INDEPENDENT AUDITOR'S REPORT

Plan Administrators
E&T Plastic Manufacturing Co. 401(K) Profit Sharing Plan
Long Island City, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of E&T Plastic Manufacturing Co. 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of E&T Plastic Manufacturing Co. 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of E&T Plastic Manufacturing Co. 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about E&T Plastic Manufacturing Co. 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of E&T Plastic Manufacturing Co. 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about E&T Plastic Manufacturing Co. 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) on page 14 as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

E&T PLASTIC MANUFACTURING CO. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements
Years Ended December 31, 2022 and 2021

1. Description of Plan

The following description of the E&T Plastic Manufacturing Co. 401(K) Profit Sharing Plan (the "Plan") provides general information only. Participants should refer to the summary plan description and plan document for more complete information.

General

The Plan was established on December 31, 1962 and amended and restated effective November 11, 2015. The Plan is a defined contribution plan that consists of non-union employees of E&T Plastic Manufacturing Co., Inc., and its participating affiliates (collectively, the "Company" or "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Employees of the Company are eligible to participate in the Plan when they complete two months of service and have attained 21 years of age. The Plan entry date is the first day of the Plan year quarter coinciding with or next following the date on which the employee satisfies the eligibility requirements.

Contributions

Participants in the Plan may contribute a portion of their eligible compensation, referred to as elective deferral contributions, subject to Internal Revenue Code ("IRC") limitations.

The Plan allows participants who are projected to be age 50 or older at the end of the calendar year and who are making deferred contributions to the Plan to make a catch-up contribution subject to IRC limitations.

Currently all contributions to the Plan are not subject to federal, state and local income taxes until withdrawn by the participant from the Plan.

Participants may also contribute amounts representing distributions from other qualified plans (rollovers). A participant rollover is fully vested and allocated in accordance with the participant's election.

The Plan currently provides for an Employer matching contribution, calculated each weekly pay period, equal to 25% of a participant's elective deferral contribution subject to a maximum of 1% of annual compensation. In addition to the Employer matching contributions, the Company may make discretionary non-elective contributions in accordance with the provisions contained in the Plan document. Employees are eligible for such contributions after one year of service, during which they must complete 1,000 hours of service and be employed on the last day of the Plan year. For the year ended December 31, 2022, the discretionary contribution was \$150,000.

Vesting

Participants are immediately vested in their contributions and earnings thereon. In the event of termination due to death, total and permanent disability or normal retirement, participants shall become 100% vested in the employer contributions portion of their account.

E&T PLASTIC MANUFACTURING CO. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements
Years Ended December 31, 2022 and 2021

1. Description of Plan (Continued)

Vesting (Continued)

For all other participants, vesting in Employer matching or Employer non-elective contributions is based on credited years of service, as defined by the Plan, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or More	100%

Participant Accounts

Each participant's account is credited with their participant contributions, employer contributions, and earnings thereon. Contributions to the Plan are invested by the trustee as directed by the participants. Each participant may elect from one or more of the investment vehicles offered pursuant to the provisions of the Plan. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. For participants with multiple loans, the \$50,000 maximum loan amount is reduced by the highest loan balance during the past twelve months. The loans are secured by the balance in the participant's account. Loan terms range from 1 to 5 years, unless the loan is for the purchase of a primary residence, which has a maximum of 30 years. Loans bear interest at the prime rate as determined at the time the loan is approved ranging from 3.25% to 6.25%. Principal and interest are payable ratably through payroll deductions corresponding to the participant's regular weekly payroll. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document.

Forfeitures

The portion of a participant's account balance, which is not vested upon termination of employment, is forfeited and remains in the Plan. The Plan provides for terminated employees who resume employment within five years to have any forfeited amounts reinstated ("reinstatement period"), if the employee repays the full amount of the distribution attributable to vested Employer contributions prior to the end of the reinstatement period. Plan participants' forfeitures may be used to pay Plan expenses or to reduce the Company's Employer matching and non-elective contributions for the Plan year. Forfeitures of \$1,453 were applied in conjunction with the payment of Plan expenses for the year ended December 31, 2021. Amounts remaining in the forfeiture account as of December 31, 2022 and December 31, 2021 were \$30,840 and \$26,341, respectively.

E&T PLASTIC MANUFACTURING CO. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements
Years Ended December 31, 2022 and 2021

1. Description of Plan (Continued)

Payment of Benefits A participant's vested interest in his or her account balance is distributable generally upon attaining the age 59 1/2, termination, disability, retirement or death. Participants may withdraw from their individual accounts pursuant to specific guidelines as set forth in the Plan. Hardship withdrawals to participants are allowed upon meeting certain requirements as described in the Plan document.

