## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator  
Engendren Corporation 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Engendren Corporation 401(k) Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Engendren Corporation 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

---

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Method of accounting** - Engendren Corporation 401(k) Plan, ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

**Accounting estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

**Subsequent events** - The preparation of these financial statements includes the plan administrator's evaluation of the events and transactions occurring subsequent to December 31, 2022 through August 21, 2023, which is the date the financial statements were available to be issued.

**Risks and uncertainties** - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Key parties of the plan** - Engendren Corporation is the plan sponsor/employer and the plan administrator. MAP Retirement, Inc. is the third party administrator and performs various compliance tests as tax counsel. John Hancock Life Insurance Company (U.S.A.) ("John Hancock") is the investment agent that has custody of plan assets and maintains investment and participant records. Strategic Retirement Partners is the plan's investment advisor. One officer of the plan sponsor is the trustee.

**Investments** - The plan sponsor/employer determines the investments available to plan participants. The participants allocate their contributions and transfer existing balances among the available investment options. Participants should refer to the investment account summaries and prospectuses for more information.

At the end of each business day, John Hancock determines the fair value of the investments held in its sub-accounts and allocates the fair value to the participants. The net appreciation (depreciation) in the fair value of the John Hancock sub-accounts, including investments bought, sold or held during the years, is reflected in the statements of changes in net assets available for benefits.

**Fair value measurements** - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Following is a description of the valuation methodology used for investments measured at fair value.

**John Hancock sub-accounts** - The sub-accounts are valued at the net asset value ("NAV") as provided by John Hancock, which is generally based on the fair value of the underlying investments held by the sub-account less its liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the sub-account will sell the investment for an amount different than the reported NAV.

Notes to Financial Statements

December 31, 2022 and 2021

The plan administrator determines by level, within the fair value hierarchy, the plan's investments at fair value as set forth below.

## Investments at fair value as of December 31, 2022

|                                         | Level 1 | Level 2 | Level 3 | Total       |
|-----------------------------------------|---------|---------|---------|-------------|
| Investments in the fair value hierarchy | \$ -    | \$ -    | \$ -    | \$ -        |
| Investments measured at NAV (a)         |         |         |         | 5,697,957   |
| Total investments at fair value         |         |         |         | \$5,697,957 |

## Investments at fair value as of December 31, 2021

|                                         | Level 1 | Level 2 | Level 3 | Total       |
|-----------------------------------------|---------|---------|---------|-------------|
| Investments in the fair value hierarchy | \$ -    | \$ -    | \$ -    | \$ -        |
| Investments measured at NAV (a)         |         |         |         | 6,345,308   |
| Total investments at fair value         |         |         |         | \$6,345,308 |

- (a) In accordance with GAAP, certain investments that are measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the above table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using NAV as a practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the plan.

## 2. DESCRIPTION OF THE PLAN

The following description of the plan provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

**General** - The plan was established on January 1, 1992 as a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

**Eligibility** - The plan covers all employees who have completed 250 hours in a three month period and have reached age nineteen. An employee can enter the plan on the first day of the month following completion of eligibility requirements. Effective January 1, 2022, an employee can enter the plan immediately following completion of eligibility requirements.

**Contributions** - Contributions to the plan can be made as follows:

- a. Participants may contribute a percentage of their compensation subject to certain limitations (elective deferral contribution). The plan permits Roth elective deferrals. Effective January 1, 2022, new employees and eligible active participants who were without a deferral election are automatically enrolled in the plan and have 4% of compensation withheld as deferral contributions. Beginning in 2023, participant deferral percentages automatically increase by 1% each year thereafter until they reach a maximum of 10%. Such participants have the option to increase, decrease or stop the deferral by completing the necessary documentation.
- b. Rollover contributions are accepted by the plan from other qualified plans.
- c. Employer matching contributions may be made at the employer's discretion. The current employer matching program is equal to 50% of the first 6% of employee compensation contributed to the plan as elective deferral contributions, funded bi-weekly coinciding with the employer's payroll.
- d. A profit sharing contribution may be made at the employer's discretion. There were no profit sharing contributions in 2022 or 2021.

