REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
United Food and Commercial Workers
Local Union 1189 and St. Paul Food
Employers Defined Contribution Plan

Opinion

We have audited the financial statements of United Food and Commercial Workers Local Union 1189 and St. Paul Food Employers Defined Contribution Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of United Food and Commercial Workers Local Union 1189 and St. Paul Food Employers Defined Contribution Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**UNITED FOOD AND COMMERCIAL WORKERS
LOCAL UNION 1189 AND ST. PAUL FOOD
EMPLOYERS DEFINED CONTRIBUTION PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN

United Food and Commercial Workers Local Union 1189 and St. Paul Food Employers Defined Contribution Plan (the Plan) was established in 1999, as a result of collective bargaining agreements between the local union and various employers to provide benefits for eligible participants and their beneficiaries upon termination or retirement. The Plan is a multiemployer defined contribution retirement plan subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is administered by a joint board of trustees consisting of an equal number of union and employer representatives. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

The Plan offers both 401(a) (profit sharing) and 401(k) (salary deferral) components. The Plan covers all employees working for an employer under the provisions of a collective bargaining agreement and entitles both full-time and part-time employees to be eligible upon meeting certain requirements, as defined by the Plan.

Employer contributions to the Plan are made under various negotiated collective bargaining agreements. During the years ended December 31, 2022 and 2021, the hourly contribution rate ranged from \$.05 to \$2.09. Monthly contribution rates ranged from \$37.19 to \$272 for certain classifications of participants.

Each year, participants may contribute a percentage of pre-tax annual compensation, as defined by the Plan and subject to Internal Revenue Service limitations. Participants may also contribute amounts representing distributions from other qualified plans (rollover), provided certain requirements are satisfied.

Individual accounts are established for each of the Plan's participants to reflect employer and participant contributions, allocations of investment earnings or losses thereon and administrative expenses paid by the Plan. Allocations are based on participant earnings or losses, account balances or specific participant transactions, as defined. Fees charged per participant consist of the following: annual Plan administration fees of \$10 plus 0.03% basis point effective August 1, 2022, and \$10 plus 0.07% basis point prior to August 1, 2022, annual recordkeeping fees of \$49.92 and quarterly custodial fees which are ratably allocated to all participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Participants direct the investment of contributions into various investment options offered by the Plan. In the absence of participant direction, contributions are invested in a qualified default investment alternative until changed by the participant. Participants must evaluate their own investment goals and objectives and choose the funds best suited to achieve those goals and objectives. Poor investment performance by funds selected by the participants may cause their vested balance to be lower than the amounts contributed to the Plan on their behalf.

Under current provisions of the Plan, participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Vesting in the profit sharing portion of a participant's account plus actual earnings thereon is based on years of service. A year of service is defined as working at least 200 hours in a calendar year. If a participant has earned at least one hour of service prior to January 1, 2009, the following vesting schedule applies:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 3	0.00%
3	33.33%
4	66.66%
5 or more	100.00%

If a participant has earned at least one hour of service on or after January 1, 2009, the following vesting schedule applies:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
One or less	0%
2	25%
3	50%
4	75%
5 or more	100%

A participant's profit sharing balance is forfeited if terms of service do not reach certain time requirements. Forfeited balances are recorded at the time of distribution. Forfeitures are available to pay administrative expenses of the Plan. Forfeitures amounted to \$36,495 and \$59,698 for the years ended December 31, 2022 and 2021, respectively. Net assets available for benefits included approximately \$546,000 and \$1,784,000 of an unallocated reserve at December 31, 2022 and 2021, respectively, which is available to pay administrative costs incurred by the Plan. During the year ended December 31, 2022, the Trustees approved a \$1,436,702 dividend allocation, which was ratably allocated to all participants.

A participant may borrow from their 401(k) account a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their account balance. Loans are secured by the balance in the participant's account and bear interest at a rate set by the Board of Trustees. For the years ended December 31, 2022 and 2021, interest rates ranged from 4.25% to 8.25%. Principal and interest is repaid ratably through payroll deductions.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

A participant may elect to receive either a lump-sum, partial lump-sum, monthly, quarterly or annual installment distribution or a direct rollover to an IRA or other qualified retirement plan in an amount equal to the value of the participant's vested interest in their account upon termination of employment for at least 90 consecutive days within the trade and geographic jurisdiction of the local union, retirement on or after attaining age 55, death, or Plan termination. The Plan allows in-service withdrawals for participants who are age 65 or older and still work for a contributing employer. The Plan does not allow for hardship withdrawals.

