INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Westside Transit Lines - A.T.U. Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Westside Transit Lines – A.T.U. Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of February 28, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended February 28, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Westside Transit Lines – A.T.U. Pension Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended February 28, 2023 and 2022, stating that the certified investment information, as described in Notes 3 and 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Westside Transit Lines – A.T.U. Pension Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Westside Transit Lines – A.T.U. Pension Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted accounting standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted accounting standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Westside Transit Lines – A.T.U. Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Westside Transit Lines – A.T.U. Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), Schedule H, Line 4j – Schedule of Assets (Acquired and Disposed of Within Year), and Schedule H, Line 4k – Schedule of Reportable Transactions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
February 28, 2023 and 2022

NOTE I - DESCRIPTION OF PLAN

The following description of the Westside Transit Lines - A.T.U. Pension Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General.** TransDev Services, Inc., formerly Veolia Transportation Services, Inc. (Westside Transit Division) is the Plan sponsor as well as the employer. The Plan is a defined contribution plan covering all full-time eligible class employees (employees covered by the collective bargaining agreement between the employer and the union and non-collectively bargained employees who are not highly compensated) of the employer who have at least one year of service and who are age 21 or older. Each employee shall participate in the Plan beginning on the first day of the month once the eligibility requirement has been satisfied.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was amended and restated effective March 1, 2016 to include language related to the Pension Protection Act and change the language so that the union contracts are incorporated by reference.

The Plan was amended effective October 25, 2021 to allow loans related to Hurricane Ida damage. The loans could not be less than \$10,000 or greater than \$30,000 or one half of the participant's vested balance. Applications for loans had to be submitted by November 1, 2021. There were no loans granted.

2. **Contributions.** The funding of the Plan is by employer and participant contributions based on a percentage of eligible gross salary. See the tables below for rates and their respective effective dates:

Fixed Route	Participant Contribution	Employer Contribution
As of 4/1/2021	7%	16.50%
As of 4/1/2022	7%	16.50%

Para-Transit (MITS)	Participant Contribution	Employer Contribution
As of 4/1/2021	3%	4.25%
As of 4/1/2022	3%	4.75%

RPTA	Participant Contribution	Employer Contribution
As of 2/1/2021	3%	7.00%
As of 2/1/2022	3%	7.50%

NOTE I - DESCRIPTION OF PLAN (Continued)

3. **Participant Accounts.** The fund consists of two accounts for each participant: the participant's account (consisting of participant contributions plus earnings thereon), and the employer's account (consisting of employer's contributions plus earnings thereon less expenses of the Plan).
4. **Vesting.** Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's contributions portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 0% vested before completing 3 years of credited service and 100% vested thereafter.
5. **Payment of Benefits.** Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, a qualified preretirement survivor annuity, or a qualified joint and survivor annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.
6. **Plan Expenses.** The Plan incurs fees for administrative services provided by the asset custodian and third-party administrator as well as legal and accounting fees. Fees for investment services are provided by an investment manager. The respective fees are charged directly to the employer's account within the participants account and are included in the Statements of Changes of Net Assets Available for Benefits as administrative or investment expenses. For the years ended 2023 and 2022, fees were approximately 2.21% and 1.76% of total Plan assets at February 28, 2023 and 2022.
7. **Forfeited Accounts.** At February 28, 2023 and 2022, unapplied forfeited nonvested account assets totaled \$0. These accounts can be used in the following order: (i) restore any previously forfeited accounts of participants who have been reemployed and are entitled to a restoration of the forfeited portion; (ii) fund any employer contributions required under USERRA with respect to qualified military service; (iii) pay administrative expenses of the Plan and; (iv) allocated to the Participants' Employer Contribution account.

8. **Administration.** The Plan's assets are held by Gulf Coast Bank & Trust as custodian. The assets are managed by Eagle Capital Management, L.L.C. (Eagle). Eagle has the discretionary authority to invest and reinvest the assets of the Plan, pursuant to investment guidelines provided by the trustees. The Plan used Haslauer Group to perform the compliance testing and prepare the Form 5500 for the years ended February 28, 2023 and 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Investments

The Plan's investments are stated at fair value as provided by the asset custodian. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a settlement-date basis. Dividends are recorded on the ex-dividend date.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Benefits

Benefits are recorded when paid.

Amounts allocated to withdrawing participants that have terminated the Plan as of February 28, 2023 and 2022, but have not been paid as of year-end amounted to \$0.

