Independent Auditor's Report

To the Plan Administrator
Briggs and Stratton, LLC 401(k) Plan
Wauwatosa, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Briggs and Stratton, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Briggs and Stratton, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Briggs and Stratton, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Briggs and Stratton, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Briggs and Stratton, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Briggs and Stratton, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Briggs and Stratton, LLC 401(k) Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Briggs & Stratton, LLC 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Briggs & Stratton, LLC and its subsidiaries (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 ("ERISA"), as amended.

The Plan is administered by the Briggs & Stratton, LLC Retirement and Savings Plan Committee, which is appointed by the Board of Directors of the Company. Fidelity Management Trust Company ("Fidelity") is the Plan Trustee and record keeper.

Eligibility

Substantially all full-time domestic employees of the Company are eligible to participate in the Plan. Eligibility to participate in the Plan is subject to certain provisions based on covered groups. Employees become eligible to make contributions after they have completed 45 days of service following their date of hire.

The Plan also includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation with a 1% increase annually on the first day of each succeeding Plan year to a maximum of 9%.

Contributions

Participants may contribute a portion of their compensation, as defined in the Plan, subject to the limits established by the Internal Revenue Service ("IRS"). Participants may also contribute distributions from other qualified defined benefit or defined contribution plans ("rollovers").

Company matching contributions vary by covered group. All non-bargaining participants receive 100% of the first 2% of their contributions and 50% of the next 6% of their contributions to the Plan (not to exceed 4% of annual eligible compensation). All bargaining participants receive 100% of the first 3% of contributions and 50% of the next 5% of their contributions to the Plan (not to exceed 4% of annual eligible compensation). All participants are eligible to receive a Company matching true-up contribution. The Company matching true-up contribution is funded annually subsequent to the Plan year end.

Note 1: Description of Plan (Continued)

Contributions (Continued)

The Company also makes a non-elective contribution if a participant were an employee of the Company at any time during the Plan year. Company non-elective contributions vary by covered group. All non-bargaining participants receive a non-elective contribution of 3% of annual eligible compensation. All bargaining participants receive a non-elective contribution based upon the participant's age and years of service. The Company's non-elective contribution was \$7,523,376 during 2022.

Investment Options

Contributions are allocated among the available investment options as directed by each participant. By designating these investment alternatives for participants, allowing frequent fund transfers, and providing the necessary fund information to participants, it is intended that the Plan be treated as an ERISA 404(c) Participant-Directed Account Arrangement.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's matching contribution, (b) the Company's non-elective contribution and (c) Plan earnings (losses), which includes a charge for administrative expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

All participant, Company matching, and Company non-elective contributions, plus actual earnings (losses) thereon, vest immediately.

Payment of Benefits

Upon death, disability, retirement or termination of service, a participant may generally elect to receive either a lump-sum distribution, installments over a period of years, or defer the distribution to a later date. In certain circumstances, participants may qualify to receive a hardship distribution.

Administrative Expenses

The majority of administrative expenses of the Plan are paid by the Plan. Participant accounts are charged a flat fee quarterly and additional fees for notes receivable and certain distributions. Certain expenses are occasionally paid by the Company, which are excluded from these financial statements.

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Notes Receivable from Participants

At the discretion of the Plan Administrator, participants may borrow from their accounts a minimum of \$1,000 and a maximum of \$15,000 of their account balance, not to exceed 50% of their vested balance. The participant may only have one note outstanding at any one time. The notes are secured by the balance in the participant's account and bear interest at a rate determined by the Plan Administrator, which are commensurate with prevailing market rates. The Plan Administrator determines the term of participant notes made for the purpose of acquiring a primary residence, which may be up to 20 years and a maximum of \$50,000. The term of other participant notes is five years or less. Principal and interest are paid through monthly payroll deductions. Interest rates on the notes range from 4.25% to 8.00%, depending on when the note was issued.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

GAAP has established a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include Level 1, defined as observable inputs such as quoted market prices in active markets; Level 2, defined as inputs other than quoted market prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore, requiring an entity to develop its own assumptions. The asset's or liability's fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Note 2: Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make note repayments and the Plan Administrator deems the participant to be in default, the participant note balance is reduced and the benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through September 12, 2023, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

The following is a description of the valuation methodologies used for investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual funds: Valued at the daily closing price as reported by the mutual fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common commingled trust ("CCT"): The fair value of CCT represents the NAV of the fund shares. NAV is based on the value of underlying assets owned by the funds minus liabilities, and then divided by the number of shares outstanding as determined by the Trustee. The net asset value per share of the CCT is not publicly quoted and the values are not dependent on the input of significant judgment or assumptions by management. The primary investment objectives are to provide preservation of principal, maintain a stable interest rate, and provide daily liquidity at contract value for participant withdrawals and transfers. Under the trust agreement, the Plan must give the Trustee 24 months notice of intent to redeem all or a portion of its participation in the trust. After 24 months notice is given, units may be redeemed at any time upon 10 business days notice at the lesser of market value or the contract value of the redeemed units.

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 171,778,755	\$ -	\$ -	\$ 171,778,755
CCT measured at NAV (a)				6,482,474
Total investment assets at fair value	\$ 171,778,755	\$ -	\$ -	\$ 178,261,229

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 195,992,651	\$ -	\$ -	\$ 195,992,651
CCT measured at NAV (a)				5,096,096
Total investment assets at fair value	\$ 195,992,651	\$ -	\$ -	\$ 201,088,747

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value.

Note 4: Tax Status

The Plan has applied for a favorable determination letter from the IRS, asking for determination that the Plan is designed in accordance with the applicable requirements of the IRC. The Plan has been amended since applying for a favorable determination letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 5: Party-In-Interest Transactions

The Plan invests in several mutual funds managed by affiliates of Fidelity. Transactions related to these mutual funds and notes receivable from participants are considered party-in-interest transactions. These transactions are not, however, considered prohibited transactions under ERISA regulations.

Notes to Financial Statements

Note 6: Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and disclosure under ERISA. Certified information related to the Plan's investments disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest, and dividends for the year then ended December 31, 2022, was obtained or derived from information certified as complete and accurate by Fidelity.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan document to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA.

Note 8: Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the Plan's financial statements in the near term.
