INDEPENDENT AUDITOR'S REPORT

To the Trustees of
United Initiators, Inc. 401(k) Plan
555 Garden Street
Elyria, Ohio 44035

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of United Initiators LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the United Initiators LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Initiators LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Initiators LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Initiators LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Initiators LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNITED INITIATORS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1: DESCRIPTION OF PLAN

The following brief description of the United Initiators, Inc. (the Company / Employer) 401(k) Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan covering all full-time (excluding interns, part-time and temporary employees), nonunion, employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act ("ERISA").

Plan Amendments

The Plan was originally effective September 1, 2008 and was restated effective June 30, 2020. Effective June 30, 2020, the Plan was amended for miscellaneous administrative and definition provisions.

Contributions

Contributions, as defined in the Plan document, consist of that portion of participant contributions which are matched by the Company, and that portion of participant contributions which are not matched by the Company. Contributions by the Company vest in the participant's accounts in accordance with the terms of the Plan. Contributions of the participants are credited to the respective Funds in the manner elected by the participants and provided by the Plan.

Each year, participants may contribute up to 92 percent of their eligible compensation, as defined in the Plan, subject to certain Internal Revenue Code ("IRC") limitations. Highly Compensated Employees may face other additional limitations. Participants who were age 50 or older during the Plan year were permitted to make additional catch-up contributions in excess of the regular IRC limitations. Subject to the approval of the Plan Administrator, participants may also rollover into the Plan, amounts representing distributions from other plans. Roth 401(k) contributions are also permitted.

The Company may make discretionary matching contributions based upon a percentage of the participant's eligible contribution and, in addition, may decide to make a discretionary *nonelective* (profit sharing) contribution.

Employer matching contributions to the Plan for 2022 and **2021** were \$349,159 and \$346,659, respectively. Employer profit sharing contributions to the Plan for 2022 and 2021 were \$190,805 and \$179,268, respectively. The safe harbor contributions were \$382,184 and \$328,822 for 2022 and 2021, respectively.

Participant Accounts

Participants are provided a selection of investments in which to invest contributions; and may, subject to established procedures, direct their investments in specific investments permitted by the Plan. Earnings are credited to each participant's account based upon the performance of the respective investments selected by the participant. Each investment account is revalued daily based, in part, on the net asset value reported by the financial institutions, and accounts are adjusted accordingly. Employer contributions to the Plan are allocated to participant accounts as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

UNITED INITIATORS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1: DESCRIPTION OF PLAN (CONTINUED)

Vesting

A participant is vested immediately in his / her salary reduction contribution or rollover contribution plus the actual earnings thereon.

Upon retirement, disability, or death, a participant (or beneficiary of the participant) is paid their entire vested account balance in the Plan. In a distribution for any other reason, a participant receives the portion of their account attributed to employer contributions and earnings thereon, in accordance with the following schedule:

Matching contributions become fully vested upon the participant's completion of two years of service in accordance with the vesting schedule. A participant becomes fully vested in the employer nonelective contributions based upon a 3 year cliff vesting schedule.

Participants of predecessor employers may be subject to a different vesting schedule depending on their hire date.

Upon termination, any amount not distributed because a participant is less than 100% vested, is forfeited.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the variety of investment options.

Notes Receivable from Participants

Participants may borrow from their Plan account a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans shall bear a reasonable rate of interest; be adequately secured; and provide for repayments over a reasonable period of time, generally 5 years. The loans are repaid, principal and interest, through payroll deductions.

As of December 31, 2022 **and 2021**, the Plan had outstanding loans to participants with principal balances totaling \$472,984 and \$453,588, respectively.

Payment of Benefits, Withdrawals

Participants are entitled to receive a distribution of the vested portion of their account upon reaching age 59½, termination of employment, disability, death or in the event of financial hardship. Participants may receive the value of his or her account as a lump sum distribution.

Forfeited Accounts

Forfeitures are allocated and used in the year in which the forfeitures occur. At December 31, 2022 and 2021, forfeited accounts totaled \$10,391.76 and \$17,934, respectively. Forfeitures may be used to pay administrative expenses, if so directed by the employer, or applied to reduce the contributions of the employer. Forfeitures of \$7,789 and \$25,170 were applied to fund the 2022 and 2021 employer contributions, respectively.

UNITED INITIATORS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America, except for distributions paid to participants which are recognized on a cash basis.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

In accordance with the policy of stating investments at fair market value, net appreciation as reflected in the statement of changes in net assets available for Plan benefits represents realized and unrealized gains (losses) for investments bought, sold and held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the Plan record keeping are included in administrative expenses. The administration of participant loans / notes is charged directly to the participants' account.

