INDEPENDENT AUDITOR'S REPORT

Plan Trustees, Plan Administrator, and Plan Participants
Nazareth Home, Inc. 401(k) Plan
Louisville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Nazareth Home, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Nazareth Home, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Nazareth Home, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Nazareth Home, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Nazareth Home, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Nazareth Home, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2022 and the Schedule H, line 4a – schedule of delinquent participant contributions for the year ended December 31, 2022, are presented for the purpose of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NAZARETH HOME, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the Nazareth Home, Inc. (the Home) 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that contains a 401(k) provision and a profit sharing provision. Under the 401(k) and matching provisions of the Plan an employee is eligible to become a participant after completing two months of service. To be eligible to receive a profit sharing contribution, an employee must complete two months of service and be credited with at least 780 hours of service during the plan year. Pro re nata (PRN) employees are ineligible to participate in the Plan but can be reenrolled in the plan immediately if they were previously participating in the Plan as a full-time employee. The trustees are responsible for the oversight of the Plan and determine the appropriateness of the Plan's investment offerings and monitor the investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). On July 15, 2022, the Plan was amended to reflect the operational changes implemented on March 27, 2020 for the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act).

Contributions

Each year, participants may elect to contribute up to the maximum legal limit, as determined by the Internal Revenue Service (IRS), of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers one deposit administration contract and various publicly traded mutual fund options through Pooled Separate Account A with Standard Insurance Company. Effective September 1, 2022, the Plan was amended to allow Roth contributions.

The Home matches the employees' elective deferrals at a rate of 50% of each participant's first 6% of compensation contributed as an elective deferral for the plan year up to a maximum of 3% of compensation.

The Home determines, on an annual basis, the amount of profit sharing it will contribute for the plan year. The Home did not make a profit sharing contribution for the year ended December 31, 2022.

Contributions are subject to certain IRS limitations.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and the Home's discretionary matching contributions, as well as allocations of the Home's discretionary profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Home's discretionary matching contributions and discretionary profit sharing contributions plus actual earnings thereon is based on years of continuous service (1,000 hours). Upon death or total and permanent disability a participant becomes 100% vested. A participant is 100% vested after five years of credited service as described in the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	25%
3 years	50%
4 years	75%
5 years or more	100%

Upon termination, the amount of a participant's account not vested is forfeited.

Payment of Benefits

On termination of service a participant with a vested account balance greater than \$5,000 may elect to receive either a single lump-sum payment, substantially equal installments over a period of not more than the participant's assumed life expectancy, or partial withdrawals of at least \$1,000. Participants with a vested account balance that does not exceed \$5,000 will be distributed in a single lump-sum payment.

CARES Act Provisions

During 2020, the CARES Act allowed the Employer to temporarily provide expanded retirement plan options to employees who have been impacted by the COVID-19 pandemic. The Employer adopted the provisions related to coronavirus-related distributions. For the period March 27, 2020, through December 31, 2020, participants were eligible to receive a coronavirus-related distribution of up to \$100,000 from their vested account balance without a 10% early withdrawal penalty. Coronavirus-related distributions may be repaid within three years. These repayments will be treated as tax-free rollovers into the participant's account. Participants had to satisfy eligibility requirements to receive the coronavirus-related distribution.

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$7,934 and \$5,941, respectively. These accounts will be used to pay certain plan expenses or reallocated to reduce the Home's future employer contributions. During 2022, \$16,290 of accumulated forfeitures were used to pay for the Plan's administrative and investment advisory services.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions of \$10,247 and \$10,707 and related earnings (losses) of (\$986) and \$724 for the years ended December 31, 2022 and 2021, respectively. The Plan distributed the 2022 and 2021 excess contributions to the applicable participants prior to March 15th of the subsequent plan year.

Payment of Benefits

Benefit payments are recorded when paid. Under the rules for preparation of Form 5500, the Plan's Form 5500 will reflect an accrual for the amount to be paid to participants who withdrew from the Plan prior to year-end, and who had requested a distribution which was approved but not yet paid at year-end, if any. There were no unpaid distributions at December 31, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Home. Expenses that are paid by the Home are excluded from these financial statements. The Home does not intend to request a reimbursement from the Plan. Fees related to the administrations of distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net (depreciation) in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 15, 2023, the date the financial statements were available to be issued.

