# Independent Auditor's Report

To the Plan Administrator and Participants
Wayzata Minnesota Fixed Operations 401(k) Plan
Oak Brook Terrace, IL

## *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements*

We have performed an audit of the financial statements of Wayzata Minnesota Fixed Operations 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## *Opinion on the 2022 Financial Statements*

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section;

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the 2022 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter – 2022 Supplemental Schedule Required by ERISA***

The supplemental schedule, Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that is agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter – Prior Period Adjustment***

As part of our audit of the 2022 financial statements, we also audited the adjustments described in Note 10 that were applied to restate the 2021 financial statements. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to the 2021 financial statements of the Plan other than with respect to the adjustment, and, accordingly we do not express an opinion or any other form of assurance on the 2021 financial statements as a whole.

***Other Matter – Auditor's Report on the 2021 Financial Statements***

Predecessor auditors performed an audit of the 2021 financial statements of the Plan before the restatement described in the previous paragraph. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated January 9, 2023 indicated that (a) the amounts and disclosures in the 2021 financial statements before the restatement described in the previous paragraph, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from in all material respects, the information prepared and certified by an institution that management determined meets the requirements for ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule other than the information in the 2021 supplemental schedule that agreed to or was derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined met the requirements of ERISA Section 103(a)(3)(C).

## Note 1. Plan Description

The following brief description of the Wayzata Minnesota Fixed Operations 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan sponsored by Ed Napleton Oak Lawn Imports, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Employees who have attained the age of 21 and completed 1 year of service are eligible to participate in the Plan. Eligible employees enter the plan on the first day of the calendar quarter coinciding or immediately following meeting eligibility requirements. Those employees categorized as Product Specialists, New Car Sales Manager, Fixed Operations Managers, Used Car Sales Managers, Shuttle Drivers, Senior Product Specialists, Dealer Trade Porters, Comptrollers, Office Accounting Administrators, Business Elite Account Specialists, Front Desk Personnel, Parts Managers, Finance & Insurance Managers, Office Administrators, Customer Service Specialists, Warranty Managers, General Managers, Non-Union Service Runners, Non-Union Car Porters, Porters, Administrative Assistants, Service Managers, General Sales Managers, Sales and Inventory Assistants, Delivery Specialists, Estimators, Body Shop Coordinators, Body Shop Production Managers and HR are not eligible to participate in the Plan.

Contributions: Participants may contribute a portion of annual compensation, as defined by the Plan, up to limits set by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of compensation. Participants may change their deferral rates at any time.

The Company may make a discretionary matching contribution to the Plan equal to a percentage of the elective contributions made by the participants to the Plan. For 2022, the Company approved matching a rate of 25 percent of employee deferrals up to 8 percent of compensation, as defined.

The Company may also make a discretionary profit-sharing employer contribution on behalf of the eligible participants. For 2022, the Company contributed 174,601.

Contributions are subject to limitations.

Investment options: Upon enrollment in the Plan, a participant may direct contributions in a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options at any time.

Participant accounts: Each participant's account is credited with the participant's contribution, Company matching contribution, if any, Company profit sharing contribution, if any, and Plan earnings/losses. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## Note 1. Plan Description (Continued)

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after 6 years of credited service. Upon reaching normal retirement age, as defined by the plan or if the participants terminate employment due to death or disability, they are 100 percent vested in their account balances.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balance, whichever is less. Only 1 loan per participant may be outstanding at any time. The loan repayment period is not to exceed 5 years. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1 percent above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

Payment of benefits: On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In addition, in-service and hardship withdrawals are permitted in certain situations as described in the plan agreement.

Forfeited accounts: At December 31, 2022 and 2021, forfeited non-vested accounts totaled $43,941 and $29,949 respectively. Forfeitures may be used to pay administrative expenses of the Plan or to reduce Company contributions. In 2022, $8,347 of forfeited non-vested accounts were used to offset Company contributions.

## Note 2. Summary of Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Management determines the Plan's valuation policies utilizing information provided by the investment trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan document.

Payment of benefits: Benefits are recorded when paid.

### Note 2. Summary of Accounting Policies (continued)

Excess contributions payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participants prior to March 15, 2023.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/(depreciation) in fair value of investments.

Subsequent events: The Plan Administrator has evaluated all subsequent events for potential recognition and/or disclosure through September 26, 2023, the date the financial statements were available to be issued.

### Note 3. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation/depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC (Empower) (the trustee of the Plan).

### Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

**Note 4. Fair Value Measurements (continued)**

*Shares of registered investment companies*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common/collective trust funds:* Value based on NAV of units of the common/collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

| | 2022 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Shares of registered investment companies | $ 231,236 | $ - | $ - | $ 231,236 |
| Investments measured at net asset value (a) | | | | 2,229,957 |
| Investments at fair value | | | | $ 2,461,193 |

| | 2021 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Shares of registered investment companies | $ 392,440 | $ - | $ - | $ 392,440 |
| Investments measured at net asset value (a) | | | | 2,068,964 |
| Investments at fair value | | | | $ 2,461,404 |

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

## Note 4. Fair Value Measurements (continued)

The following table summarizes investments measured at fair value based on NAV per shares as of December 31, 2022 and 2021:

(g) *State Street US Bond Index Non-Lending.* Seeks an investment return that approximates, as closely as practicable, before expenses, the performance of the Bloomberg U.S. Aggregate Bond Index over the long term.
(h) *MFS Mid Cap Value Fund* seeks capital appreciation by investing primarily in equity securities or issuer with medium market capitalization that its manager believes are undervalued compared to their perceived worth.
(i) *Harbor Capital Appreciation CIT.* Invests primarily in equity securities, principally common and preferred stocks, of U.S. companies with market capitalizations of at least $1 billion at the time of purchase and that the subadvisor considers having above average prospects for growth and seeks long-term growth of capital.

### Note 5. Related-Party and Party-in Interest Transactions

Empower is the current trustee, custodian and recordkeeper of the Plan, as defined by the Plan, and therefore transactions with Empower qualify as party-in-interest.

MMA Securities LLC provides certain advisory services to the Plan. Transactions with MMA Securities qualify as party-in-interest transactions.

The Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

Certain employees of the Company provide administrative services for the Plan and are not reimbursed for their services from the Plan.

Certain other administrative expenses are paid by the Company on behalf of the Plan. These amounts are not material to the financial statements.

### Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

### Note 7. Tax Status

The Plan has adopted a pre-approved plan sponsored by Empower Retirement LLC. The pre-approved plan has received a letter from the Internal Revenue Service, dated November 14, 2022, stating that the pre-approved plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code. The Plan Administrator believes the Plan is designed and is currently operating in compliance with applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the U.S. federal, state, or local tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2022 and 2021:

| | 2022 | 2021 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ 2,671,374 | $ 2,705,749 |
| Company contributions receivable | (209,751) | (270,274) |
