INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Mallinckrodt Pharmaceuticals Retirement Savings and
Investment Plan
St. Louis, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mallinckrodt Pharmaceuticals Retirement Savings and Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mallinckrodt Pharmaceuticals Retirement Savings and Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Mallinckrodt Pharmaceuticals Retirement Savings and Investment Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mallinckrodt Pharmaceuticals Retirement Savings and Investment Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mallinckrodt Pharmaceuticals Retirement Savings and Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mallinckrodt Pharmaceuticals Retirement Savings and Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Mallinckrodt Pharmaceuticals Retirement Savings and Investment Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

General

The Mallinckrodt Pharmaceuticals Retirement Savings and Investment Plan (the "Plan"), was established on April 1, 2013 as a result of a spin-off of the Covidien Retirement Savings and Investment Plan (the "Covidien RSIP") into the Plan. The Plan constitutes a successor to and continuation of the portion of the Covidien Plan that contained the account balances of active employees of Covidien LP.

The Plan is a defined contribution plan and is available to U.S. based salaried, hourly, and union employees of Mallinckrodt Enterprises, LLC and ST Shared Services, LLC, as affiliated entities of MEH, Inc. (the "Company"), who meet the Plan's eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Selected Plan provisions are described below. Participants should refer to the Plan document and summary plan description for more complete information regarding the terms of the Plan.

Eligibility

All employees are eligible to enter the Plan, with the exception of leased employees, nonresident aliens with no compensation from sources within the United States, employees currently eligible to participate in any non U.S. Mallinckrodt Retirement Plan, cooperative students, and temporary employees whose compensation is paid by a temporary agency or entity other than the Plan Sponsor.

Contributions

Contributions are subject to Internal Revenue Code ("IRC") limitations. Contributions to the Plan are funded on a per pay period basis.

- *Participant contributions* - Participants may make a minimum voluntary contribution and increase their voluntary contributions up to a certain limit of compensation. Employees may contribute up to 50% of eligible compensation on pre-tax dollars or on an after-tax Roth basis. Additionally, participants may contribute after-tax basis dollars up to \$15,000 per year. Automatic enrollment for a new participant results in withholding 3% of the participant's eligible pay, on a pre-tax basis, with automatic annual increases of 1% until the participant's contribution percentage equals 10% or the election is changed by the participant.
- *Company contributions* - The Company contribution for all employees includes a core contribution of 3% whether they elect to contribute to the Plan or not. The Company match is 50% of the employee's contribution up to 8% of pay for a total match of 4% of pay. The maximum match plus core contribution is 7% of pay.

1. DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

Certain participant contributions are eligible to receive matching Company contributions as well as a true-up matching contribution. The Company will contribute to the Plan for each pay period, on behalf of each Participant who has made before-tax contributions and/or Roth contributions, an amount equal to 50% of each dollar of such contribution contributed to the Plan, for each pay period, so long as such contributions do not exceed 8% of the participant's compensation for each pay period. These matching contributions shall be credited to the participant's employer account. The Company shall make a "true-up" Matching Contribution after the end of the Plan year based on the participant's contributions for the entire Plan year.

Participant accounts

Each participant's account is credited with the participant's contribution, employer contribution, and an allocation of investment earnings and losses, and is charged with certain utilization-based fees, as applicable. Participants are entitled to the benefit that can be provided from the participant's vested account. Plan participants are able to direct the investment of their employer and employee contributions into various investment options offered under the Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts plus actual earnings thereon is based on years of vesting service. Participants become 100% vested in the Company's matching contributions after they complete two years of service.

Forfeited accounts

Upon termination of employment for reasons other than a distributable event or involuntary termination other than for cause, nonvested contributions and related investment earnings are forfeited. If an employee terminated involuntarily other than for cause, the participant will become 100% vested in the participant's employer matching contributions. Such forfeitures may be used to reduce Plan expenses or to satisfy matching contributions that would otherwise be made by the Company. Forfeitures used to pay for administrative expenses and reduce employer contributions for the years ended December 31, 2022 and 2021 totaled \$1,407,525 and \$381,369, respectively. Forfeited nonvested accounts totaled \$357,957 and \$942,351 for the years ended December 31, 2022 and 2021, respectively.

1. DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

Participants are allowed to borrow from their Plan accounts. The minimum amount that a participant may borrow is \$1,000. The maximum amount that a participant may borrow is the lesser of: (i) 50% of the participant's vested balance; or (ii) \$50,000 less the highest loan balance outstanding in the previous twelve months. Participants are allowed to have two loans outstanding at a time. Loans are secured and bear a reasonable interest rate. Except for unpaid leaves of absence, loans must be repaid through payroll deductions. Terminated participants may make payments directly to Fidelity Management Trust Company ("Fidelity") on their outstanding loan balance. Interest rates ranged from 3.25% to 7.25% at December 31, 2022.

