Cooper Tire & Rubber Company
Pre-Tax Savings Plan (Texarkana)

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Cooper Tire & Rubber Company Pre-Tax Savings Plan (Texarkana), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Cooper Tire & Rubber Company Pre-Tax Savings Plan's (Texarkana) 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Cooper Tire & Rubber Company Pre-Tax Savings Plan (Texarkana) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Cooper Tire & Rubber Company Pre-Tax Savings Plan's (Texarkana) ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Cooper Tire & Rubber Company Pre-Tax Savings Plan's (Texarkana) internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Cooper Tire & Rubber Company Pre-Tax Savings Plan's (Texarkana) ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

The 2021 financial statements of the Cooper Tire & Rubber Company Pre-Tax Savings Plan (Texarkana) were audited by Gilmore Jasion Mahler, LTD whose members and professional staff joined CliftonLarsonAllen LLP as of January 1, 2023, and has subsequently ceased operations. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 6, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Cooper Tire & Rubber Company
Pre-Tax Savings Plan (Texarkana)

Notes to Financial Statements

December 31, 2022 and 2021

1. Description of Plan

The following description of the Cooper Tire & Rubber Company Pre-Tax Savings Plan (Texarkana) (the “Plan”) provides only general information. Participants should refer to the Plan agreements and summary plan description for a more complete description of the Plan’s provisions.

General

The Plan, as restated and amended on January 1, 2015, is a defined contribution plan covering all hourly employees who have completed 30 days of continuous credited service and are covered by the collective bargaining agreement between the United Steelworkers of America Local #752 and Cooper Tire & Rubber Company LLC (the “Company” or the “Plan Sponsor”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Effective June 7, 2021, the Plan Sponsor was acquired by The Goodyear Tire & Rubber Company (“Goodyear Acquisition”). As of the date the financial statements were available to be issued, Cooper Tire & Rubber Company LLC remains the Plan Sponsor.

The Plan automatically enrolls newly eligible participants into the Plan using the 3% deferral rate. Participants are automatically enrolled into the default Principal Lifetime fund that relates most closely to the participant’s expected year of retirement. Participants can elect to opt out of automatic enrollment.

The Plan has established a trust agreement with Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (the “Trustee”) to act as trustee and recordkeeper of the Plan’s assets (see Note 8). The Trustee administers and invests the Plan’s assets and income for the benefit of the Plan’s participants. The Administrative Committee is responsible for the overall administration of the Plan.

Notes to Financial Statements (continued)

December 31, 2022 and 2021

1. Description of Plan (continued)

Plan Amendments

The Plan has implemented certain requirements from the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the “SECURE Act”), which laws require the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

Contributions

Each year, participants may contribute up to 75% of their pretax compensation into the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may direct their contributions to any of the Plan’s investment fund options.

The Company makes Restricted Access Company Contributions, for employees hired on and after February 1, 2012, in an amount equal to 3% of compensation for the payroll period for each person who is an active participant on the last day of that period. The Company made Restricted Access Company Contributions of \$1,682,324 for the year ended December 31, 2022. All contributions are subject to certain limitations of the Internal Revenue Code (the “Code”).

Effective March 3, 2014, the Plan no longer offered Cooper Tire & Rubber Company stock as an investment option. Existing investments in Company stock can remain in that option, but no further investments are allowed, including the transfer of funds from other investment options into Company stock as of March 3, 2014 (see Note 8). As a result of the Goodyear Acquisition, all shares of Cooper Tire & Rubber Company stock in the Plan were exchanged for shares of The Goodyear Tire & Rubber Company at the exchange ratio specified in the Agreement and Plan of Merger dated as of February 22, 2021.

Vesting

The participants are immediately vested in their contributions plus actual earnings thereon. Participants are 100% vested in the Company’s Restricted Access Company Contributions as soon as the Company makes the contribution.

Notes to Financial Statements (continued)

December 31, 2022 and 2021

1. Description of Plan (continued)

Participant Accounts

Individual accounts are maintained for each participant in the Plan. Each participant's account is credited with the participant's contributions, their allocation of the Company's contributions and plan earnings. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Under the Plan, participants may borrow 50% of the vested value of their account balance, excluding the participants' balance resulting from Restricted Access Company Contributions, or up to \$50,000. The notes receivable repayment schedule can be no longer than 60 months. A participant may not have more than one note receivable outstanding at any point in time. Principal and interest are paid ratably through payroll deductions. The interest rate is established based on the prime rate. Interest rates as of December 31, 2022 range from 3.25% to 7.50%. If a participant terminates employment with the Company, the notes receivable is automatically treated as a taxable distribution to the participant.

Pursuant to the CARES Act, Plan participants could request a delay of note repayments for repayments that occurred between March 27, 2020 and December 31, 2020 for one year. The participant's note was re-amortized and includes any interest accrued during the period of delay.

Participant Withdrawals

In the event of retirement, death, termination, permanent disability, or other separation from service, participants are entitled to receive an amount equal to the value of the vested interest in their accounts. Payments of benefits are taken in a lump-sum distribution. Under the Plan agreements, the participants who are entitled to a benefit for the reasons outlined above will have their vested balance automatically distributed if their vested balance is less than \$1,000 and rolled over to an IRA account administered by the Trustee if their vested balance is greater than \$1,000, but less than \$5,000.

Cooper Tire & Rubber Company
Pre-Tax Savings Plan (Texarkana)

Notes to Financial Statements (continued)

December 31, 2022 and 2021

1. Description of Plan (continued)

In the event of hardship, as defined by the Plan agreements, participants may make a partial or full distribution of their accounts, subject to certain tax withholdings. Hardship withdrawals are strictly regulated by the IRS and a participant must exhaust all available notes receivable options and available distributions prior to requesting a hardship withdrawal.

