Independent Auditors' Report

To the Investment Committee and trustees of the
Key Autism Services OPR, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Key Autism Services OPR, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained a certification from a Qualified Institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that,

Boris Benic and Associates LLP
CERTIFIED PUBLIC ACCOUNTANTS AND CONSULTANTS

Independent Auditors' Report

individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

The statement of net assets available for benefits as of December 31, 2021, the ("Statement") was compiled by us and our report thereon, dated September 26, 2023, stated we did not audit or review the Statement and, accordingly, do not express an opinion or provide any assurance about whether the Statement is in accordance with auditing standards generally accepted in the United States of America.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a Qualified Institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 (UNAUDITED) AND FOR THE YEAR ENDED
DECEMBER 31, 2022

1. Description of the Plan

The following is a brief description of the Key Autism Services OPR, LLC 401(K) Plan (the "Plan") which is provided for general information purposes only. The Plan document, related adoption agreement and individual statements provided to each Plan participant should be referred to for more complete information.

General

The Plan is a qualified defined contribution pension plan covering eligible employees of Key Autism Services OPR, LLC (the "Company"). The Plan provides for elective deferral of wages and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Trustee is a qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. John Hancock Life Insurance Company of New York is the investment custodian of the Plan ("Investment Custodian") and holds the Plan's investments. The Plan administrator is responsible for overseeing and ensuring compliance with the Plan document. The Investment Custodian and the Plan administrator are appointed by the Company.

Eligibility

The Plan covers full-time eligible employees of the Company on the first day of their employment and part-time eligible employees of the Company who have completed 1 year of service. The Plan excludes those employees who are: (1) non-resident aliens or (2) employees covered by a collective bargaining agreement.

Participant Contributions

Compensation for Plan purposes includes income reported on form W-2 with all pre-tax contributions included. The Plan allows participants to make Roth contributions. Participants may elect to defer 100% of compensation on a pre-tax basis.

For 2022, the maximum amount of compensation that may be considered for deferral purposes by participants and employer contributions is \$305,000. For 2022, total participant contributions are limited to a maximum of \$20,500. For 2022, individuals who are at least 50 years of age can make an additional "catch-up" contribution not to exceed \$6,500. The maximum annual addition for 2022 that may be contributed or allocated to a participant's account under the Plan shall not exceed the lesser of 100% of a participant's compensation or \$61,000.

1. **Description of the Plan**

Employer Contributions

The Company provides for matching contributions of elective deferral contributions in the amount equal to 25% of the first 6% of compensation for a maximum of 1.50% of total compensation.

The Company also has the option of making a discretionary non-elective employer contribution also known as a profit-sharing contribution. The non-elective contribution is allocated to each eligible participant's account based upon the ratio that each participant's compensation bears to the total compensation for the Plan year. To be eligible for the discretionary non-elective contribution, the participant must complete 1 hour of service during the Plan Year and is required to be employed by the Company on the last day of the Plan year. A profit-sharing contribution was not elected for 2022.

In addition to the contributions described above, the Plan may make additional qualified non-elective contributions for the benefit of such Participants determined at the discretion of the Company. A qualified non-elected contribution was not elected for 2022.

Rollover Contributions

A Plan participant may make a transfer to the Plan of a benefit from a qualified retirement plan of another employer, referred to as a rollover, with certain restrictions.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan.

Vesting

Participants are vested immediately in their contributions, rollover contributions, qualified non-elective contributions and earnings thereon. Participants vest in the employer matching and non-elective contributions as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than Two Years	0%
Two or More Years	100%

Participant Accounts

The Plan administrator establishes and maintains a separate account for each participant, which is credited for voluntary and rollover contributions the participants make, employer contributions and Plan earnings.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 (UNAUDITED) AND FOR THE YEAR ENDED
DECEMBER 31, 2022

1. Description of the Plan

Participant Accounts

Income earned and net appreciation or depreciation on Plan investments, for a given investment, are allocated in proportion to the participant's accounts balances in that investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

The Plan does not allow participants to borrow from their account balances in the form of participant loans.

Forfeitures

Upon termination of employment participants forfeit their non-vested balances. These accounts may be used to reduce future Company contributions or to pay administrative expenses. At December 31, 2022 and 2021 (Unaudited), there were no forfeited non-vested accounts. No forfeited amounts were used to reduce Company contributions or to pay administrative expenses for the year ended December 31, 2022.

