INDEPENDENT AUDITORS' REPORT

Plan Administrator
Towne Mortgage Company
401(k) Profit Sharing Plan
Troy, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Towne Mortgage Company 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Towne Mortgage Company 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Towne Mortgage Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Towne Mortgage Company 401(k) Profit Sharing Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Towne Mortgage Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Towne Mortgage Company 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions, as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 - Description of Plan

The following summary description of the Towne Mortgage Company 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for more complete information of the Plan's provisions.

General - The Plan is a voluntary defined contribution plan covering all full-time employees of Towne Mortgage Company (Company) who have attained the age of 21 and have completed two months of eligible service and part-time employees who have attained the age of 21 and completed 1000 hours in the plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan management oversees the appropriateness of the Plan's investment offerings and monitors investment performance through its investment manager.

Contributions - Each year, participants may elect to contribute a portion of their pretax annual compensation not to exceed limits established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan includes an auto-enrollment provisions whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a managed account portfolio based on the participants age until changed by the participant. The Plan currently offers various common/collective trust, mutual funds and money markets as investment options for participants. Participants may change their investment option daily. The employer may contribute a discretionary percentage of the amount deferred by the participant. For December 31, 2022 the Company matched 100% of the first 4%, then 50% of the next 2% of participant deferrals, which amounted to \$770,359.

Participant accounts - Each participant's account is credited with the participant's contributions and Company's matching contributions as well as allocations of the Company's non-elective matching contribution, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on account balances or specific participant transactions, as defined. A participant is entitled to the benefit provided by the vested portion of the participant's account balance.

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching, discretionary contribution and qualified automatic contribution arrangement (QACA) portion of their accounts plus actual earnings thereon is based on years of credited service. A participant is 100% vested in the Company's matching and discretionary contributions after three years of credited service and is 100% vested in the QACA matching contributions after two years of credited service.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 - Description of Plan - (Continued)

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Repayments are made through payroll deductions and all payments of principal and interest are credited back to the participant's account. Interest rate is set by the Plan administrator in accordance with local prevailing rates for similar types of loans.

Payment of benefits - Upon termination of service due to death, disability, retirement or separation of employment, a participant, or beneficiary thereof, shall be eligible to receive a distribution of the balance of the participant's vested interest in his or her account.

Forfeited accounts - At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$12,131 and \$62,360, respectively. These accounts may be used to pay Plan expenses, reduce future employer contributions or distribute to participants. In 2022, forfeitures of \$85,437 were used to reduce employer match.

NOTE 2 - Summary of Significant Accounting Policies

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management oversees the Plan's valuation policies utilizing information provided by its investment manager and trustees. See Note 4 for discussion of fair value measurements.

The common collective trust fund is valued at the net asset value per share, or its equivalent, of the fund, which is based on the fair value of the fund's underlying assets. There are no redemption restrictions or unfunded commitments on any investments.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date and accrued as earned. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 2 - Summary of Significant Accounting Policies - (Continued)

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Recordkeeping, adviser and service provider fees and fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Benefit payments - Benefits are recorded when paid.

Subsequent events - The Plan has evaluated subsequent events through September 13, 2023, the date the financial statements were available to be issued. There were no subsequent events that required disclosure.

NOTE 3 - Certification of Investment Information

Charles Schwab Trust Bank holds the Plan's investments and notes receivable from participants and executes all related transactions. The investment and notes receivable from participant balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Charles Schwab Trust Bank.

NOTE 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**TOWNE MORTGAGE COMPANY
401(K) PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 4 - Fair Value Measurements - (Continued)

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;

inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Cash - interest bearing - Valued at the cash equivalent value at year end.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds - Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The common collective trust funds are valued at the net asset value per share, or its equivalent, of the fund, which is based on the fair value of the fund's underlying assets. There are no redemption restrictions or unfunded commitments on any investments.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 5 - Related Party Transactions and Party In Interest Transactions

Certain transactions with parties-in-interest, with relation to the Plan, are allowed under the Plan's provisions and are exempt from prohibition under the ERISA. Certain Plan investments are units of mutual funds and common collective trusts managed by Captrust Financial Advisors. These transactions qualify as party-in-interest transactions. During the year ended December 31, 2022, fees incurred by the Plan for the investment management services were paid through a direct payment.

During the year ended December 31, 2022 the Plan used Milliman, Inc. as a third-party plan administrator.

Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

NOTE 6 - Tax Status

The Plan is a prototype plan. The prototype plan has received a favorable opinion letter from the Internal Revenue Service (IRS) that the Plan, as designed, is qualified for Federal income tax-exempt status. The Plan has not individually sought its own determination letter.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and state authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**TOWNE MORTGAGE COMPANY

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 8 - Plan Termination

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to amend, modify, terminate, or partially terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their employer contributions and the net assets would be distributed to the participants according to the participant's account balances.

NOTE 9 - Delinquent Participant Contributions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. Contributions of \$300 were not remitted within the required time period during 2021. These contributions have been corrected and lost earnings have been calculated and remitted to the plan during 2022.
