Independent Auditor's Report

Board of Trustees
Sheet Metal Workers' Local No. 38 Profit Sharing Plan

Opinion

We have audited the accompanying financial statements of the Sheet Metal Workers' Local No. 38 Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the years ended December 31, 2022 and 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 16 through 18 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 19 through 20 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Independent Auditor's Report

Board of Trustees
Sheet Metal Workers' Local No. 38 Profit Sharing Plan

Opinion

We have audited the accompanying financial statements of the Sheet Metal Workers' Local No. 38 Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the years ended December 31, 2022 and 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 16 through 18 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 19 through 20 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

SHEET METAL WORKERS' LOCAL NO. 38 PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 1 - Description of Plan and Significant Accounting Policies

The following description of the Sheet Metal Workers' Local No. 38 Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan first became effective July 1, 1970 and is a defined contribution profit sharing plan established under an Agreement and Declaration of Trust pursuant to collective bargaining agreements between the Sheet Metal, Air, Rail and Transportation Workers Local Union 38 (the "Union") and various employers and employer associations in the sheet metal industry in the Westchester, Putnam, Rockland, Orange, Sullivan, Ulster and Dutchess Counties in New York and Fairfield and Litchfield Counties in Connecticut. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Management has evaluated subsequent events through the date of the auditor's report, the date the financial statements were available to be issued.

Purpose

The purpose of the Plan is to provide retirement benefits to eligible participants.

Participation

An individual becomes a participant in the Plan the first day his/her employer, subject to a collective bargaining agreement, is required to make contributions to the Plan. Employees of the Union and its related fringe benefit funds are also participants of the Plan.

Vesting

Participants are immediately 100% vested in all contributions and related earnings credited to their individual accounts.

Benefits

A participant, or the participant's beneficiary, is entitled to receive benefits, if the participant:

1. Attains age 55 and retires
2. Dies
3. Becomes disabled
4. Has no employers' contributions credited to his/her individual account for 24 consecutive months.

SHEET METAL WORKERS' LOCAL NO. 38 PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Benefits (cont'd)

Plan regulations mandate that the distribution of a participant's benefit commences when the participant attains age 72.

Benefits are recorded when paid.

A participant may elect any one of the following methods of payment:

- a. Single life annuity or qualified joint survivor annuity, purchased by the Plan from an insurance company
- b. One lump sum
- c. A rollover to an IRA or other qualified retirement plan
- d. Monthly distribution - a partial distribution of some or all of the account balance, once per month in such amount as elected

Notes receivable from participants

A participant may generally borrow up to 50% of the amount in his or her individual account not to exceed \$50,000. The loans are secured by the balance in the participants' accounts. Loans are limited to purposes defined in the Plan and bear interest at the prime rate quoted in the Wall Street Journal on the day the loan is approved. In general, loans must be repaid at least quarterly over a period of five years. Loans relating to the purchase of a principal residence must be repaid over a period of 20 years.

Notes receivable from participants are measured at their unpaid principal balance. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021 no allowance for credit losses has been recorded. If a participant does not make loan repayments in accordance with the terms of the loan and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Hardship withdrawals

In the event of certain financial hardships, as defined in the Plan, a participant may apply for a distribution of up to \$50,000 as per the plan conditions from his/her profit sharing account.

SHEET METAL WORKERS' LOCAL NO. 38 PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Participant accounts

Individual accounts are maintained for each participant of the Plan and are "participant directed" for investment purposes. Under this strategy, each participant directs the investment of his/her account into various investment options offered by the Plan. Each participant's account is credited with contributions made on his/her behalf. An administrative fee is charged to each participant's account on a monthly basis to cover the operating expenses of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan termination

The Trustees expect and intend to continue the Plan indefinitely, but reserve the right to amend or terminate it as provided for by the applicable Trust Agreement and Plan provisions. If the Plan is terminated, the rights of all affected participants and beneficiaries, to the value of the amounts credited to participants' accounts, shall be non-forfeitable and the Plan assets will be allocated to pay all obligations of the Plan and to provide benefits to those eligible under the terms of the Plan and as otherwise required by law.

Basis of accounting

The financial statements are presented on the accrual basis of accounting.

Investment valuation and income recognition

The Plan's investments are stated at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. See "Fair value measurements" footnote for additional information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Reciprocal agreements

The Plan is a party to reciprocal agreements with other annuity funds of the International Association of Sheet Metal, Air, Rail and Transportation Workers.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

SHEET METAL WORKERS' LOCAL NO. 38 PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Administrative expense allocation

The administrative office is occupied by the Plan and the Sheet Metal Workers Local No. 38 Insurance & Welfare Fund (the "Welfare Fund"), a related organization. Certain expenses not specifically applicable to a particular entity are allocated based on the estimated benefit received by each entity. Amounts reported as receivable from related organizations or payable to related organizations generally include balances for shared expenses.

Reimbursements paid to related organizations for the years ended December 31, 2022 and 2021 were \$331,261 and \$300,318, respectively.

Note 2 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices, in active markets, for identical assets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement. Level 3 inputs are generally based on the best information available, which may include the reporting entity's own assumptions and data.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Registered investment companies: Valued at the closing price reported in the active market in which the securities are traded.