**Participant accounts** - Earnings, including the fair value appreciation (depreciation), are allocated to participant accounts on a daily basis based upon the performance of the investment options selected. Each participant's account is credited with the participant's elective deferral and rollover contributions and an allocation of the employer's contributions. Participants are allowed to change their investment options on a daily basis and change their deferral percentage monthly. Participants can stop making contributions at any time.

**Vesting** - Participants are always 100% vested in their elective deferral and rollover contributions and related earnings. Participants begin vesting in discretionary employer matching and profit sharing contributions and related earnings upon one year of service at which time they are 33% vested. The participant then vests at the rate of 33% for each year thereafter until year three when they are 100% vested. Effective January 1, 2022, participants begin vesting in discretionary employer matching and profit sharing contributions and related earnings upon two years of service, at which time they are 25% vested. The participant then vests at a rate of 25% for each year thereafter. Upon death, disability or early retirement participants become 100% vested.

## Engendren Corporation 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

---

**Payment of benefits** - Benefit payments may commence upon termination of employment, death, disability, attainment of normal retirement age (defined as 65) or early retirement age (defined as the later of 55 years of age or the 10<sup>th</sup> anniversary of an individual's participation in the plan). Participants generally receive their distribution in the form of a single lump sum payment. In-service withdrawals can commence upon attaining the age of 59 1/2. Effective January 1, 2022, hardships are permitted in certain circumstances.

**Administrative fees** - Certain administrative fees of the plan are paid by the employer. Certain other administrative fees are paid by the plan from plan assets and recorded as administrative expenses in the accompanying financial statements. Such expenses include participant directed charges for loan and distribution fees and nonparticipant directed charges for service, administrative and advisory fees. The nonparticipant directed charges are allocated to participants on an account value basis.

**Forfeitures** - Forfeited nonvested accounts, which are held in a noninterest-bearing cash account, are used to reduce employer contributions, pay plan fees or restore participant balances previously forfeited. There were no forfeitures used in 2022. There were \$4,000 of forfeitures used to reduce employer contributions 2021. Unapplied forfeitures were \$11,000 and \$3,000 as of December 31, 2022 and 2021.

**Notes receivable from participants** - Participants can take out loans against their accounts with the approval of the plan administrator. The minimum loan amount is \$1,000 and the maximum amount is the lesser of one-half of the participant's vested account balance, or \$50,000. The repayment term cannot exceed five years unless the loan is for the purchase of a primary residence. Participants may only have one loan outstanding at a time. As of December 31, 2022, the notes receivables from participants had various repayment schedules through April 2027 with interest rates ranging from 4.25% to 6.50%. The notes receivable from participants are valued at their unpaid principal balances plus any accrued but unpaid interest, which approximates fair value.

### 3. PARTY-IN-INTEREST TRANSACTIONS

The plan investments are managed by John Hancock. John Hancock is the investment agent as defined by the plan and, therefore, these transactions qualify as party-in-interest transactions. Direct fees paid to John Hancock by the plan were \$26,000 in 2022 and \$28,000 in 2021.

In addition, John Hancock provides certain administrative services to the plan pursuant to a services agreement between the plan sponsor and John Hancock. John Hancock receives revenue from mutual fund service providers for services John Hancock provides to the funds. This revenue is used to offset certain amounts that would otherwise be owed by the plan to John Hancock for its administrative services to the plan. If the revenue received by John Hancock from such service providers exceeds the amount owed under the services agreement, John Hancock remits the excess, in the form of service credits, to the plan on an annual basis. Such service credits are allocated to the accounts of the participants. There were no such service credits received by the plan in 2022 and 2021.

Activity related to notes receivable from participants also qualify as party-in-interest transactions.

All of the above party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

### 4. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the company has the right to terminate the plan subject to the provisions of ERISA and subsequent amendments. In the event of plan termination, participants would become 100% vested in their employer contributions and related earnings.

### 5. INCOME TAX STATUS

The plan adopted an FTWilliam pre-approved profit sharing plan. The pre-approved profit sharing plan received its most recent favorable opinion on June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination letter for the plan. However, the plan administrator and tax counsel believe the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) for any uncertain tax positions taken by the plan that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for such uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2022 and 2021. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.
