Independent Auditor's Report

To the Plan Administrator of
KIHOMAC, Inc 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **KIHOMAC, Inc 401(k) Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **KIHOMAC, Inc 401(k) Plan's** 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **KIHOMAC, Inc 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **KIHOMAC, Inc 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **KIHOMAC, Inc 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **KIHOMAC, Inc 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KIHOMAC, Inc 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021 and for the year ended December 31, 2022

1. Description of plan

KIHOMAC, Inc 401(k) Plan (the Plan) is a defined contribution plan covering substantially all employees of the plan sponsor, KIHOMAC, Inc. (the Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan management is responsible for oversight of the Plan, determined the appropriateness of the Plan's investment offerings, and monitors investment performance.

The following description of the Plan provides only general information. The Plan agreement and summary plan description should be referred to for a more complete description of the Plan's provisions.

Contributions and funding

Each year, participants may elect to defer a percentage of their annual compensation, as defined in the Plan, to the Plan. Participants may also contribute amounts representing distributions from other qualified retirement plans. The Plan includes an auto-enrollment provision. Under this provision all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated investment until changes are made by the participant. The Company may provide a matching contribution as determined at the discretion of the Company's board of directors. For the years ended December 31, 2022 and 2021, the employer match was 100% of elective contributions up to 3 percent, plus 50 percent of employee contributions between 3 and 9 percent. Additionally, the Company may make a discretionary profit sharing contribution to the Plan that is determined annually for eligible participants who have completed at least 1,000 hours during the Plan year and are employed on the last day of the Plan year. Participants direct the investment of all contributions into various investment options offered by the Plan. Contributions are subject to certain limitations. No discretionary contributions were accrued for the years ending December 31, 2022 and 2021.

Participant accounts

Each participant's account is credited with the (a) participant's contribution, (b) allocations of the Company's contribution and (c) investment earnings, net of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's employer matching and profit sharing contributions are based on a three year vesting schedule whereby a participant is 100 percent vested after three years of credited service. A participant is 100 percent vested in Company's discretionary contributions after six years of credited service.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive his/her vested account balance in a lump-sum, receive the balance in monthly or annuity payments, or roll the account balance to an individual retirement account or to another employer's tax qualified plan. Vested account balances less than \$5,000 will be distributed in a single lump-sum payment. Pre-retirement withdrawals are allowed for participants who have attained age 59½, or who have a qualifying hardship subject to the plan agreement.

See independent auditor's report.

KIHOMAC, Inc 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021 and for the year ended December 31, 2022

Administrative expenses

Most costs and expenses of administering the Plan are paid by the Company except for fees paid to the investment managers from their respective funds, certain fees paid directly by the participants, and quarterly management fees which may be paid with forfeitures. Investment related expenses are allocated to participants based on the participant's investment income and are included in net appreciation in the fair value of investments.

Forfeited accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$5,484 and \$0, respectively. Forfeitures are available to pay plan expenses and reduce Company contributions. During 2022, \$42,470 of forfeitures were used to reduce employer contributions and \$19,003 were used to pay Plan expenses.

2. Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates and assumptions.

Investment valuation and income recognition

The Plan's investments are stated at fair value in the financial statements. Fair value of the financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recognized principally on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of benefits

Benefits are recorded when paid.

3. Information certified by the trustee

The plan administrator has elected the alternative method of compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Accordingly, as permitted under such election, the investment information certified by Ascensus Trust Company (Ascensus) was not audited by the independent auditors except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

See independent auditor's report.

KIHOMAC, Inc 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021 and for the year ended December 31, 2022

The Plan's financial information that was certified by Ascensus includes plan investments as of December 31, 2022 and 2021 of \$24,459,604 and \$27,022,402, respectively, and investment income/(loss) for 2022 of \$(4,717,910). The Ascensus certification also covered investments-related information in the accompanying supplemental Schedule H, Line 4i-Schedule of Assets (Held At End of Year) as of December 31, 2022.

4. Investments at fair value

The Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs. The following section describes the valuation methodologies the Plan uses to measure its assets at fair value.

Money markets funds are the only financial statement instrument that is measured and recorded at fair value on the Plan's balance sheet, and they are considered level 1 valuation securities.

Registered investment companies (mutual funds): Mutual funds for which a quoted market price is available on an active market are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value at December 31, 2022 are summarized below:

	Level 1	Level 2	Level 3	Total
Money market funds	\$ 1,098,536	\$ -	\$ -	\$ 1,098,536
Mutual funds	23,361,068	-	-	23,361,068
	<u>\$ 24,459,604</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,459,604</u>

Assets measured at fair value at December 31, 2021 are summarized below:

	Level 1	Level 2	Level 3	Total
Money market funds	\$ 530,612	\$ -	\$ -	\$ 530,612

Notes to Financial Statements

December 31, 2022 and 2021 and for the year ended December 31, 2022

5. Party in interest transactions

Ascensus Trust Company is the Trustee of the Plan. Certain Plan investments are managed by the Vanguard Group, Inc. Vanguard provides services to the Plan. Therefore, these transactions qualify as party in interest transactions. Vanguard provides certain administrative services to the Plan through third party arrangements, pursuant to an agreement between the Sponsor and the Vanguard Group, Inc. Vanguard receives revenue from mutual fund service providers for services provided to the funds. This revenue is used to offset certain amounts owed for administrative services to the Plan. If the revenue received by Vanguard from such mutual fund service providers exceeds the amount owed under the agreement, the excess amount is remitted to the Plan's trust on a regular basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of participants. During 2022 and 2021, there were no excess amounts. The Plan or Plan Sponsor may make a payment to Vanguard for administrative changes not covered by revenue sharing.

6. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in all employer contribution accounts.

7. Tax status

The IRS has determined and informed the plan sponsor by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the advisory opinion, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

In accordance with authoritative guidance issued by the FASB, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress. The Plan is subject to income tax examinations for years ended December 31, 2019 through December 31, 2022.

8. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

See independent auditor's report.

Notes to Financial Statements

December 31, 2022 and 2021 and for the year ended December 31, 2022

9. 5500 Reconciliation

The following is a reconciliation of net assets available for benefits per the financial statement to Form 5500 as of and for the years ending December 31:

	2022		2021
	Net Assets Available for Benefits	Decrease in Net Assets Available for Benefits	Net Assets Available for Benefits
Balance per financial statements	\$ 24,453,228	\$ (2,560,398)	\$ 27,013,626
2021 excess contributions refundable	-	(8,776)	8,776
2022 excess contributions refundable	6,376	6,376	-
As reported on Form 5500	<u>\$ 24,459,604</u>	<u>\$ (2,562,798)</u>	<u>\$ 27,022,402</u>

10. Subsequent events

The plan administrator assessed events occurring subsequent to December 31, 2022 through September 12, 2023, the date the financial statements were available to be issued, for potential recognition and disclosure in the financial statements. No events have occurred that would require adjustment to or disclosure in the financial statements.

See independent auditor's report.