2. Summary of Significant Accounting Policies

Basis of Accounting The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussions of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits Benefits are recorded when paid.

Notes to Financial Statements
Years Ended December 31, 2022 and 2021

2. Summary of Significant Accounting Policies (Continued)

Plan Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. Administrative expenses, including custodian fees and auditing fees, may be paid directly by the Company. If the Company does not pay Plan-related expenses, such fees or expenses will generally be allocated to the accounts of participants either proportionally based on the value of account balances or as an equal dollar amount based on the number of participants in the Plan. Fees related to the administration of notes receivable from participants and other transactions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in "Net appreciation (depreciation) in fair value of investments."

3. Investment Certification

The following is a summary of the investment information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedule, that was prepared by, or derived from, information provided by Reliance Trust Company, the trustee of the plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate.

4. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Valuation techniques used to measure fair value are defined as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

- *Mutual funds:* Stated at fair value based on quoted prices in an active market for each share held by the fund.
- *Common collective trust:* The fair value of the common collective trust is determined by the trustee of the common collective trust based on the underlying assets, which represents the net asset value ("NAV"). Participant-directed redemptions can be made on any business day and do not have a redemption notice period. There are no unfunded commitments.

E&T PLASTIC MANUFACTURING CO. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements
Years Ended December 31, 2022 and 2021

4. Fair Value Measurements (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at fair value as of December 31, 2022 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$14,269,108			\$14,269,108
Common collective trust, measured at net asset value (a)				930,265
Total Investments at Fair Value	<u>\$14,269,108</u>	<u></u>	<u></u>	<u>\$15,199,373</u>

Investments at fair value as of December 31, 2021 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$17,923,895			\$17,923,895
Common collective trust, measured at net asset value (a)				1,431,014
Total Investments at Fair Value	<u>\$17,923,895</u>	<u></u>	<u></u>	<u>\$19,354,909</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for plan benefits.

5. Related Party Transactions

JP Morgan Chase ("Chase"), the record keeper of the Plan, is a party-in-interest as defined by ERISA and transactions between the Plan and Chase qualify as party-in-interest transactions. The Plan Sponsor and Chase entered into an agreement, whereby, the costs of record keeping and administrative services (collectively referred to as "costs") provided to the Plan and its participants may be offset by the compensation paid to Chase from mutual fund fees and other compensation received by Chase as stipulated in the master service agreement. Any excess revenue over costs will be deposited into the Plan's ERISA Spending Account, which can be used to pay other expenses or be applied back to Plan participants. For the year ended December 31, 2022, the excess amount available to the Plan was \$15,672. Providers of administrative fees (i.e., accounting) paid by the Company are considered a party-in-interest as defined by ERISA.

Notes to Financial Statements
Years Ended December 31, 2022 and 2021

6. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for Plan benefits per the financial statements at December 31, 2022 and 2021 to Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for Plan benefits per the financial statements	\$15,606,472	\$19,769,852
Employee contributions receivable	(6,475)	(4,193)
Employer contributions receivable	(150,762)	(149,238)
Net Assets Available for Plan Benefits Per Form 5500	<u>\$15,449,235</u>	<u>\$19,616,421</u>

The following is a reconciliation of the net decrease in net assets available for Plan benefits per the financial statements for the year ended December 31, 2022 to Form 5500:

	<u>2022</u>
Net decrease in net assets available for benefits per the financial statements	(\$4,163,380)
Change in employee contributions receivable	(2,282)
Change in employer contributions receivable	(1,524)
Net Decrease in Net Assets Available for Benefits Per Form 5500	<u>(\$4,167,186)</u>

7. Plan Termination

The Company intends to continue the Plan indefinitely, but reserves the right to modify or discontinue the Plan at its discretion, subject to applicable provisions of ERISA. In such event, participants will become 100% vested.

8. Tax Status

On June 30, 2020, the Internal Revenue Service stated that the prototype plan adopted by the Plan, as then designed, qualifies under Section 401(a) of the IRC. The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

E&T PLASTIC MANUFACTURING CO.

401(K) PROFIT SHARING PLAN

Notes to Financial Statements
Years Ended December 31, 2022 and 2021

8. Tax Status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service ("IRS"). The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. During June 2023, the Internal Revenue Service commenced an audit of the Plan's Form 5500 for the year ended December 31, 2021, which is ongoing. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2019.

9. Risks and Uncertainties

The Plan's investments include mutual funds and a common collective trust that invest in various investment securities. Such securities are subject to various risks that affect the value of the funds. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these securities it is at least reasonably possible that the changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

10. Subsequent Events

Management evaluated subsequent events for the Plan through August 31, 2023 the date the financial statements were available to be issued.
