INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees
Button Transportation 401(k) Profit Sharing Plan
Dixon, California

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit
I have performed an audit the accompanying financial statements of Button Transportation 401(k) Profit Sharing Plan, as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Button Transportation 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution.)

Management has obtained a certification from a qualified institution as December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion
In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Button Transportation 401(k) Profit Sharing Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Button Transportation 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Button Transportation 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Button Transportation 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1: DESCRIPTION OF PLAN

The following description of the Button Transportation 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established November 12, 1992 to provide benefits for employees of the Plan Sponsor and the employees' beneficiaries. The Plan is a combined 401(k) Profit Sharing Plan covering all eligible employees of Button Transportation, Inc. and affiliates after they have completed one month of service and have reached the minimum age of 18. Union and nonresident alien employees are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The President of the Plan Sponsor acts as the Plan Trustee. John Hancock Life Insurance Company is the Plan Custodian. The Plan was amended effective January 1, 2021 to change the minimum age for participation and to change the employer contribution to a safe harbor component and a discretionary matching contribution component.

Plan Year

The Plan year end is December 31.

Contributions

The Plan allows for the following types of contributions:

- *Employee Salary Deferral 401(k) Contributions*
  The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (the "Code"). The Plan allows employees to voluntarily contribute a percentage of their regular wages or a fixed amount subject to various nondiscrimination tests and limitations prescribed by the Code. Participants may contribute pre-tax or Roth contributions.

- *Employer Safe Harbor Contribution*
  Effective January 1, 2021, the Plan adopted an employer safe harbor contribution of 100% of employee deferrals up to 4% of compensation.

- *Employer Matching Contribution*
  The Plan Sponsor may make discretionary matching contributions to the Plan. In 2022 and 2021 the Plan Sponsor elected to make matching contributions equal to 50% of employee deferral contributions if the employee contributed between 8% and 20% of compensation.

- *Employee Rollover Contributions from Another Qualified Plan*
  Participants may make rollover contributions from another qualified plan.

- *Employer Discretionary Contribution*
  The Plan Sponsor may make an additional discretionary contribution at management's discretion. No employer discretionary contributions were made in 2022 or 2021.

NOTE 1: **DESCRIPTION OF PLAN (Continued)**

Allocations
The Plan provides various investment fund options and allows participants to direct their investments. Investment earnings and losses are allocated to participants accounts based on the earnings or losses of the investments selected. Forfeitures are applied toward administrative expenses, then toward employer contributions. Forfeitures totaled $1,262 and $1,432 in 2021 and 2021, respectively

Vesting
Participants are 100% vested in their voluntary contributions and employer safe harbor matching contributions. Employer discretionary matching contributions credited thereon vest over a six-year period as follows:

Less than 1 year credited service	0%
2 years credited service	20%
3 years credited service	40%
4 years credited service	60%
5 years credited service	80%
6 years credited service	100%

For vesting purposes, a year of service is equivalent to 1,000 hours of service during the Plan year.

Retirement
Normal retirement under the Plan is the later of age 65 or the fifth anniversary of participation in the Plan.

Payment of Benefits
Payment of benefits may be made at the following times under the Plan: 1) normal retirement; 2) termination of employment of the participant; 3) hardship withdrawal; 4) disability of the participant; or 5) death of the participant. The form of benefit payments is a single lump sum. The Plan also has a mandatory cash out threshold of $5,000.

Notes Receivable from Participants
The Plan allows loans from $1,000 to a maximum of the lesser of 50% of vested interest in the Plan or $50,000. Loans have an interest rate at 1% above the prime rate, as defined.

Administrative Expenses
The administrative expenses of the plan are paid for either by the Plan Sponsor or with Plan forfeitures.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting
The financial statements of the Plan are maintained on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

Investments

Investments in pooled separate mutual funds are stated at fair market value using quoted market prices when available. Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The statement of net assets available for benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The statement of changes in net assets available for benefits is prepared on a contract value basis. The plan provides for participant-directed investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Date of Management's Review

Subsequent events were evaluated through September 20, 2023, which is the date the financial statements were available to be issued.

Income Taxes

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4: INFORMATION CERTIFIED BY THE CUSTODIAN

The following amounts are included in these financial statements and were taken directly from statements provided, and certified as complete and accurate, by John Hancock Life Insurance Company, the custodian as of December 31, 2022 and 2021.

	2022	2021
Investments at contract value	$ 4,734,061	$ 5,276,172
Cash	$ 12,346	$ 17,081
Notes receivable from participants	$ 110,117	$ 116,683
Participant contributions receivable	$ 5,723	$ -
Appreciation (depreciation) in fair value of investments	$ (831,214)	$ 569,477
Interest income from notes receivable from participants	$ 6,065	$ 5,732
Benefits paid to participants	$ 216,891	$ 756,708
Administrative expenses	$ 9,331	$ 16,453

NOTE 5: INVESTMENTS

The Plan's investments (including investments bought, sold, and held during the year) appreciated in value as follows:

	2022	2021
Investments at contract value	$ (831,214)	$ 569,477
Net appreciation (depreciation) in fair value of investments	$ (831,214)	$ 569,477

NOTE 6: **FAIR VALUE MEASUREMENTS**

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Investments at contract value	$ -	$ -	$ -	$ 4,734,061

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Investments at contract value	$ -	$ -	$ -	$ 5,276,172

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements
Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Fair Value Measurements
Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as quoted prices for similar assets in active or non-active markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Fair Value Measurements
Inputs that are unobservable inputs for the assets or liability.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

NOTE 8: RELATED PARTY AND PROHIBITED TRANSACTIONS

The plan assets are in pooled separate accounts held by John Hancock Life Insurance Company U.S.A, which is a custodian as of December 31, 2022 and 2021, as defined by the Plan and accordingly transactions with John Hancock Life Insurance Company qualify as party-in-interest transactions according to applicable regulations. Fees incurred for the investment management services and asset management are included in net appreciation in fair value of the investment as they are paid through revenue sharing or asset management charge group annuity contract sub account. John Hancock has made the required disclosures regarding indirect compensation and all compensation paid to John Hancock, registered investment advisors, and third party administrator qualifies as exempt transactions.

John Hancock reported paying related to the Plan as follows: John Hancock Life Insurance Company $1,871 and $1,808 for 2022 and 2021, respectively, as investment broker of record, and Hicks Pension Services $875 and $825 for 2022 and 2021, respectively, as third party administrator as direct compensation paid from the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

The late deposit of employee deferrals results in a prohibited transaction. As of December 31, 2022, deposits of $1,250 were remitted late, as disclosed in the supplemental schedule of delinquent participant contributions. The Plan has not yet corrected lost earnings for the late deposits.
