Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of Alcom Printing Group, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Alcom Printing Group, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding the assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103.5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and

certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Alcom Printing Group, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Alcom Printing Group, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Alcom Printing Group, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Alcom Printing Group, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the accompanying schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description Of Plan

The following description of the Alcom Printing Group, Inc. ("Company") 401(k) Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a) General

The Plan is a participant-directed, defined contribution plan established by Alcom Printing Group, Inc.. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The general administration of the Plan and the responsibility for carrying out the provisions of the Plan are maintained by a committee (the Committee) appointed by the Company. In accordance with the provisions of the Plan, Ascensus, Inc. is acting as the Plan Administrator and Vanguard Fiduciary Trust is acting as Plan trustee. The Administrator maintains participant account records and executes transactions such as benefit payments to participants. The Trustee holds the assets of the Plan and executes transactions at the direction of the Plan Committee. The Trustee also reports to the Plan's management regarding investments and changes in these investments.

b) Contributions

Participants may enter the Plan on the first day of the month upon attainment of eligibility requirements. Each year, participants may contribute up to 100 percent of eligible compensation, as defined in the Plan, subject to certain limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants are eligible for employer match contributions after they have completed three months of service, and are age eighteen or older. Beginning in 2016, the Company matches the participant's contribution equal to 20 percent of the participant's elective deferrals, up to 7 percent of participant's eligible compensation. The Company may elect to forego a contribution in any year. Employer match contributions for the years ended December 31, 2022 and 2021 were \$81,673 and \$70,126, respectively.

Note 1 b)- Description Of Plan (Continued)

Additionally, the Company may contribute to the Plan a discretionary nonelective contribution, determined by the Board of Directors, not limited to current or accumulated net profits. In order to share in this nonelective contribution, the employee must have completed 1,000 hours of service during the Plan year, be 18 years of age or older and be employed on the last day of the Plan year. The employer nonelective contribution is allocated to eligible participants based upon the percentage of the participant's compensation to the total compensation of all eligible participants. There were no discretionary nonelective employer contributions made to the Plan in 2022 or 2021.

c) Participant accounts

Each participant's account is credited with the participant's contribution, employer matching contribution, and an allocation of (a) the Company's profit sharing contribution, (b) forfeited amounts, as applicable, (c) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various investment options offered by the Plan.

d) Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution and profit sharing portion of their accounts plus earnings thereon is based on years of continuous service. Forfeitures are allocated to participant accounts in the same manner as employer contributions. A participant is 100% vested after ten years of credited service.

e) Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at 3.25% - 5.50%, and the rate is determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

The loan repayments and interest earned are allocated to each of the investment funds based upon the participant's contribution election percentages. The term of the loan is arrived at by mutual agreement between the Plan Committee and the participant, but may not exceed five years unless the loan is to be used to acquire a dwelling unit which, within a reasonable time (determined at the time the loan is made), will be used as the principal residence of the participant for which the loan may not exceed ten years.

f) Payments of benefits

Upon reaching normal retirement (age 65 or age 55 with 10 years of vested service, as defined) or upon permanent disability, all vested amounts credited to a participant's account become distributable. Distributions will be made as soon as administratively feasible, following a participant's request. Participant's whose vested interest is less than \$5,000 will be paid in a single lump sum payment, while a participant whose vested interest exceeds \$5,000 will be paid in the form of a lump sum payment, a direct rollover, or in the form of an annuity not to exceed the beneficiary's life expectancy.

Additionally, under certain circumstances of financial hardship, such as payment of deductible medical expenses, purchase of a principal residence, prevention of eviction or foreclosure or payment of tuition, the participant is allowed to withdraw funds from the Plan not to exceed the amount of the financial hardship.

Upon a participant's death, the participant's beneficiary is entitled to 100% of the participant's vested account balance.