Subsequent Events:

Subsequent events have been evaluated through September 19, 2023, which is the date that these financial statements were available to be issued.

Note 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

UNITED INITIATORS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 4: FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Common Collective Trusts – Valued at the net asset value (NAV) of the units held by the plan at year end based upon the underlying value of the separately managed fund. The NAV is used as a practical expedient to estimate fair value.

Money Market Account Funds – Valued at the daily closing price as reported by the fund. Money market account funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. These funds held by the Plan are deemed to be actively traded.

Common Stock – Valued at the daily closing price as reported on the active market on which the individual securities are traded.

Registered Investment Companies– Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

Note 5: PLAN ADMINISTRATION COSTS

The Company may elect to pay some of the Plan's administrative costs and not seek reimbursement from the Plan. The Plan did pay certain investment and custodian fees of \$46,003 and \$49,273, in 2022 and 2021, respectively.

Note 6: RELATED PARTY TRANSACTIONS

The Plan invests in investments managed by Fidelity Investments and related companies. Fidelity Management Trust Company acts as trustee for those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

Note 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all contributions will be discontinued and all Plan participants will become fully vested in their accounts.

Note 8: TAX STATUS

The Plan has adopted a volume submitter plan sponsored by Fidelity, qualified with the Internal Revenue Service in accordance with a determination letter dated June 30, 2021. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. The Plan administrator has reviewed and evaluated its tax positions taken in its previously filed annual reports and returns with the Internal Revenue Service and or Department of Labor, and those expected to be filed in the future, and has concluded that in the event of an examination by regulatory authorities, the Plan's positions would more likely than not prevail based upon the technical merit of such positions. Therefore the Plan has concluded that no further benefits or liabilities are required to be recognized or disclosed in the financial statements. The Plan is generally subject to routine audits by the Internal Revenue Service (IRS) and / or the Department of Labor; however, there currently are no audits for any period in progress.

Note 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

INDEPENDENT AUDITOR'S REPORT

To the Trustees of
United Initiators, Inc. 401(k) Plan
555 Garden Street
Elyria, Ohio 44035

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of United Initiators LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the United Initiators LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Initiators LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Initiators LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Initiators LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Initiators LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNITED INITIATORS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1: DESCRIPTION OF PLAN

The following brief description of the United Initiators, Inc. (the Company / Employer) 401(k) Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan covering all full-time (excluding interns, part-time and temporary employees), nonunion, employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act ("ERISA").

Plan Amendments

The Plan was originally effective September 1, 2008 and was restated effective June 30, 2020. Effective June 30, 2020, the Plan was amended for miscellaneous administrative and definition provisions.

Contributions

Contributions, as defined in the Plan document, consist of that portion of participant contributions which are matched by the Company, and that portion of participant contributions which are not matched by the Company. Contributions by the Company vest in the participant's accounts in accordance with the terms of the Plan. Contributions of the participants are credited to the respective Funds in the manner elected by the participants and provided by the Plan.

Each year, participants may contribute up to 92 percent of their eligible compensation, as defined in the Plan, subject to certain Internal Revenue Code ("IRC") limitations. Highly Compensated Employees may face other additional limitations. Participants who were age 50 or older during the Plan year were permitted to make additional catch-up contributions in excess of the regular IRC limitations. Subject to the approval of the Plan Administrator, participants may also rollover into the Plan, amounts representing distributions from other plans. Roth 401(k) contributions are also permitted.

The Company may make discretionary matching contributions based upon a percentage of the participant's eligible contribution and, in addition, may decide to make a discretionary *nonelective* (profit sharing) contribution.

Employer matching contributions to the Plan for 2022 and **2021** were \$349,159 and \$346,659, respectively. Employer profit sharing contributions to the Plan for 2022 and 2021 were \$190,805 and \$179,268, respectively. The safe harbor contributions were \$382,184 and \$328,822 for 2022 and 2021, respectively.

Participant Accounts

Participants are provided a selection of investments in which to invest contributions; and may, subject to established procedures, direct their investments in specific investments permitted by the Plan. Earnings are credited to each participant's account based upon the performance of the respective investments selected by the participant. Each investment account is revalued daily based, in part, on the net asset value reported by the financial institutions, and accounts are adjusted accordingly. Employer contributions to the Plan are allocated to participant accounts as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

UNITED INITIATORS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1: DESCRIPTION OF PLAN (CONTINUED)

Vesting

A participant is vested immediately in his / her salary reduction contribution or rollover contribution plus the actual earnings thereon.