Termination of the Plan

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Company Stock Account

The Plan allowed for investing in common stock of the Company through its Company Stock Account for participant and employer contributions prior to March 3, 2014 (see Note 8). A dividend pass-through election had been implemented for the participants who elected this investment type. During 2018, the Plan was amended to prohibit stock dividends and require that cash dividends from the Company Stock Account paid before January 1, 2019 be either added to the balance of the participant account and reinvested in Company Stock or paid to the participant, beneficiary or alternate payee if so elected. Cash dividends paid on or after January 1, 2019 will be invested at the participants direction, excluding investment into the Company Stock Account.

Net Transfers to Other Plans

Net transfers from other plans include account balances that were transferred between other defined contribution plans of the Plan Sponsor related to participants who moved within employment groups of the Plan Sponsor.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Cooper Tire & Rubber Company
Pre-Tax Savings Plan (Texarkana)

Notes to Financial Statements (continued)

December 31, 2022 and 2021

2. Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make note receivable repayments and the Plan Administrator deems the note receivable from the participant to be a distribution, the note receivable from participant balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan are primarily paid for by the Plan.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion and disclosures related to fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements, accompanying notes, and supplemental schedule. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies (continued)

Subsequent Events

The Plan has evaluated subsequent events through the date of issuance of the financial statements. There were no subsequent events which required recognition or disclosure in the financial statements, other than the events disclosed in Note 8.

3. Investments

Certain investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2022 and 2021, net realized and unrealized depreciation in fair value of investments, and dividends for the year ended December 31, 2022, were obtained or derived from information supplied to the Plan Sponsor and certified by the Trustee as complete and accurate in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information has not been examined by independent auditors.

4. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Financial assets and liabilities whose fair values are based on unadjusted quoted prices for identical assets or liabilities in an active market that the Plan has the ability to access at the measurement date.

Level 2 – Financial assets and liabilities whose fair values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- a. Quoted prices for similar assets or liabilities in active markets;

Cooper Tire & Rubber Company

Notes to Financial Statements (continued)

December 31, 2022 and 2021

4. Fair Value Measurements (continued)

- b. Quoted prices for identical or similar assets or liabilities in non-active markets;
- c. Pricing models whose inputs are observable for substantially the full term of the asset or liability; and
- d. Pricing models whose inputs are derived principally from or corroborated by observable market data through correlation or other means for substantially the full term of the asset or liability.

Level 3 – Financial assets and liabilities whose fair values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. These inputs reflect management’s own judgment about the assumptions that a market participant would use in pricing the asset or liability and are based on the best available information, some of which may be internally developed.

The following tables present the Plan’s fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2022 and 2021:

Description	Fair Value Measurements at December 31, 2022 Using

4. Fair Value Measurements (continued)

Description	Fair Value Measurements at December 31, 2021 Using					
	Quoted Prices in Active Markets for Identical Assets		Significant Other Observable Inputs		Significant Unobservable Inputs	
	Level (1)		Level (2)		Level (3)	
Common stock	\$	3,084,001	\$	3,084,001	\$	-
Mutual funds		284,719		284,719		-
Total investment assets in the fair value hierarchy		3,368,720	\$	3,368,720	\$	-
Investments measured at net asset value		111,744,625				
Total investments at fair value		<u>\$ 115,113,345</u>				

The level in the fair value hierarchy within which the fair value measurement is classified is based on the lowest level input that is significant to the fair value measure in its entirety.

In accordance with Subtopic 820-10, certain investments that are measured at NAV per unit (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation techniques and inputs used for each general type of asset measured at fair value by the Plan. There have been no changes in the valuation techniques and inputs used at December 31, 2022 and 2021.

Pooled Separate Accounts and Common/Collective Trust Fund – The fair value of the investments in these categories has been estimated using the net asset value (NAV) per unit provided by the administrator of the fund as a practical expedient. The NAV is not a publicly quoted price in an active market. There are currently no redemption restrictions on these investments for participants.

Common Stock – Valued at the closing price reported on the active market on which the individual security is traded.

4. Fair Value Measurements (continued)

Mutual Funds – valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies and assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no transfers of Plan investments between Levels 1 and 2 during 2022 or 2021.

The fair value of the pooled separate accounts and common/collective trust fund, that are measured at NAV (or its equivalents), is \$92,533,930 and \$111,744,625 at December 31, 2022 and 2021, respectively. The Principal U.S. Property Pooled Separate Account has a withdrawal limitation effective after market close on July 1, 2022, which will be lifted when the account has sufficient liquidity, but no longer than three years from the effective date. The remaining pooled separate accounts and common/collective trust fund have no unfunded commitments, have a daily redemption frequency and require a one-day redemption period.

5. Income Tax Status

The Plan has received a determination letter from the IRS dated March 31, 2017, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes the Plan is being operated in material compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Related-Party Transactions

The Plan holds units of pooled separate accounts and a common/collective trust fund managed by the Trustee of the Plan. The Plan also invests in the common stock of The Goodyear Tire & Rubber Company, the 100% owner of the Plan Sponsor. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Subsequent Events

Effective February 17, 2023, the Plan began participating in The Goodyear Tire & Rubber Company Commingled Trust and recordkeeping and trustee responsibilities transferred from Principal Trust Company to Empower Retirement, the retirement services business of Great-West Financial, and The Northern Trust Company, respectively.

Effective February 24, 2023, participants can elect to make employee or employer contributions to the Goodyear Stock Fund. Participants may not elect to invest more than 10% of Restricted Access Company Contributions in the Goodyear Stock Fund.
