INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Doug Smith Autoplex, Inc. 401(K) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Doug Smith Autoplex, Inc. 401(K) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Doug Smith Autoplex, Inc. 401(K) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Doug Smith Autoplex, Inc. 401(K) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We

believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Doug Smith Autoplex, Inc. 401(K) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Doug Smith Autoplex, Inc. 401(K) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Doug Smith Autoplex, Inc. 401(K) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Doug Smith Autoplex, Inc. 401(K) Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN

The following description of Doug Smith Autoplex, Inc. 401(K) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Doug Smith Autoplex, Inc. (the Company) who have completed one year of service with at least 1,000 hours and are at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Contributions

The Plan is a defined contribution plan. Participants may elect to contribute up to 100 percent of pretax annual compensation, not to exceed \$20,500, in 2022, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$6,500 for the year ended December 31, 2022. All employee salary deferral contributions are deducted from before-tax compensation. Participants may also contribute amounts representing distributions (rollovers) from other qualified defined benefit or contribution plans.

The Company contributes a matching contribution to each participant equal to 50 percent of the participant's elective deferral contribution. Elective deferrals are matched up to 4 percent of the participant's included compensation for the year ended December 31, 2022.

The Company may make discretionary additional contributions each plan year.

Participants direct the investment of their contributions and the Company's matching contributions into various investment options offered by the Plan.

Participant accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's matching contribution and (b) Plan earnings or losses (including appreciation/depreciation in fair value of investments). Each account is also charged with an allocation of administrative expenses. Earnings by the Plan are allocated to each participant based on each participant's balance in the respective funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investment options are participant directed.

NOTE A – DESCRIPTION OF PLAN - CONTINUED

Vesting

Participants are immediately vested in their elective deferral and rollover contributions plus actual earnings or losses thereon. Participants vest in the Company's matching and discretionary contributions at the rate of 20 percent per year starting after one year of service, with 100 percent vesting occurring after five years of service.

Payment of benefits

On termination of service due to death or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, a specified dollar amount each year necessary to satisfy the minimum payment required by law, or a variety of installment options. For termination of service due to other reasons, a participant with a vested account balance of \$5,000 or less will receive the value of the vested interest in his or her account as a direct IRA rollover, unless another election is made. A participant with a vested account balance in excess of \$5,000 may also elect to remain in the Plan without making further contributions.

Tax status

Effective May 12, 2017, the Plan entered into an adoption agreement to adopt the Principal Financial Group Prototype for Savings Plans, Amendment No 2, which amended and restated the former Principal Financial Group Prototype for Savings Plans, which the Plan had adopted in 2014. The purpose for entering into this adoption agreement was to amend and restate the Plan to incorporate and comply with recent pension plan legislation and other changes to the rules and regulations pertaining to the Plan. The adoption agreement did not result in any significant changes to the Plan's provisions.

The Principal Financial Prototype for Savings Plans is a Volume Submitter Profit Sharing Plan with CODA, which has received a favorable opinion letter from the Internal Revenue Service that the plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC.

Generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan administrator believes that no such tax positions have been taken by the Plan. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to examination for years prior to 2019.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN - CONTINUED

Forfeitures

Upon termination of a participant's employment, the non-vested portion of a participant's account shall be forfeited. Any forfeitures occurring during a Plan year may be used to pay Plan expenses and then to reduce employer contributions. At December 31, 2022 and 2021, the balance of net assets included in forfeited nonvested accounts totaled \$1,615 and \$0, respectively. Employer contributions for the year ended December 31, 2022 were reduced by \$6,361 from forfeited nonvested accounts. Administrative expenses were reduced by \$1,300 for forfeited nonvested accounts for the year ended December 31, 2022.

