes have not yet been prepared.

Sincerely,

Unity Bank Group Retirement Plan

Independent Auditor's Report

To the Plan Administrators
Unity Bank Group Retirement Plan
Rush City, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Unity Bank Group Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Unity Bank Group Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Unity Bank Group Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Unity Bank Group Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Unity Bank Group Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Unity Bank Group Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Unity Bank Group Retirement Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Unity Bank Group Retirement Plan (the "Plan") is provided for general information purposes. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Unity Bank Group (the "Company") who have reached age 18 and have completed at least one month of service following their employment commencement date. Employees may become a participant on the first day of the following month upon satisfying the eligibility conditions. Employees must be employed on the last day of the plan year and have completed 1,000 hours of service during the plan year to receive the additional employer discretionary contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

In March 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was enacted and signed into law. The CARES Act includes various provisions that temporarily ease rules around distributions and loans in 2020 for eligible plan participants in reaction to the economic conditions during the COVID-19 pandemic. Certain design changes were made to the Plan during 2020 as permitted pursuant to the CARES Act. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. An after-tax Roth election is also available that is limited on a combined basis to the pretax contribution limits. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The participant's deferral percentage will automatically increase by 1% each year until the deferral percentage reaches a maximum of 6% of the participant's compensation or until the participant affirmatively elects a different percentage. The Company contributes safe harbor matching contributions equal to 100% of the first 3% plus 50% of the next 2% of base compensation that a participant contributes to the Plan. Additional discretionary matching contributions and additional discretionary nonelective contributions may also be contributed at the option of the Company. During the year ended December 31, 2022, the Company made safe harbor matching contributions of \$298,026, and no additional discretionary contributions or discretionary nonelective contributions were made.

Unity Bank Group Retirement Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, Company matching contributions, and allocations of the Company's additional discretionary contribution and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants immediately vest in their voluntary contributions and the Company's safe harbor match plus actual earnings thereon. Vesting in the Company's discretionary matching contributions and discretionary nonelective contributions portion of a participant's accounts is based on the numbers of years of service.

Company matching and additional discretionary contributions vest according to the following schedule:

<i>Years of Service</i>	<i>Employer Contributions</i>
Less than 1 year	0 %
1 year	20 %
2 years	40 %
3 years	60 %
4 years	80 %
5 or more	100 %

Participants are considered to have completed one year of service for the purpose of vesting upon the completion of 1,000 hours of service at any time during 12 consecutive months.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 7.50%, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a rollover distribution to another qualified plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, hardship distributions out of the participant's voluntary contributions account are permitted if certain criteria are met. The Plan also allows for inservice distributions upon attaining age 59 1/2.

Unity Bank Group Retirement Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Payment of Benefits (Continued)

Effective January 1, 2020, the new IRS hardship distribution regulations were implemented to allow participants to have access to earnings on the deferral portion of their account, to include federal disasters as a hardship category, to eliminate the suspension period subsequent to receiving a hardship distribution, and to eliminate the requirements to exhaust plan loans. Written amendments to the Plan to reflect these operational changes will also be adopted at a later date in accordance with applicable law and IRS guidance.

Forfeitures

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$10 and \$1,129, respectively. These accounts will be used to reduce future Company contributions or to pay administrative expenses of the Plan in accordance with the plan document. During the year ended December 31, 2022, Company contributions were reduced by \$4,009 from forfeited nonvested accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Unity Bank Group Retirement Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are allocated proportionately to plan participants based on their respective account balances and are included in net investment income (loss). Investment management services are allocated proportionately to plan participants based on their respective account balances and are included in administrative expenses.

Subsequent Events

The Plan has evaluated subsequent events through August 31, 2023, which is the date the financial statements were available to be issued.

Effective March 1, 2023, the Plan Sponsor transferred the plan assets and recordkeeping services to Principal Trust Company.

Unity Bank Group Retirement Plan

Notes to Financial Statements

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3: Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,175,124	\$ -	\$ -	\$ 7,175,124

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,357,159	\$ -	\$ -	\$ 8,357,159

Note 4: Information Prepared and Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

Note 5: Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are managed by Fidelity Management Trust Company, the trustee as defined by the Plan. Therefore, these transactions qualify as party in interest transactions. Fees incurred and paid by the Plan for the investment management services were \$14,614 for the year ended December 31, 2022.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions.

Note 7: Tax Status

The Company adopted a non-standardized pre-approved document with an IRS notification letter which states the non-standardized pre-approved plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
