Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Advanced Concrete Surfaces, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Advanced Concrete Surfaces, LLC Employee Benefit Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Advanced Concrete Surfaces, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in *accordance with accounting principles generally accepted in the United States of America, and for the* design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Advanced Concrete Surfaces, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Advanced Concrete Surfaces, LLC 401(k) Plan Company Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Advanced Concrete Surfaces, LLC 401(k) Plan Company Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Advanced Concrete Surfaces, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2022

NOTE 1 - PLAN DESCRIPTION

The following description of the Advanced Concrete Surfaces 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is sponsored by Advanced Concrete Surfaces, LLC (the "Company" or "Sponsor"). The Plan was established in February of 2015.

The Plan is a defined-contribution plan, covering all employees who have attained the age of 18 and completed 90 days of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements and supplemental schedule of the Plan have been consistently prepared in conformity with accounting principles generally accepted in the United States of America (US GAAP) and with ERISA.

Plan Administration

The Plan is administered by the Sponsor. Ascensus Trust Company (the Trustee) is the trustee of the Plan's assets and is responsible for custody of the Plan's assets and executing transactions related to the Plan's investments. Ascensus, LLC is the Plan's record keeper and is responsible for maintaining participants' accounts and executing participant-initiated transactions.

Contributions

Eligible employees, as defined, may elect to defer and contribute up to 100% of their compensation to the Plan, with a maximum of $20,500 ($27,000 if the employee is age fifty or older) for the year 2022. Participants may designate all or any portion of their salary deferral as a Roth contribution.

The Sponsor may make discretionary matching contributions equal to a uniform percentage, determined annually, of participants' compensation deferrals. For the year ended 2022, the discretionary matching contribution was 50% of employee contributions up to 3% of employee compensation. The Sponsor may make an additional annual discretionary profit-sharing contribution, with the amount determined each year, to be allocated to participants who are employed by the Sponsor and are an active participant at any time during the Plan year. For the year ended 2022 and 2021, the Sponsor did not make an additional profit-sharing discretionary contribution.

Participant Accounts

Each participant's account is credited with the participant's salary reduction contribution, if applicable, an allocation of Plan earnings or losses which are allocated based on the earnings or losses of the participant's selected investments and the Sponsor's net contributions, if applicable.

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Vesting

Participants' elective deferrals and rollovers are immediately vested. Contributions made by the employer for discretionary matches profit sharing are vested based on the number of years of continuous service, beginning with 20% after one year and an additional 20% per year thereafter until the participant is 100% vested after five years of continuous service.

Payment of Benefits

Upon termination of employment, vested benefits less than $5,000 will be paid in a single lump-sum payment based on the participant's vested balance. Other benefits are paid at the participants' direction. Prior to termination of employment, participants may take withdrawals for financial hardship, as defined, death, or at the attainment of age 59 1/2.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In the event of termination of the Plan, all participants will become fully vested.

Forfeited Accounts

Any forfeitures from nonvested accounts are used to pay administrative expenses, with the remaining forfeitures used to reduce Sponsor contributions. The Plan had no forfeited nonvested account balances as of December 31, 2022 or 2021.

Administrative Expenses

Certain administrative expenses of the Plan may be paid by the Sponsor. These costs include certain legal, accounting and administrative fees. Expenses paid by the Plan include investment management fees, recordkeeping fees, and other costs not paid by the Sponsor.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed by the Plan in preparing its financial statements.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with US GAAP and have been consistently applied.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants totaling $26,528 for contributions in excess of amounts allowed by the IRS are recorded as employee contributions payable, with a corresponding reduction to 2022 contributions. The Plan distributed the 2022 excess contributions prior to March 15, 2023. Excess contributions for the year ended December 31, 2021 amounted to $50,402

Tax Status

The Plan is based on the Ascensus 401(k) and Profit Sharing Plan. The Internal Revenue Service ruled on June 30, 2020 that the Plan qualifies under Section 401(a) of the Internal Revenue Code, and therefore, is not subject to tax under the present income tax law.

US GAAP requires the Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor. As of December 31, 2022, the Sponsor has not identified any uncertain tax positions for the Plan.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, as well as reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following investment information, and related activity, certified by the Trustee, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule.

The following is a summary of financial information certified by the Trustee as accurate and complete as of December 31, 2022 and 2021:

	2022	2021
Mutual funds	$ 2,776,839	$ 3,054,029
Total investments at fair value	$ 2,776,839	$ 3,054,029

The following is a summary of financial information certified by the Trustee as accurate and complete for the year ended December 31, 2022:

Net depreciation in fair value of investments	$ (701,855)

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board *Accounting Standards Codification* 820, *Fair Value Measurements and Disclosures* (FASB ASC 820), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under FASB ASC 820, and used by the Plan, are described as follows:

- Level 1: Observable inputs based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2: Observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3: Inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's description for assets measured at fair value are:

- *Mutual funds*. Valued at the net asset value of shares as determined by the fund manager held by the Plan at year-end.

There have been no changes in the methodologies used at December 31, 2022 or 2021.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of December 31, 2022 and 2021 there were no restrictions on redemptions or unfunded commitments for any of the major types of assets.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of:

December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 2,776,839	$ -	$ -	$ 2,776,839
Total investments at fair value	$ 2,776,839	$ -	$ -	$ 2,776,839

December 31, 2021

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 3,054,029	$ -	$ -	$ 3,054,029
Total investments at fair value	$ 3,054,029	$ -	$ -	$ 3,054,029

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2022, are reported in net depreciation in fair value of investments.

NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary to the Plan or party rendering services to the Plan, the employer and certain others. As such, transactions conducted with the Sponsor, auditors, the Trustee, and third party administrator qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to $26,883 for the year ended December 31, 2022.

The Plan invests in certain funds managed by the Trustee which qualify as party-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules.

NOTE 6 – RISKS AND UNCERTANTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 – SUBSEQUENT EVENTS

Subsequent events were evaluated through September 28, 2023, which is the date the financial statements were available to be issued.