Participants should refer to the summary plan description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

Investments - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Purchases and sales of investments are reflected on a trade-date basis.

Interest income is recorded on the accrual basis. Dividend income is recorded on the ex dividend date.

Contributions Receivable - Employer and participant contributions due and not paid at year end are recorded as contributions receivable. Contributions owed as a result of payroll compliance audits are recorded as income when collected. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are recorded as a distribution based upon the terms of the Plan.

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered work is performed, primarily based on the number of hours worked in covered employment and the contribution rates currently in effect, as set forth in the collective bargaining agreements. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 1 within a jurisdiction primarily located in St. Paul, Minnesota, and the surrounding metropolitan area.

Revenue Sharing - Revenue sharing income represents the portion of investment management fees that the investment manager has agreed to reimburse to help offset the cost of administrative services provided. Revenue sharing income received by the Plan is available to pay administrative expenses incurred by the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits - Benefits paid to participants are recorded upon distribution. No participants elected to withdraw from the Plan but were not paid at either December 31, 2022 or 2021.

Expenses - Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through September 6, 2023, which is the date the financial statements were available to be issued.

NOTE 3. TAX STATUS

The Plan's latest determination letter dated is January 21, 2016, in which the Internal Revenue Service stated that the Plan and related trust were designed in accordance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of participants and their beneficiaries except that provision may be used for the payment of necessary expenses resulting from termination of the Plan. In the event of Plan termination, participants would become fully vested in the profit sharing portion of their account. Net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted asset or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurements and unobservable

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

		<u>Fair Value Measurements at 12/31/22 Using</u>		
		<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>

Investments measured at net asset value:

Total	<u>\$ 164,722,275</u>			

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

		<u>Fair Value Measurements at 12/31/21 Using</u>		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	<u>Total</u>			
Mutual funds	\$ 204,811,894	\$ 204,811,894	\$ -	\$ -
Invested cash	<u>9,429</u>	<u>-</u>	<u>9,429</u>	<u>-</u>

Investments measured at net asset value:				
Common collective trust	<u>7,057,253</u>			
Total	<u>\$ 211,878,576</u>			

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

Level 2 Measurements

Invested cash is valued at cost, which approximates fair value.

Measurements Using Net Asset Value as a Practical Expedient

The common collective trust is valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The common collective trust is a direct filing entity (DFE) and files a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the significant strategies of DFE investments. Redemptions are available on a daily basis, but are limited to the contract value of the common collective trust and not the fair value.

Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

NOTE 6. CONCENTRATION OF PLAN INVESTMENTS

The Plan has a significant portion of its assets invested in Edgewood Growth Fund, a large growth mutual fund. This investment represented approximately 16% and 22% of the Plan's net assets available for benefits as of December 31, 2022 and 2021, respectively.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant directed fund elections. Additionally, the investments within each participant directed fund election are further diversified into varied financial statements. Investment decisions are made, and resulting risks are borne, exclusively by the Plan participant who made such decisions.

NOTE 7. MAJOR EMPLOYERS

Contributions from four employers accounted for approximately 92% of total contributions during each of the years ended December 31, 2022 and 2021. In the event these employers were to suspend contributions, the Plan would retain the risk of meeting current fixed administrative expenses until the appropriate adjustments were made.

NOTE 8. PARTICIPANT CONTRIBUTIONS

Employers withhold participants' contributions from their payroll and remit them to the Plan. During the years ended December 31, 2022 and 2021, certain contributions were remitted to the Plan after the 15th business day of the following month, which did not meet the timeliness requirements prescribed by DOL regulations and, therefore, constitute a prohibited transaction with a party-in-interest. During 2022 and 2021, employers failed to timely remit participant contributions totaling \$7,188 and \$6,717 respectively.

The Plan has a collection program that pursues legal action against delinquent employers. As part of its collection program, the Plan may collect contributions, liquidated damages, interest and attorney fees from delinquent employers.

NOTE 9. RELATED ORGANIZATIONS

The Plan is related to a health and welfare plan and a local union, both of which are tax-exempt.
