INDEPENDENT AUDITORS' REPORT

To the Board of Trustees and Administrative Committee
of the Frank O. Gehry & Associates, Inc. / Gehry Partners, LLP 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Frank O. Gehry & Associates, Inc. / Gehry Partners, LLP 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Frank O. Gehry & Associates, Inc. / Gehry Partners, LLP 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Frank O. Gehry & Associates, Inc. / Gehry Partners, LLP 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Frank O. Gehry & Associates, Inc. / Gehry Partners, LLP 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually

or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Frank O. Gehry & Associates, Inc. / Gehry Partners, LLP 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Frank O. Gehry & Associates, Inc. / Gehry Partners, LLP 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Scheduled Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for the purpose of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and

Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion of the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Frank O. Gehry & Associates, Inc. / Gehry Partners, LLP (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering substantially all employees of the Company who have completed three months of service. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974. Union employees, leased employees and non-resident aliens who receive no United States income are ineligible to participate. The Plan Trustees are responsible for oversight of the Plan. The Administrative Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustees.

Plan Amendments – Effective March 1, 2022 the Plan was amended to allow participant loans. The impact of this amendment is discussed throughout this note.

Contributions – Each year, participants may elect to contribute up to 100% of their pre-tax and after tax annual compensation, as defined in the Plan. Participants aged 50 or older by the Plan year-end, may make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined benefit contribution plans (rollover). Participants may change their contribution amount at any time.

The Company makes safe-harbor contributions of 3% of compensation to the accounts of participants who have completed one-year of service for that plan year. Additionally, at the election of the Company, employees of the Company and related entities who have completed 1,000 hours of service during a plan year, and were still employed on December 31 of that plan year are eligible to receive discretionary employer profit-sharing contributions for that plan year. The Company elected to make profit-sharing contributions of \$454,013 for 2022. Contributions are subject to certain IRS limitations.

Participants direct the investment of their contributions, safe-harbor contributions, and discretionary employer profit-sharing contributions into various mutual fund investment options offered by the Plan. Participants may change their investment options daily.

Participant Accounts – Each participant's account is credited with the participant's contributions, including rollovers, the allocations of the Company's safe-harbor and profit-sharing contributions, and Plan earnings resulting from the investment choices made by the participant. Participant accounts are charged with participant distributions, Plan losses resulting from investment choices made by the participant, and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Vesting – Participants are vested immediately in their contributions plus actual earnings, thereon. Benefits upon termination are composed of the participant's 100% vested interest in their elective contributions and safe-harbor employer contributions and the related accumulated earnings thereon. Participants become vested in the discretionary profit-sharing contributions, if any, and actual earnings thereon, on a graduated basis over six years of credited service as indicated by the following table.

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A year of credited service is a twelve-month period in which the participant provides service to the Company. If a participant dies, suffers a disability, or has attained the normal retirement age of 62, the participant becomes 100% vested in all profit-sharing contributions.

Notes Receivable from Participants – Notes receivable from participants. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 7.25%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits – Upon termination of employment, attaining the age of 62, death or disability, or retirement, participants may elect to receive benefits in the form of a single lump-sum amount equal to the vested interest of their account or installment payments or partial withdrawals. The Plan also provides for hardship withdrawals from a participant's account for immediate and heavy financial needs, as defined by the Plan document, subject to certain limitations. Payments are valued at the last valuation date on or before termination and are recorded when paid. Distributions are subject to applicable federal and state tax and/or penalties.

The Company has the option to distribute vested benefits of terminated participants with balances up to \$5,000 in a single lump-sum distribution without the participant's consent.

Forfeitures – At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$28,274 and \$20,708, respectively. Upon termination of employment, participants forfeit their unvested balances. Forfeitures can be used to pay Plan expenses or reduce the cash needed to fund future employer contributions. During 2022, \$23,446 in forfeitures were used by the Company to fund employer contributions.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Forfeitures may be restored to a terminated participant's account if the participant is re-employed before incurring five consecutive one-year breaks in service and repays the full amount of any distribution they received before the end of the five-year period that begins on the date they were re-employed. During 2022, no forfeitures were used to restore previously forfeited account balances of certain participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fidelity, the Custodian of the Plan's assets, receives indirect compensation from fees charged on assets held in funds, in which Plan participants invest. This indirect compensation is included as a component of net appreciation in fair value of investments on the Statement of Changes in Net Assets Available for Benefits.

Subsequent Events – Plan management has evaluated events and transactions occurring subsequent to December 31, 2023 through September 20, 2023, the date the financial statements were available to be issued.

NOTES TO THE FINANCIAL STATEMENTS

3. INFORMATION CERTIFIED BY THE INVESTMENT CUSTODIAN (UNAUDITED)

The Plan Administrator has elected for 2022 and 2021, the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following investment information was certified by Fidelity, the custodian, and was not subjected to any auditing procedures performed by the independent public accountants, except for comparing such information to the related information included in the financial statements and supplemental schedule:

- Fair value of investments as shown in the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021 which total \$39,155,320 and \$46,199,697, respectively.
- Net depreciation in fair value of investments as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022 of \$10,622,893.
- Interest and dividends as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022 of \$2,385,242.
- All investment-related information in the accompanying Supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), December 31, 2022.

During 2022, the net depreciation in fair value of investments was \$10,622,893 and related entirely to mutual funds.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under *FASB ASC 820* are described as follows:

- | | |
|----------------|---|
| <i>Level 1</i> | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| <i>Level 2</i> | Inputs to the valuation methodology include: <ul style="list-style-type: none"> • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; |

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (Continued)

- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies (Mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022

	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Assets in the fair value hierarchy:				
Mutual Funds	\$ 39,155,320	-	-	39,155,320
Investments at fair value				<u>\$39,155,320</u>

Assets at Fair Value as of December 31, 2021

	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Assets in the fair value hierarchy:				
Mutual Funds	\$ 46,199,697	-	-	46,199,697
Investments at fair value				<u>\$46,199,697</u>

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (Continued)

Gains and losses (realized and unrealized) included in changes in net assets for the period above, are reported in net appreciation in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

5. PARTIES-IN-INTEREST TRANSACTIONS

Fidelity Management Trust Company, the Company's third-party administrator and the Company are parties-in-interest as defined by ERISA. Fidelity invests certain Plan assets in mutual funds managed by Fidelity. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments. Such transactions qualify as party-in-interest transactions permitted by the Department of Labor's Rules and Regulations and are exempt under Section 408(b)(8) of the IRC.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the company contribution portion of their account.

7. TAX STATUS

The Company's plan is based on a standardized plan offered by Fidelity, and obtained its most recent favorable opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, in which the IRS stated that the Plan and related trust are designed in accordance with applicable requirements of the Internal Revenue Code ("IRC"). The plan has been amended since receiving the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Administration errors, if any, which are insignificant or operational in nature, are handled by the administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator and the Plan's tax counsel believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO THE FINANCIAL STATEMENTS

8. RISKS & UNCERTAINTIES

The Plan provides for various investment options in mutual funds. Investment securities, comprising said mutual funds, are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The Plan invests in mutual funds which invest in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in companies of the United States. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.