Investments measured at net asset value: The value of pooled separate accounts are estimated by management of the investment entity.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 2 - Fair value measurements (cont'd)

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the tables below are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments, as of December 31, 2022, with fair value measurements on a recurring basis:

	<u>2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 2 - Fair value measurements (cont'd)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments, as of December 31, 2021, with fair value measurements on a recurring basis:

	<u>2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments at fair value				
Registered investment companies	\$ <u>47,160,085</u>	\$ <u>47,160,085</u>	\$ <u>-</u>	\$ <u>-</u>

Investments measured at net asset value	<u>67,101,155</u>			
Investments at fair value	\$ <u>114,261,240</u>			

Note 3 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Note 4 - Party-in-interest transactions

Certain Plan investments are held by the manager of the investment; therefore, transactions relating to those investments qualify as exempt party-in-interest transactions and are identified as such on the supplemental schedules of investments.

Note 5 - Pooled separate accounts

The Plan invests in numerous MassMutual Pooled Separate Investment Accounts ("MM-PSIAs"). The primary underlying investment of each MM-PSIA is the mutual fund of the same name. Mass Mutual receives the net asset values of the MM-PSIAs directly from the mutual fund companies for the calculation of unit values. The MM-PSIAs are valued daily and their values are validated with information received from the National Securities Clearing Corporation (NSCC). Fair market value includes reinvested dividends and interest income (received and accrued), realized gains and losses, and unrealized gains and losses of the underlying MM-PSIA assets. MM-PSIAs do not pay dividends or interest to the Plan; the underlying investment performance is reflected in the unit value. The estimated fair value of the Plan's investment as of December 31, 2022 and 2021 was \$53,404,593 and \$67,101,155 respectively.

SHEET METAL WORKERS' LOCAL NO. 38 PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 6 - Unallocated contract

The stable value option offered to Plan participants includes a fully benefit-responsive unallocated investment contract with Empower Retirement ("Empower"), which acquired the Massachusetts Mutual Life Insurance Company's ("Mass Mutual") retirement business as of December 31, 2020. The traditional investment contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The contract value of the investment contract as of December 31, 2022 and 2021 was \$91,495,912 and \$89,012,946, respectively. The crediting interest rate cannot be less than 3.00%. The interest rate is reviewed and reset on a semi-annual basis.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events may limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

Note 7 - Employers' contributions

In accordance with collective bargaining agreements, employers are required to make contributions to the Plan on behalf of employees performing covered work. As of December 31, 2022 and 2021, the predominant hourly contribution rate was \$10.37.

Note 8 - Participant contributions

Participants may elect to direct certain after-tax contributions to the Plan. Additionally, the Plan accepts rollovers from other qualified plans as directed by participants.

Note 9 - Lease

The Plan and the Welfare Fund occupy space in a building that is owned by the Craft Training Fund of Sheet Metal Workers Local 38, a related organization. Annual rent of \$96,000 is paid in accordance with a five-year lease that expires on July 31, 2023. The Plan's estimated portion of occupancy expense for the years ended December 31, 2022 and 2021 was 33%, resulting in rent expense for the years ended December 31, 2022 and 2021 of \$31,680.

Note 11 - Reconciliation of financial statements to Form 5500

For financial statement purposes, participant loans are required to be classified as notes receivable from participants. This differs from the reporting requirements of the Department of Labor which requires that these assets be shown as investments.

For financial statement purposes, investment expenses are reported as a reduction of investment income. The reporting requirements of the Department of Labor require these fees be shown as administrative expenses.

In addition to the above reclassifications, the Plan's investments have been reclassified for Form 5500 purposes in accordance with the Department of Labor's plan asset regulations. See the Schedule Reconciling the Statement of Net Assets Available for Benefits to Form 5500 on page 19.

Note 12 - Other matter

In 2015, the Trustees of the Plan and the Welfare Fund (the "Funds") became aware that a Fund employee, whose duties included the crediting and reporting of employer contributions and delinquencies, had intentionally concealed the failure of three employers to pay contributions. Further, the same employee credited participant accounts of one or more of these employers as if contributions had been paid when, in fact, they had not. As of the date of the auditor's report, the Funds collectively have received approximately \$3,500,000 in past due contributions and restitution.

As of December 31, 2022, the remaining litigation proceeds have been allocated to the Funds and the related transfers of funds occurred after December 31, 2022. In connection with this allocation, the Plan recorded other income totaling \$432,804 in 2022 and \$76,107 in 2023.

The Department of Labor has requested the production of certain documents for its investigation of the three delinquent employers mentioned above. The Funds have responded to all requests for documents. The Funds' fiduciary liability policies have paid the costs associated with these document productions.

Note 13 - Tax status

The Plan has received a determination letter from the IRS dated September 23, 2015, stating that the Plan is qualified under Section 401(a) and is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code. The Trustees believe that the Plan, including amendments subsequent to the IRS determination, is currently designed and operated in compliance with the requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax exempt as of the financial statement date.
