### Report on the Audit of the Financial Statements

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of Whatcom Educational Credit Union Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Whatcom Educational Credit Union Retirement Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Whatcom Educational Credit Union Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Whatcom Educational Credit Union Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Investment Committee and Plan Administrators  
Whatcom Educational Credit Union Retirement Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Whatcom Educational Credit Union Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Whatcom Educational Credit Union Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter— Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. **WHATCOM EDUCATIONAL CREDIT UNION RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 1 DESCRIPTION OF PLAN**

The Whatcom Educational Credit Union Retirement Plan (the Plan) was established on April 1, 1997. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering substantially all employees of Whatcom Educational Credit Union (the Credit Union). The Plan has been amended throughout the years to comply with tax legislation and most recently restated effective January 1, 2018. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended. The Investment Committee and Plan administrators are responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

**Eligibility**

All regular employees who have attained an age of 18 years to be eligible to participate in the Plan beginning the first day of the month following their hire date.

**Contributions**

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) or Roth contributions to the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, and their contributions invested in the designated default fund until changed by the participant. The Plan also contains an automatic increase provision, whereby the participant's deferral percentage is increased 1% annually until a deferral rate of 6% is reached.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan Sponsor made nonelective contributions of 8% of eligible compensation for employees hired before January 1, 2021 and 5% for eligible compensation for employees hired after January 1, 2021 and safe harbor employer contributions of 3% of eligible compensation for the years ended December 31, 2022 and 2021.

Participants may also contribute rollover amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Participant Accounts**

Each participant's account is credited with the participant's contributions, Employer nonelective contributions, and allocation of the Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account subject to Plan provisions.

**Vesting**

Participants are immediately vested in their voluntary contributions and the Credit Union's safe harbor contributions, plus actual earnings (losses) thereon. Participants must complete 1,000 hours of service during a vesting computation period in order to receive credit for one year of service. Participants are 100% vested in all accounts upon reaching normal retirement age, death, or disability. Vesting in employer nonelective contributions is based on years of continuous service.

| <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| Less than 2             | 0%                       |
| 2                       | 20                       |
| 3                       | 40                       |
| 4                       | 60                       |
| 5                       | 80                       |
| 6                       | 100                      |

**Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer between the investment fund and the participant loan fund. Loan terms may range from one to five years or longer if used to purchase the primary residence of the participant. The loans are secured by the balance in the participant's account and bear interest at rates that range from 5.25% to 7.5% which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through periodic payroll deductions.

**Payment of Benefits**

Upon termination of employment or retirement from the Plan Sponsor, a participant will receive an amount equal to the vested value of his or her account. The participant may elect to receive a distribution in the form of an annuity, a single sum cash payment, or a combination of the above. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent.

**DECEMBER 31, 2022 AND 2021**

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Forfeitures Accounts**

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures will be used to reduce the Credit Union's contributions to the Plan and then are used to reduce the Credit Union's administrative expenses to the Plan.

At December 31, 2022 and 2021, forfeitures of \$192,656 and \$274,997, respectively, were available to offset future Employer contributions. For the years ended December 31, 2022 and 2021, forfeitures of \$289,126 and \$48,878, respectively, were utilized to offset Credit Union contributions.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting.

**Use of Estimates in Preparing Financial Statements**

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make a number of estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**WHATCOM EDUCATIONAL CREDIT UNION RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make note repayments and the Plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain of the Plan's administrative expenses are paid by the Credit Union and excluded from these financial statements. Certain recordkeeping expenses are paid by the Plan. Additionally, fees related to the administration of notes receivable from participants are charged directly to the participant's account and included in administrative expenses.

**Subsequent Events**

The Plan has evaluated subsequent events through August 17, 2023, the date the financial statements were available to be issued.

**NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management and Trust Company (Fidelity), the trustee of the Plan has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net (depreciation) appreciation in fair value of investments, dividends, interest, and interest income from notes receivable from participants reflected on the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- Investments reflected on the schedule of assets (held at end of year).

**WHATCOM EDUCATIONAL CREDIT UNION RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 4 FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual Funds and Money Market Fund:* Valued at the net asset value (NAV) of shares held by the Plan at year-end. These funds are required to publish their daily NAV and to transact at that price. The mutual and money market funds held by the Plan are deemed to be actively traded.

*Collective Fund:* Valued at the NAV of units of a trust company collective trust and is valued daily. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

*Stable Value Fund:* Valued at the NAV of units of a trust company collective trust and is valued daily. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

**NOTE 5 TAX STATUS**

The Plan is placing reliance on an opinion letter dated June 30, 2020, received from the IRS on the prototype plan indicating that the Plan is qualified under section 401 of the IRC and is exempt from federal income tax. The prototype plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt as of December 31, 2022 and 2021.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 6 PLAN TERMINATION**

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Credit Union may determine.

**DECEMBER 31, 2022 AND 2021**

**NOTE 7 PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net (depreciation) appreciation in fair value of the investments. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The Plan submits an Annual Report/Return of Employee Benefit Plan (Form 5500) to the IRS. The Plan uses the accrual basis of accounting in preparation of the accompanying financial statements. However, Form 5500 is prepared under the cash basis of accounting.

