INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
OneGlobe LLC 401(k) Profit Sharing Plan
Reston, VA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of OneGlobe LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of OneGlobe LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all

material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of OneGlobe LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OneGlobe LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one

resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OneGlobe LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OneGlobe LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of or for the year

ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ONEGLOBE LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the OneGlobe LLC 401(k) Profit Sharing Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement and summary plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General

The Plan is a defined contribution plan covering substantially all employees of OneGlobe LLC (the "Company"). Employees who have completed three months of service and are more than 21 years of age, except employees covered by a collective bargaining agreement and leased employees as defined in the Plan, are eligible to participate in the Plan following completion of three months of service.

The Company is the administrator of the Plan. As administrator, the Company has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan (including the authority and responsibility to invest, manage and control the assets of the Plan specifically allocated to the trustee). Ascensus Trust Company is the appointed trustee of the Plan and acts at the direction of the Plan's administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan Contributions

Participants may elect to contribute up to 100% of eligible compensation not to exceed the limits of the Internal Revenue Code. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company makes a safe harbor contribution of 3% of an employee's compensation for the plan year to the individual account of each eligible employee. The Company may also make discretionary profit sharing contributions into the Plan as determined each year by the Company's Managing Partner. For the year ended December 31, 2022 and 2021, discretionary contributions made to the Plan were \$449,601 and \$419,531.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's contributions and allocations of plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. A participant is immediately vested in the Company's safe harbor and discretionary contributions.

ONEGLOBE LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Participant Loans

Participants may borrow from their fund accounts (excluding Roth portions) a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or within a reasonable period of time that is longer than five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Principal and interest are paid ratably through payroll deductions. If a participant terminates employment with the Company, the loan becomes due and payable in full immediately. If the loan is not repaid, it will automatically be treated as a distribution at the end of the quarter subsequent to the quarter in which the default occurs.

Forfeitures

Forfeitures are used to reduce employer contributions. At December 31, 2022 and 2021, there were no forfeited non-vested funds.

Payment of Benefits

Distributions from the plan are permitted upon termination of service due to retirement, disability or death or attainment of age 59 ½. Participants may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may also elect to roll over their accounts to another tax-deferred account or remain in the Plan until they are legally required to begin taking distributions. All vested account balances not exceeding \$1,000 will be immediately distributed in a lump-sum payment.

Plan Fees and Administrative Expenses

Each participant's account is charged with an annual participant asset charge. Additional expenses paid by the participant include distribution and loan request changes. The employer pays all other Plan expenses.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

ONEGLOBE LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Use of Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedules. Actual results could differ from those estimates.

Other Liability

Amounts payable for advisory fees are recorded in other liabilities.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion on fair value measurements.

Any unrealized appreciation or depreciation, as well as realized gains or losses for the year, are reflected as net appreciation or depreciation in fair value as shown on the statement of changes in net assets available for benefits. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis.

Subsequent Events

The Plan has evaluated subsequent events through September 26, 2023, which is the date the financial statements were available to be issued. See Note 10.

NOTE 3 - INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) including investments held and notes receivable from participants at December 31, 2022 and 2021, and net appreciation or depreciation in fair value of investments, dividends and interest income on notes receivable from participants for the year ended December 31, 2022 and 2021, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Ascensus Trust Company, the trustee of the Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1 - Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 - Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based the lowest level input that is significant to the fair value measure in its entirety.

Investments in registered investment company shares are valued at the closing price reported in the active market in which the mutual funds are traded.

The following presents by level, within the fair value hierarchy, the Plan assets at fair value, as of December 31, 2022.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across all participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments. As of December 31, 2022, approximately 13%, 13% and 11% of the plan's net assets were invested in BlackRock Lifepath Index 2050, BlackRock Lifepath Index 2035 and iShares S&P 500 Index, respectively. As of December 31, 2021, approximately 13%, 12% and 12% of the plan's net assets were invested in BlackRock Lifepath Index 2050, BlackRock Lifepath Index 2035 and BlackRock Lifepath Index 2040, respectively.

NOTE 6 - TAX STATUS

The Plan was most recently amended and restated effective December 1, 2020, and has adopted a non-standardized pre-approved profit sharing plan sponsored by Ascensus LLC. The Plan received a determination letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC), and, therefore, the related trust is exempt from taxation. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, and therefore, believe that the Plan is qualified.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 7 - RELATED-PARTY TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain plan investments are managed by Ascensus Trust Company, the trustee and record-keeper of the Plan. The Plan issues loans to participants,

NOTE 7 - RELATED-PARTY TRANSACTIONS (CONTINUED)

which are secured by the balances in the participants' accounts. The Company paid certain administrative expenses of the Plan, including record-keeping and audit fees. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

NOTE 8 - PROHIBITED TRANSACTIONS - DELINQUENT CONTRIBUTIONS

During the year ended December 31, 2022, all employee contributions were remitted to Ascensus on a timely basis.

During the year ended December 31, 2021, certain employee contributions totaling \$49,662 were not remitted to the plan on a timely basis. The lost earnings on these contributions were credited to the participant's accounts in September 2022.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Income, expenses, net assets, and changes in net assets per Schedule H of Form 5500 for 2022 agree to the 2022 audited financial statements of the Plan.

NOTE 10 - SUBSEQUENT EVENT

Effective February 1, 2023, the Plan terminated its trustee agreement with Ascensus Trust Company and entered into a trustee agreement with Fidelity Management Trust Company. As a result of the new trustee agreement, the plan adopted a new plan document. The new adoption agreement excludes part time employees from participation in the plan, unless they complete 1,000 hours of service in a year. The entry date for participation in the plan upon completion of satisfying eligibility requirements has been changed from immediate to the first date of the month. Employees hired after February 1, 2023 will vest in the employer discretionary contribution following one year of service.