On termination of service, other than for normal retirement or death, the Administrator will direct the current Trustee to pay to the participant his or her benefit in an immediate lump sum or a deferred lump sum, if certain criteria are met.

g) Forfeited accounts

Upon a participants termination date, and prior to the time the participant becomes vested in his or her account, the non-vested portion, if any, shall be forfeited. At December 31, 2022 and 2021, the forfeited nonvested account balances totaled \$0. These accounts will be used to reduce future employer contributions and Plan expenses. For the years ended December 31, 2022 and 2021, \$0 and \$47 were recorded as forfeitures. For the years ended December 31, 2022 and 2021, employer contributions were reduced by \$0 from forfeited nonvested accounts. For the years ended December 31, 2022 and 2021, administrative expenses were reduced by \$0 and \$0 from forfeited nonvested accounts.

Note 2 - Summary Of Significant Accounting Policies

a) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

See independent auditors' report

Note 2 - Summary Of Significant Accounting Policies (Continued)

b) Use of estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c) Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d) Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. The balance of notes receivable from participants at December 31, 2022 and 2021 was \$157,492 and \$196,474 respectively.

e) Payment of benefits

Benefits are recorded when paid.

f) Administrative expenses

All administrative expenses are paid directly through the Plan and are allocated to the participants. Professional fees were paid by the Company. It is the Company's intention to pay for these fees in the future.

g) Subsequent events

The Plan has evaluated subsequent events through September 22, 2023, the date the financial statements were available to be issued.

Note 3 - Information Prepared And Certified By Custodian

At December 31, 2022 and 2021, the Plan's investments were held by the Trustee. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The fair value of investments at December 31, 2022 and 2021 as reported by the Trustee is summarized as follows:

	2022	2021
Collective trust fund	\$ 1,460,683	\$ 1,402,051
Mutual funds, at fair value	9,336,724	11,813,754
Self-directed brokerage accounts	394,634	398,735
Notes receivable from participants	157,492	196,474
Investment appreciation (depreciation)	(2,821,136)	(347,437)
Capital gains	94,857	967,687
Realized gain on sales of securities	25,798	1,042,513
Dividend and interest income	150,023	148,972
Interest income from participant loans	6,942	7,004

Note 4 - Investments

For the years ended 2022 and 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$(2,821,136), and depreciated in value by \$(347,437), respectively.

Note 5 - Fair Value Measurements

FASB ASC-820, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of other than the quoted prices in active markets that are observable either directly or indirectly, and Level 3 which is based on unobservable and have the lowest priority. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from the corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Valued at the net asset value of units held by the Plan at year end.

Self-directed brokerage accounts: Valued at the net asset value of shares held by the Plan at year end.

See independent auditors' report

Note 5 - Fair Value Measurements (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3
Mutual funds	\$ 9,336,724	\$ -	\$ -
Self-directed brokerage accounts	394,634	-	-
Collective trust fund	-	1,460,683	-
Totals	<u>\$ 9,731,358</u>	<u>\$ 1,460,683</u>	<u>\$ -</u>

Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3
Mutual funds	\$ 11,813,754	\$ -	\$ -
Self-directed brokerage accounts	398,735	-	-
Collective trust fund	-	1,402,051	-
Totals	<u>\$ 12,212,489</u>	<u>\$ 1,402,051</u>	<u>\$ -</u>

Note 6 - Related-Party Transactions

Ascensus, Inc. is the custodian as defined by the Plan. Fees paid by the Plan for investment management services and transactional based expenses amounted to \$1,136 and \$(25) for the years ended December 31, 2022 and 2021, respectively.

See independent auditors' report

Alcom Printing Group, Inc.
Notes to Financial Statements
For the Years Ended December 31, 2022 and 2021

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 8 - Tax Status

The Company adopted a non-standardized prototype plan provided by the Trustee, who received an IRS opinion letter which stated that the Plan, as designed, is in compliance with the applicable section of the Code. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Service Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 9 - Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