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

**NOTE 9 RISKS AND UNCERTAINTIES**

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks; such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### Report on the Audit of the Financial Statements

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of Whatcom Educational Credit Union Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Whatcom Educational Credit Union Retirement Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Whatcom Educational Credit Union Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Whatcom Educational Credit Union Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Investment Committee and Plan Administrators  
Whatcom Educational Credit Union Retirement Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Whatcom Educational Credit Union Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Whatcom Educational Credit Union Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter— Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Investment Committee and Plan Administrators  
Whatcom Educational Credit Union Retirement Plan

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**DECEMBER 31, 2022 AND 2021**

**NOTE 1 DESCRIPTION OF PLAN**

The Whatcom Educational Credit Union Retirement Plan (the Plan) was established on April 1, 1997. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering substantially all employees of Whatcom Educational Credit Union (the Credit Union). The Plan has been amended throughout the years to comply with tax legislation and most recently restated effective January 1, 2018. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended. The Investment Committee and Plan administrators are responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

**Eligibility**

All regular employees who have attained an age of 18 years to be eligible to participate in the Plan beginning the first day of the month following their hire date.

**Contributions**

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) or Roth contributions to the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, and their contributions invested in the designated default fund until changed by the participant. The Plan also contains an automatic increase provision, whereby the participant's deferral percentage is increased 1% annually until a deferral rate of 6% is reached.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan Sponsor made nonelective contributions of 8% of eligible compensation for employees hired before January 1, 2021 and 5% for eligible compensation for employees hired after January 1, 2021 and safe harbor employer contributions of 3% of eligible compensation for the years ended December 31, 2022 and 2021.

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Participant Accounts**

Each participant's account is credited with the participant's contributions, Employer nonelective contributions, and allocation of the Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account subject to Plan provisions.

**Vesting**

Participants are immediately vested in their voluntary contributions and the Credit Union's safe harbor contributions, plus actual earnings (losses) thereon. Participants must complete 1,000 hours of service during a vesting computation period in order to receive credit for one year of service. | <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| Less than 2             | 0%                       |

| 6                       | 100                      |

**Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer between the investment fund and the participant loan fund. Loan terms may range from one to five years or longer if used to purchase the primary residence of the participant. The loans are secured by the balance in the participant's account and bear interest at rates that range from 5.25% to 7.5% which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through periodic payroll deductions.

**Payment of Benefits**

Upon termination of employment or retirement from the Plan Sponsor, a participant will receive an amount equal to the vested value of his or her account. The participant may elect to receive a distribution in the form of an annuity, a single sum cash payment, or a combination of the above. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent.

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Forfeitures Accounts**

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures will be used to reduce the Credit Union's contributions to the Plan and then are used to reduce the Credit Union's administrative expenses to the Plan.

At December 31, 2022 and 2021, forfeitures of \$192,656 and \$274,997, respectively, were available to offset future Employer contributions. For the years ended December 31, 2022 and 2021, forfeitures of \$289,126 and \$48,878, respectively, were utilized to offset Credit Union contributions.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting.

**Use of Estimates in Preparing Financial Statements**

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make a number of estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**WHATCOM EDUCATIONAL CREDIT UNION RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make note repayments and the Plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain of the Plan's administrative expenses are paid by the Credit Union and excluded from these financial statements. Certain recordkeeping expenses are paid by the Plan. Additionally, fees related to the administration of notes receivable from participants are charged directly to the participant's account and included in administrative expenses.

**Subsequent Events**

The Plan has evaluated subsequent events through August 17, 2023, the date the financial statements were available to be issued.

**NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management and Trust Company (Fidelity), the trustee of the Plan has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net (depreciation) appreciation in fair value of investments, dividends, interest, and interest income from notes receivable from participants reflected on the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- Investments reflected on the schedule of assets (held at end of year).

**NOTE 4 FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual Funds and Money Market Fund:* Valued at the net asset value (NAV) of shares held by the Plan at year-end. These funds are required to publish their daily NAV and to transact at that price. The mutual and money market funds held by the Plan are deemed to be actively traded.

*Collective Fund:* Valued at the NAV of units of a trust company collective trust and is valued daily. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

*Stable Value Fund:* Valued at the NAV of units of a trust company collective trust and is valued daily. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

**NOTE 5 TAX STATUS**

The Plan is placing reliance on an opinion letter dated June 30, 2020, received from the IRS on the prototype plan indicating that the Plan is qualified under section 401 of the IRC and is exempt from federal income tax. The prototype plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt as of December 31, 2022 and 2021.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 6 PLAN TERMINATION**

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Credit Union may determine.

**NOTE 7 PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net (depreciation) appreciation in fair value of the investments. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The Plan submits an Annual Report/Return of Employee Benefit Plan (Form 5500) to the IRS. The Plan uses the accrual basis of accounting in preparation of the accompanying financial statements. However, Form 5500 is prepared under the cash basis of accounting.

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

**NOTE 9 RISKS AND UNCERTAINTIES**

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks; such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
