INDEPENDENT AUDITORS' REPORT

Ernie Ball, Inc., as Plan Administrator of Ernie Ball, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of **Ernie Ball, Inc. 401(k) Profit Sharing Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of **December 31, 2022 and 2021**, and the related statement of changes in net assets available for benefits for the year ended **December 31, 2022**, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Ernie Ball, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in **Note 3** to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ernie Ball, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ernie Ball, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ernie Ball, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ernie Ball, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Investments and Participant Loans as of and for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN (continued)

Contributions

Contributions to the Plan are made through employee contributions, including catch-up contributions, Company contributions, and participant roll over contributions. Contributions to the plan can be made as follows:

- *Employee Salary Deferral Contributions* - Each pay period the participants may contribute either a dollar amount or percentage of their eligible annual compensation to the Plan subject to the limits allowable under the Internal Revenue Code.
- *Employee Rollover Contributions* - Participants may also contribute amounts representing distributions from other qualified plans.
- *Employer Matching Contributions* - At the discretion of the Board of Directors, the Company may make matching contributions, which are also participant directed. The Company matches 25% of employee contributions, up to 6% of eligible compensation deferred to the Plan. The matching contributions made to the Plan for the year ended December 31, 2022 totaled \$131,887.
- *Employer Profit Sharing Contributions* - At the discretion of the Board of Directors, the Company may make profit sharing contributions, which are also participant directed. There were no profit-sharing contributions for the year ended December 31, 2022.

Investments

Participants can direct the investment of their accounts (including employee and Company contributions) among various investment options offered by the Plan. The Plan offers a group of pooled separate accounts as administered by John Hancock Life Insurance Company, as investments options for the participants.

Participant's Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and plan earnings and is charged with an allocation of plan fund administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and roll over accounts plus actual earnings thereon. Vesting in the Company contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service. A participant is also 100% vested upon normal retirement age, death, or disability.

ERNIE BALL, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

1. DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

Participants can borrow from their fund accounts a minimum of \$500 up to a maximum of \$50,000 reduced by the highest outstanding loan balance during the prior twelve months or 50% of their vested account balance. Loan terms range from 1 - 5 years at a reasonable interest rate determined by the administrator and are secured by their account balance. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination, death, disability, or retirement, a participant's account will be distributed in accordance with the provisions in the Plan Document. A participant's account is distributed in a single lump-sum payment if the balance is less than \$1,000. If the account balance is greater than \$1,000, the participant must consent to the distribution and may choose from several different payment of benefit options (some of which may require spousal consent), such as distribution in cash or Direct Rollover. In the case of death, the distribution shall be made to the participant's beneficiary.

Forfeited Accounts / Cash Account

Forfeitures of non-vested employer contributions, if any, shall be used to reduce employer contributions for the plan year in which they occurred or thereafter. As of December 31, 2022 and 2021, there was \$7,944 and \$5,587, respectively, in forfeited non-vested accounts available to reduce future Company contributions and administrative expenses.

Coronavirus Aid, Relief, and Economics Security Act (CARES Act)

During 2020, the Plan implemented the distribution relief provisions in accordance with the CARES Act, which was enacted in March 2020. The provisions enabled participants negatively impacted by COVID-19 to take penalty-free distributions through December 30, 2020, any early withdrawals would be included in the impacted participant's taxable income over a three-year period, unless the participant elected to have the withdrawal fully taxed in the year of distribution, and suspended required minimum distributions for the 2020 calendar year, including 2020 payments that would have been required to be made by April 1, 2021, unless elected otherwise. The CARES Act had provisions that could be effective and operational immediately, without requiring the Plan to be amended upon implementation. Written amendments to the Plan to reflect these operational changes will be adopted in accordance with applicable law and IRS guidance.

2. SUMMARY OF ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

Basis of Presentation

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP) and the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

See Independent Auditors' Report

ERNIE BALL, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

2. SUMMARY OF ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of the Plan's pooled separate accounts is at Net Asset Value (NAV), which is calculated by the fund balance based on net assets. The NAV is used as the practical expedient to estimate fair value. See Note (4) for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant loan receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants in excess of the amount allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions for the years ended December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation of the fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and are charged directly to the participant's account.

3. INFORMATION PREPARED AND CERTIFIED BY JOHN HANCOCK LIFE INSURANCE COMPANY

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been certified as complete and accurate by John Hancock Life Insurance Company.

	2022	2021
Investments at fair value:		
Pooled separate accounts	\$ 9,348,224	\$ 10,639,949
Cash Account	7,944	5,587
Loan security accounts	605,517	546,792
Investment income / (loss)	(1,696,124)	1,440,193

4. FAIR VALUE MEASUREMENTS

The Plan's valuation methodologies were applied to the Plan's investments carried at fair value. Fair value is based upon quoted market prices, where available. If listed prices or quotes are not available, fair value is based upon models that primarily use, as inputs, market-based or independently sourced market parameters. See Note (2) for details and procedures used to value investments in pooled separate account funds measured at NAV, which is used as the practical expedient to estimate fair value.

Fair value calculations may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Valuation Hierarchy

FASB Accounting Standards Codification, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level One - Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level Two - Inputs are observable inputs other than quoted (Level 1) prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable to can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level Three - Unobservable inputs that are supported by little, or no, market activity and that are significant to the fair value of the assets or liabilities.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

See Independent Auditors' Report

ERNIE BALL, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for the investments measured at fair value; there have been no significant changes in the methodologies used at December 31, 2022 and 2021.

- **Pooled separate accounts:** These funds are valued at the net asset value (NAV) or equivalent based on units of the pooled separate accounts. The NAV, as provided by the trustee, is used as the practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account less liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate accounts will sell the investment for an amount different than the reported NAV.

The following tables set forth, by level with the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021 as follows:

December 31, 2022				
Carrying Amount	Fair Value Estimated Using			
	Level One	Level Two	Level Three	
Assets at fair value:	\$ -	\$ -	\$ -	
Assets at NAV:				
Pooled separate accounts	9,348,224			
TOTAL INVESTMENTS	\$ 9,348,224	\$ -	\$ -	\$ -

December 31, 2021				
Carrying Amount	Fair Value Estimated Using			
	Level One	Level Two	Level Three	
Assets at fair value:	\$ -	\$ -	\$ -	
Assets at NAV:				
Pooled separate accounts	10,639,949			
TOTAL INVESTMENTS	\$ 10,639,949	\$ -	\$ -	\$ -

5. RELATED-PARTY TRANSACTIONS

The Company, the participants, and the Trustee/Custodian have all been identified as parties-in-interest. The Plan has investments in participation units held in pooled separate accounts through sub-accounts of John Hancock Life Insurance Company. John Hancock provides services to the Plan as the custodian and record keeper; therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. Participant loans also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. Certain administrative expenses of the Plan are paid by the Company and qualify as party-in-interest.

See Independent Auditors' Report

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. TAX STATUS

The Plan was established effective January 1, 2004. The Plan has been amended from time to time, including an amendment adopted and effective January 1, 2015.

The Plan has received an opinion letter from the Internal Revenue Service dated September 30, 2014, stating that the written form of the underlying prototype plan document is qualified under Section 401(a) of the Internal Revenue Code (the Code), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualifications. The plan administrator is not aware of any course of action or series of events that it believes would adversely affect the Plan's qualified status.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that is more likely than not would be sustained upon examination. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provisions or liability for income taxes has been included in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefit.

9. SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through September 8, 2023, the date the financial statements were available to be issued, and there were no subsequent events requiring adjustments to the financial statements or disclosures.