Retirement

The normal retirement age is defined as the later of when the participant reaches the age of 59 1/2 or the 5th anniversary of their participation in the Plan. A participant, who becomes disabled, as defined in the Plan document, is eligible for a disability retirement.

Distribution of Benefits

On termination of service prior to the normal retirement age, the participant may elect to receive a distribution of his or her vested benefit or may choose to rollover the benefit to another qualified plan or IRA account. Upon retirement, termination, death, disability, or attainment of age 59 1/2, vested benefits may be distributed via a lump sum payment. The Plan does not allow for hardship withdrawals. Participants must begin receiving Required Minimum Distributions, under IRS guidelines, upon reaching the age of 72.

Administrative Expenses

Administrative expenses may be paid out of the Plan or by the Company. During 2022, the Company incurred certain administrative expenses relating to the Plan without charge to the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates and Assumptions

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements. Purchases and sales of securities are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is accrued when earned. The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) of the fair value of its investments, which includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants or beneficiaries are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks including but not limited to, interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

KEY AUTISM SERVICES OPR, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 (UNAUDITED) AND FOR THE YEAR ENDED
DECEMBER 31, 2022

2. Summary of Significant Accounting Policies

Income Tax Status

The IRS has determined and informed the Trustee by an opinion letter dated June 30, 2020, that the non-standardized pre-approved plan, which was adopted by the Company, was qualified under the appropriate sections of the IRC. An employer adopting this non-standardized pre-approved plan is considered to have a plan qualified under section 401(a) of the IRC. Once qualified, the plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan has been amended after the date of this opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan continues to be qualified and the trust established under the Plan is tax-exempt. No provision for income taxes has been included in the financial statements since the Plan has no unrelated business income tax.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor ("DOL"). The Plan administrator has analyzed the tax positions taken by the Plan and had concluded that as of December 31, 2022 and 2021 (Unaudited), there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and the DOL, however, there are currently no audits for any tax periods in progress.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 26, 2023, which is the date the financial statements were available to be issued.

3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100 percent vested in their employer contributions.

AS OF DECEMBER 31, 2022 AND 2021 (UNAUDITED) AND FOR THE YEAR ENDED
DECEMBER 31, 2022

4. Investments

For the year ended December 31, 2022, the Plan's investments depreciated (including gains and losses on investments bought and sold, as well as held during the year) in value by \$209,812.

5. Fair Value Measurements

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

KEY AUTISM SERVICES OPR, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 (UNAUDITED) AND FOR THE YEAR ENDED
DECEMBER 31, 2022

5. Fair Value Measurements

Below is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021(Unaudited):

Pooled separate accounts: Valued at the net asset value ("NAV") of units of the underlying insurance company maintained pooled separate account. The NAV, as provided by the Investment Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participants transactions (purchases or sales) may occur daily. There are currently no redemption restrictions or unfunded commitments on these investments. The primary investment strategy of the various pooled separate accounts are to first grow and then later preserve principal. These pooled accounts contain a mix of U.S. and international common stocks and bonds.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Fair Value Measurements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2022			
	Level 1	Level 2	Level 3
Investments in the fair value hierarchy	\$ -	\$ -	\$ -
Pooled separate accounts (a)			1,444,947
Investments, at fair value			\$ 1,444,947

2021 (Unaudited)			
	Level 1	Level 2	Level 3
Investments in the fair value hierarchy	\$ -	\$ -	\$ -
Pooled separate accounts (a)			1,017,621
Investments, at fair value			\$ 1,017,621

- (a) In accordance with ASC subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the year ended December 31, 2022, there were no purchases, issuances, transfers in or out of Level 3.

Fair Value of Investments in Entities that Use Net Asset Value

The following table summarizes investments and associated information for which fair value is measured using the net asset value per share practical expedient as of December 31:

Investment	2022 Fair Value	2021 Fair Value (Unaudited)	Unfunded Commitments	Redemption Frequency (if currently eligible)	Plan Level Redemption Notice Period
Pooled separate accounts	\$ 1,444,947	\$ 1,017,621	None	Daily	N/A

6. Related Party and Party-in-Interest Transactions

The Plan's investments are pooled separate accounts managed by the Investment Custodian. Also, administrative expenses are paid to the Investment Custodian. These transactions with the Investment Custodian qualify as party-in-interest transactions. The above transactions are not, however, considered prohibited transactions under CFR 408(b) of the ERISA regulations.