Risks and Uncertainties

The Plan provides for various investment options in any combination of United States government securities, corporate notes and bonds, common stocks and equities, exchange traded funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits and participant account balances.

NOTE 4 - FAIR VALUE MEASUREMENTS (Unaudited)

Financial Accounting Standards Board ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of hierarchy under FASB ASC 820 are described below:

LEVEL 1 Inputs to the valuation methodology are unadjusted quoted prices for the identical assets or liabilities in active markets that the Plan has the ability to access.

LEVEL 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3 Inputs to the valuation methodology are unobservable and significant to the value measurement.

NOTE 4 - FAIR VALUE MEASUREMENTS (Unaudited) (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at February 28, 2023 and 2022.

United States Government Securities, United States Equities, Exchange Traded Funds, and Corporate Notes and Bonds: Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with the other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of February 28, 2023.

	ASSETS AT FAIR VALUE AS OF FEBRUARY 28, 2023			
	Level 1	Level 2	Level 3	Total

NOTE 5 - CASH AND CASH EQUIVALENTS

Cash and cash equivalents at February 28, 2023 and 2022, consisted of amounts invested in money market accounts with variable interest rates and United States treasury bills. At February 28, 2023 and 2022, respectively, cash and cash equivalents totaled \$523,504 and \$1,409,214.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - TAX STATUS

The Plan obtained its latest determination letter of July 14, 2011, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken uncertain tax positions that more likely than not would be sustained upon the examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of February 28, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 7 - TAX STATUS (Continued)

The Plan recognizes the tax benefit from uncertain tax positions only if it is “more likely than not” the tax position will not be sustained on examination by the taxing authorities. To the extent the Plan’s assessment of such tax positions change, the change will be recorded in the period in which the determination is made. No adjustments were required for the year ended February 28, 2023. The Plan’s Form 5500 for the years ended February 29, 2020, February 28, 2021, and February 28, 2022, remain subject to examination by the taxing authorities. The February 28, 2023 Form 5500 has not yet been filed.

NOTE 8 - LABOR CONTRACTS

On March 7, 2018, the Plan sponsor executed a labor contract with the Amalgamated Transit Union Joint Council Division No. 1535 for fixed route employees which covers the period April 1, 2018 through March 31, 2021. Under the contract, participants contribute 7.0% of eligible gross salary and the employer contributes 16.0% of eligible gross salary. On January 5, 2021 the Plan sponsor renewed their labor contract effective April 1, 2021 through March 31, 2024. Effective April 1, 2021, the employer began contributing 16.5% of eligible salary.

On December 20, 2017, the Plan sponsor renewed a labor contract with the Amalgamated Transit Union Joint Council Division No. 1535 for paratransit employees which covers the period April 1, 2018 through March 31, 2021. Under the contract, participants contribute 3.0% of eligible gross salary and the employer contributes 3.75% of eligible gross salary. On December 20, 2020 the Plan sponsor renewed their labor contract which covers the period April 1, 2021 through March 31, 2024. Effective April 1, 2022, the employer began contributing 4.75% of eligible salary.

On June 15, 2018, the Plan sponsor executed a contract with the Amalgamated Transit Union Joint Council Division No. 1535 for River Parish Division employees, which covers the period July 1, 2018 through June 30, 2021. Under this contract, participants contribute 3.0% of eligible gross salary and the employer contributes 6.5% of eligible gross salary. On May 16, 2021 the Plan sponsor renewed their labor contract which covers the period July 1, 2021 through June 30, 2024. Effective February 1, 2022, the employer began contributing 7.5% of eligible gross salary.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Net assets available for benefits as stated in the Form 5500 exceed the amounts reported in the accrual basis financial statements by \$27,663 and \$33,733 at February 28, 2023 and 2022, respectively. Such differences are attributable to financial statement accruals for expenses.

NOTE 10 - CARES ACT

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act allows retirement plans to provide participants who are impacted by the coronavirus (as defined in the CARES Act) with greater access to their savings.

Plans could voluntarily adopt these provisions by placing them in operation without amending the Plan as long as the Plan management makes the required amendments to Plan documents before the last day of the first plan year beginning on or after January 1, 2025. Plan management does not intend to adopt the CARES Act provisions.

NOTE 11 - SUBSEQUENT EVENTS

Subsequent events were evaluated through the date the financial statements were available to be issued, which corresponds with the date of the independent auditors' report. No material subsequent events have occurred since February 28, 2023 that required recognition or disclosure in these financial statements.