Note 3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2022 and 2021, and net (depreciation) in fair value of investments and interest for the year ended December 31, 2022, was obtained from information supplied to the plan administrator and certified as complete and accurate by Standard Insurance Company, the custodian of the Plan. The following table sets forth the certified information as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

	2022	2021
Investments, at fair value	\$6,100,661	\$7,339,090
Investments, at contract value	687,131	738,159
Investment income:		
Net (depreciation) in fair value of investments	(1,563,327)	
Interest	12,271	

Note 4. Fair Value Measurements

U.S. GAAP provides a framework for fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The methodology for measuring fair value specifies a three-tier hierarchy of valuation techniques based upon whether the inputs to those valuation techniques are based on quoted prices of identical assets or liabilities (Level 1), significant other observable inputs (Level 2), or significant other unobservable inputs that reflect the Plan's own assumptions of market participant valuation (Level 3).

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

All financial assets and liabilities as of December 31, 2022 and 2021, except for the deposit administration contract, are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Investments held with Standard Insurance Company are held in Pooled Separate Account A which invests in various publicly traded mutual funds and are recorded at unit value. Unit value is determined daily using publicly traded net asset value or share prices, adjusted for dividend rates and management fee rates. The management fee rates are considered a Level 2 input; therefore, the Plan has determined that the various publicly traded mutual funds held in Pooled Separate Account A are classified within Level 2 of the fair value hierarchy. There are no significant unfunded commitments or restrictions on redemptions related to these types of investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 5. Group Annuity Contract

Effective January 1, 2004, the Plan entered into a group annuity contract with Standard Insurance Company (Standard). Standard maintains the deposit administration contract contributions in a general account and the various publicly traded mutual funds contributions in a Pooled Separate Account A. The accounts are credited with earnings guaranteed under the contract on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the deposit administration contract meets the criteria to be considered fully-benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the deposit administration contract. The deposit administration contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Standard, represents contributions made under the contract, less participant withdrawals and administrative expenses, plus interest credited. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTES TO FINANCIAL STATEMENTS

Note 5. Group Annuity Contract (Continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the deposit administration contract at December 31, 2022 and 2021, was \$687,131 and \$738,159, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than zero percent. Such interest rates are reviewed on a monthly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) participant-initiated withdrawals or transfer requests directly or indirectly arising out of corporate acts such as spin-offs, divestitures, corporate relocations, layoffs, retirement incentive programs, partial or total plan terminations, or the liberalization of plan withdrawal or transfer rules; or (b) participant-directed transfers from the investment fund in the 90 days preceding the establishment of a competing investment fund; or (c) the termination of the investment fund. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants or the issuer are probable of occurring.

Certain events and circumstances would permit Standard to terminate the group annuity contract and settle at an amount different from the contract value. Such events and circumstances include the following: (a) the belief that the Contract-holder is not abiding by state and federal law; or (b) the Contract-holder has not rendered the performance necessary to comply with the terms of the Contract; or (c) the balance in all investment funds has fallen below \$25,000; or (d) the IRS disqualifies the Plan; or (e) the Plan has not been adopted within a reasonable period of time.

The terms of the group annuity contract provide for a withdrawal charge for early withdrawal. The charges are as follows:

<u>Contract Year</u>	<u>Penalty Percentage</u>
1	3%
2	2%
3 or 4	1%
5 or more	0%

Note 6. Related Party and Party in Interest Transactions

Parties-in-interest are defined by the Department of Labor regulations as a fiduciary of the Plan, any party rendering service to the Plan, the Home, and certain others.

Plan investments are held in a deposit administration contract and Pooled Separate Account A managed by Standard Insurance Company. Standard Retirement Services, Inc. is the third party administrator as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Investment advisory services are provided by Private Client Services LLC to both plan trustees and participants and also qualify as party-in-interest transactions. Fees paid by the Plan for distribution fees, administrative services, and investment advisory services amounted to \$19,317 for the year ended December 31, 2022.

Jones, Nale and Mattingly PLC is the independent auditor of the Plan. Fees are paid by the Home for auditing services and are excluded from these financial statements.

NOTES TO FINANCIAL STATEMENTS

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Home has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

Note 8. Tax Status

The Plan is based on a preapproved plan which received a favorable opinion letter from the IRS dated June 30, 2020, stating that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The plan administrator has not separately applied for a determination letter from the IRS. Although the Plan has been amended since receiving the approval letter, the Home's management and the plan administrator believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits, per the financial statements, to Form 5500 as of December 31, 2022 and 2021:

Note 11. Prohibited Transaction

During the year ended December 31, 2021, the Home failed to remit certain employee contributions totaling \$4,941 to the Plan within the period described by the Department of Labor (DOL). During 2022, the Home remitted lost earnings on those contributions to compensate affected participants.

Note 12. Plan Amendment

The Plan has implemented certain requirements by the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act). Written amendment to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