Payment of benefits

After termination of employment for any reason, (e.g. resignation, death, disability, retirement etc.), a participant (or his/her beneficiary in the case of the participant's death) may elect to receive either a lump sum amount equal to the participant's vested account balance or to rollover their vested account balance to another qualified retirement plan or IRA, as described in the Plan document. Participants may also leave their account balance in the Plan.

Plan governance and administration

Plan oversight is governed by the Mallinckrodt US Employee Benefits Governance Structure which has been duly adopted by the Company. This structure includes the Mallinckrodt Benefits Committee ("Committee"). The Plan is administered by the Committee, pursuant to the Mallinckrodt Employee Benefit Plans Governance Structure. The Committee employed CAPTRUST on January 1, 2023 in the capacity of a 3(38) Plan fiduciary with respect to Plan investments. Fidelity Management Trust Company maintained participant accounts as record keeper of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The accompanying financial statements of the Plan are prepared on the accrual basis method of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect certain reported amounts of assets and liabilities therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- *Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability access.
- *Level 2* - Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- *Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair value measurements (continued)

- *Mutual funds* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Collective trust funds* - Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participant's account balances. Related fees are recorded as administrative expenses and expensed when they are incurred.

Payment of benefits

Benefit payments to participants are recorded when distributed.

Administrative expenses

Expenses for participant loans, qualified domestic relations orders, and hardship withdrawal transactions are paid by the participant by reducing the participant's account balance. Administrative expenses are paid by the Company. Certain investment and recordkeeping fees are offset against investment income.

Subsequent events

The Plan has evaluated subsequent events through September 26, 2023, the date which the financial statements were available to be issued.

3. INCOME TAX STATUS

The Company adopted an individually designed profit-sharing plan with a cash or deferral arrangement that received a favorable opinion letter dated October 8, 2015, in which the IRS stated that the plan document was in compliance with applicable requirements of the IRC. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. Management has evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. CERTIFICATION OF INVESTMENT INFORMATION

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Company has accepted the certification of Fidelity, as to the accuracy and completeness of the investment information included in the accompanying financial statements and supplemental schedule and instructed the Plan's independent accountants not to perform any auditing procedures with respect to such information.

Accordingly, the following information was certified by Fidelity for the years ended December 31, 2022 and 2021, and was not subjected to any auditing procedures except for comparing such information with the related information contained in the accompanying financial statements and schedule.

- All investments and notes receivable from participants as of December 31, 2022 and 2021, which are included in the statements of Net Assets Available for Benefits and the supplemental Schedule of Assets (Held at End of Year).
- Interest, dividends, and net appreciation (depreciation) in fair value of investments for the years ended December 31, 2022 and 2021, which are included in the Statements of Changes in Net Assets Available for Benefits.

5. FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 277,899,185	\$ -	\$ -	\$ 277,899,185
Investments measured at NAV (a)				<u>395,492,609</u>
Investments, at fair value				<u>\$ 673,391,794</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 347,198,869	\$ -	\$ -	\$ 347,198,869
Investments measured at NAV (a)				<u>546,830,281</u>
Investments, at fair value				<u>\$ 894,029,150</u>

(a) In accordance with subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

There were no significant transfers between Level 1, Level 2, or Level 3 investments during the years ended December 31, 2022 and 2021.

6. INVESTMENTS MEASURED USING THE NAV PER SHARE PRACTICAL EXPEDIENT

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust funds	\$ 395,492,609	\$ -	Daily	Daily

6. INVESTMENTS MEASURED USING THE NAV PER SHARE PRACTICAL EXPEDIENT
(continued)

<u>December 31, 2021</u>	<u>NAV in Funds</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust funds	\$ 546,830,281	\$ -	Daily	Daily

Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust funds, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 686,001,750	\$ 907,219,363
Less: Deemed distributions	<u>(1,205,014)</u>	<u>(1,137,133)</u>
Net assets available for benefits per the Form 5500	<u><u>\$ 684,796,736</u></u>	<u><u>\$ 906,082,230</u></u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2022:

Decrease in net assets available for benefits per the financial statements	\$ (221,217,613)
Less: Change in deemed distributions	<u>(67,881)</u>
Decrease in net assets available for benefits per the Form 5500	<u><u>\$ (221,285,494)</u></u>

8. RISKS AND UNCERTAINTIES

The Plan provides for investment in a variety of investment funds. In general, investments are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Plan and ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