Upon retirement, disability, or death, a participant (or beneficiary of the participant) is paid their entire vested account balance in the Plan. In a distribution for any other reason, a participant receives the portion of their account attributed to employer contributions and earnings thereon, in accordance with the following schedule:

Matching contributions become fully vested upon the participant's completion of two years of service in accordance with the vesting schedule. A participant becomes fully vested in the employer nonelective contributions based upon a 3 year cliff vesting schedule.

Participants of predecessor employers may be subject to a different vesting schedule depending on their hire date.

Upon termination, any amount not distributed because a participant is less than 100% vested, is forfeited.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the variety of investment options.

Notes Receivable from Participants

Participants may borrow from their Plan account a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans shall bear a reasonable rate of interest; be adequately secured; and provide for repayments over a reasonable period of time, generally 5 years. The loans are repaid, principal and interest, through payroll deductions.

As of December 31, 2022 **and 2021**, the Plan had outstanding loans to participants with principal balances totaling \$472,984 and \$453,588, respectively.

Payment of Benefits, Withdrawals

Participants are entitled to receive a distribution of the vested portion of their account upon reaching age 59½, termination of employment, disability, death or in the event of financial hardship. Participants may receive the value of his or her account as a lump sum distribution.

Forfeited Accounts

Forfeitures are allocated and used in the year in which the forfeitures occur. At December 31, 2022 and 2021, forfeited accounts totaled \$10,391.76 and \$17,934, respectively. Forfeitures may be used to pay administrative expenses, if so directed by the employer, or applied to reduce the contributions of the employer. Forfeitures of \$7,789 and \$25,170 were applied to fund the 2022 and 2021 employer contributions, respectively.

UNITED INITIATORS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America, except for distributions paid to participants which are recognized on a cash basis.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

In accordance with the policy of stating investments at fair market value, net appreciation as reflected in the statement of changes in net assets available for Plan benefits represents realized and unrealized gains (losses) for investments bought, sold and held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the Plan record keeping are included in administrative expenses. The administration of participant loans / notes is charged directly to the participants' account.

Subsequent Events:

Subsequent events have been evaluated through September 19, 2023, which is the date that these financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

Note 3: INVESTMENTS, NOTES RECEIVABLE AND CERTIFICATION

The Plan's investments and notes receivable were held by a trust company, Fidelity Management Trust Company (Fidelity) for the years ended December 31, 2022 and 2021 and are certified to as complete and accurate by the trustee. The following table presents investments and notes receivable:

The following is a summary of the trustee information as of December 31:

Note 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

UNITED INITIATORS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 4: FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Common Collective Trusts – Valued at the net asset value (NAV) of the units held by the plan at year end based upon the underlying value of the separately managed fund. The NAV is used as a practical expedient to estimate fair value.

Money Market Account Funds – Valued at the daily closing price as reported by the fund. Money market account funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. These funds held by the Plan are deemed to be actively traded.

Common Stock – Valued at the daily closing price as reported on the active market on which the individual securities are traded.

Registered Investment Companies– Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

Note 5: PLAN ADMINISTRATION COSTS

The Company may elect to pay some of the Plan's administrative costs and not seek reimbursement from the Plan. The Plan did pay certain investment and custodian fees of \$46,003 and \$49,273, in 2022 and 2021, respectively.

Note 6: RELATED PARTY TRANSACTIONS

The Plan invests in investments managed by Fidelity Investments and related companies. Fidelity Management Trust Company acts as trustee for those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

Note 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all contributions will be discontinued and all Plan participants will become fully vested in their accounts.

Note 8: TAX STATUS

The Plan has adopted a volume submitter plan sponsored by Fidelity, qualified with the Internal Revenue Service in accordance with a determination letter dated June 30, 2021. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. The Plan administrator has reviewed and evaluated its tax positions taken in its previously filed annual reports and returns with the Internal Revenue Service and or Department of Labor, and those expected to be filed in the future, and has concluded that in the event of an examination by regulatory authorities, the Plan's positions would more likely than not prevail based upon the technical merit of such positions. Therefore the Plan has concluded that no further benefits or liabilities are required to be recognized or disclosed in the financial statements. The Plan is generally subject to routine audits by the Internal Revenue Service (IRS) and / or the Department of Labor; however, there currently are no audits for any period in progress.

Note 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