Administrative expense

All participant transaction and maintenance fees are allocated to participant accounts, and are reflected as administrative expense in the accompanying Statement of Changes in Net Assets Available for Benefits. Any other administrative fees are paid for by the Plan sponsor.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared on the accrual basis of accounting.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment valuation and income recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Investments in the pooled separate accounts are valued at the net unit value of the net asset value shares held by the insurance company in a separate account at year end. Net appreciation or depreciation caused by fluctuations in the market value of the investments is reflected in the Statement of Changes in Net Assets Available for Plan Benefits. Transactions are recorded on a trade-date basis. Amounts invested earn interest, capital gains or losses and dividends, which are in turn reinvested.

Fees and administrative expenses

The fees of the Plan administrator are charged against the income of the Plan. The majority of administration costs required to maintain the Plan are paid by the Employer.

Excess contributions payable

Amounts payable to participants totaling \$10,747 for deferral contributions in excess of amounts allowed by the IRS in the year ended December 31, 2021, are recorded as liabilities, with a corresponding reduction to 2021 participant contributions. The Plan distributed the 2021 excess contributions prior to the filing deadline for the Form 5500. There were no excess contributions payable as of December 31, 2022.

Subsequent events

The administrator of the Plan has evaluated subsequent events through September 15, 2023, the date these financial statements were available to be issued.

NOTE C – INVESTMENTS

The Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022, the accompanying notes to the financial statements, and the Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 were prepared in part or entirely from information certified by The Principal Financial Group (Principal), the trustee of the Plan, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$15,196,614 and \$18,280,755 at December 31, 2022 and 2021, respectively, and related dividend and interest income of \$10,754 and net depreciation in fair value of investments of \$2,688,897 for the year ended December 31, 2022.

NOTE D – FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to level 1 measurements and the lowest priority to level 3 measurements. The three levels of the fair value hierarchy are described as follows:

Level 1 inputs include unadjusted quoted prices in active markets for identical assets.

Level 2 inputs include quoted prices for similar assets in inactive markets; quoted prices for identical or similar assets in inactive markets; observable inputs other than quoted prices for identical assets; inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

Level 3 inputs consist of unobservable inputs developed using estimates and assumptions.

The following table sets forth by level within the fair value hierarchy and by investment category the Plan's investments as reported at fair value in the accompanying statement of net assets available for benefits.

		Fair Value Measurements Using		
	Fair Value	Level 1	Level 2	Level 3
December 31, 2022:				
Common/Collective Trusts	\$ 14,451,073	\$ 14,451,073	\$ -	\$ -
Registered Investment Companies	745,541	745,541	-	-
Total	<u>\$ 15,196,614</u>	<u>\$ 15,196,614</u>	<u>\$ -</u>	<u>\$ -</u>
December 31, 2021:				
Common/Collective Trusts	\$ 17,524,283	\$ 17,524,283	\$ -	\$ -
Registered Investment Companies	756,472	756,472	-	-
Total	<u>\$ 18,280,755</u>	<u>\$ 18,280,755</u>	<u>\$ -</u>	<u>\$ -</u>

Fair Value Measurements – Level 1: The fair values of the investments in registered investment companies are based on quoted market prices. Level 2: The fair values of collective trust funds and pooled separate accounts are valued at the net asset value of their underlying assets as provided by the trustee of these funds. The underlying assets are principally composed of investment securities, for which there are readily available quoted market prices.

Doug Smith Autoplex, Inc. 401(K) Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE E – RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by Principal Financial Group. Principal Financial Group is the trustee as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions.

Administrative expense paid by the Plan to Principal Financial Group for participant transaction and maintenance fees amounted to \$67,829 for the year ended December 31, 2022.

NOTE F – RISKS AND UNCERTAINTIES

The Plan's assets are invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available For Benefits.

NOTE G – RECONCILIATION OF AUDITED FINANCIAL STATEMENTS TO FORM 5500

The Form 5500 is reported on a cash basis, resulting in the following differences related to liabilities for corrective distributions due to participants.

	Audited Financial		
	Statements	Form 5500	Difference
Beginning of Year Liabilities	\$ 10,747	\$ -	\$ 10,747
