The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Arsht Center 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Arsht Center 401(k) Plan's ability to continue as a going concern for within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Arsht Center 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Arsht Center 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying

accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ARSHT CENTER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Arsht Center 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan, established in 2000. The Plan covers all eligible employees of Adrienne Arsht Center Trust, Inc. (formerly known as Performing Arts Center Trust, Inc.) d/b/a Adrienne Arsht Center for the Performing Arts of Miami-Dade County (“the Organization” or “Plan Sponsor”). Effective January 1, 2015, the Plan was amended to allow eligible employees of the Adrienne Arsht Center Foundation, Inc. to participate in the Plan. Employees become eligible to participate in the Plan at age twenty-one and after completing three months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The plan administrator is responsible for the oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Custody of the Plan’s investments are entrusted to Standard Insurance Company (the “Trustee”). The Trustee holds the Plan’s assets and also performs certain administrative services including the maintenance of certain participant records.

Effectively on December 29, 2022, the Setting Every Community Up for Retirement Enhancement (“SECURE”) 2.0 Act of 2022 was signed into law. The Act is inclusive of approximately 90 provisions which offer many new benefits to employers and plan participants. Certain provision changes are related to the following, but not limited to: changes to auto-enrollment and auto-escalation, age of requirement minimum distributions, catchup contributions, and increased dollar threshold for mandatory distributions. Depending on the specific provision, some will take effect immediately, while others begin in a future year. As of September 26, 2023, Plan management is in process of evaluating the subsequent adoption and related impact these provisions will have on the Plan.

CONTRIBUTIONS

Eligible participants may elect to make pre-tax contributions or after-tax contributions to the Plan’s Roth investment option, as defined in the Plan document. For any calendar year, a participant’s elective deferral may not exceed the lesser of a specific amount (\$20,500 in 2022) as determined by the Internal Revenue Service (“IRS”), or 100% of the participant’s eligible annual compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions up to \$6,500. Participants

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

may also contribute amounts representing distributions from other qualified plans (“Rollovers”). During the year ended December 31, 2022, there were approximately \$47,000 in total Rollovers.

Effective January 1, 2018, the Plan was amended to adopt a safe harbor provision to allow for the Plan Sponsor to contribute an amount equal to the sum of 100% of the participant’s elective deferrals that do not exceed 3% of the participant’s eligible compensation, plus 50% of the amount of the participant’s elective deferrals that exceed 3% of the participant’s eligible compensation, but do not exceed 5% of the participant’s eligible compensation. Effective May 1, 2020, the Plan was amended to no longer provide for safe harbor contributions. However, effective April 1, 2021, the Plan was amended to provide employer matching contributions. Effective January 1, 2022, the Plan was amended to reinstate safe harbor contributions.

The Organization may make a discretionary matching contribution at a percentage of each contributing participant’s elective deferral that the Organization, in its sole discretion, determines from year to year. For the 2022 Plan year, the Organization did not make a discretionary matching contribution. In addition to the Organization’s discretionary matching contribution, each year the Organization may make a discretionary profit-sharing contribution to the Plan. The discretionary profit-sharing contributions will be allocated to all employees eligible to participate in the Plan in proportion to their eligible earnings compared to the eligible earnings of the other employees who will also share in the contribution and who are employed on the last day of the Plan year or have 500 hours of service during the plan year. During 2022, the Organization did not make discretionary profit-sharing contributions.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, Rollovers, and the Organization’s safe harbor and allocations of the Organization’s discretionary matching contributions and discretionary profit-sharing contributions and earnings or losses from participant-directed investments, net of administrative expenses incurred by the participant, if any. Allocations are based on participant earnings (losses) or account balances, as defined by the Plan document. The benefit to which a participant is entitled at termination or retirement is the benefit that can be provided from the vested portion of the participant's account.

ARSHT CENTER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct their contributions plus actual earnings thereon to be invested in any of the investment options offered by the Plan. If the participant decides not to direct their contributions, they are automatically directed into a Qualified Default Investment Alternative (“QDIA”).

VESTING

Participants are immediately vested in their elective deferrals, including Rollovers, safe harbor contributions, plus actual earnings thereon. Vesting in the Organization’s discretionary matching contributions and discretionary profit sharing contributions is based on years of continuous service. A participant is 100% vested after three years of service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	33%
2	66%
3 or more	100%

Effective April 1, 2021, the Plan was amended to fully vest all participants’ balances in the Organization’s contributions.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest that is similar to commercial loans by persons or institutions in the business of lending money in the same geographic area as the Organization. The interest rates on all participant loans outstanding at December 31, 2022 range from 3.25% to 6.25%. Loans must be fully repaid through payroll deductions within 5 years unless the loan is used for the purchase of the primary residence which may be repaid within a period of no more than 10 years. Principal and interest is paid ratably through bi-weekly payroll deductions.

ARSHT CENTER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS (CONTINUED)

On termination of services due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or periodic installments. If the participant's vested account balance is less than \$5,000 at the termination date, then that balance shall be distributed in a single lump-sum payment.

During 2020, the Plan adopted the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which was signed into law on March 27, 2020. The CARES Act temporarily permitted Plan participants to take loans during the 180 day period starting on the date of enactment, up to the lesser of either \$100,000 or 100% of the participant's vested account balance. As of December 31, 2022, certain plan participants have outstanding loans pursuant to this provision.

PAYMENT OF BENEFITS

Participant contributions and vested Employer contributions are available for distribution upon attainment of age 59½, death, disability, termination of employment, or normal retirement age. A participant receives a lump-sum amount equal to the value of the participant's vested interest in his or her account. Terminated participants with a vested account balance less than \$5,000 are automatically paid as defined in the Plan document.

The CARES Act permitted Plan participants to request up to \$100,000 in coronavirus-related distributions through December 31, 2020, with repayment terms of up to three years.

HARDSHIP WITHDRAWALS

A participant who is experiencing a financial hardship, as defined in the Plan documents, may request a withdrawal of all or any portion of such participant's salary deferral contributions, excluding earnings, and Rollovers, if any. For the year ended December 31, 2022, there were no hardship withdrawals.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The IRS requires these excess contributions be distributed within 3 ½ months after the end of the Plan year. The Plan distributed the 2021 excess contributions of approximately \$37,000 to the applicable participants during 2022. There were no excess contributions for the year ended December 31, 2022.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

FORFEITURES

Effective April 1, 2021, the Plan was amended to fully vest all participants' balances in the Organization's contributions. Accordingly, the Plan has no forfeitures.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The financial statements of the Plan have been prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Organization's management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value, except for the Plan's fully benefit-responsive investment contract which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the Trustee. See Note 3 for discussion of fair value measurements.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

ARSHT CENTER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year. All gains and losses are reported in the accompanying Statement of Changes in Net Assets Available for Benefits.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses have been recorded as of December 31, 2022 and 2021. Delinquent notes receivable are treated as distributions based upon the terms of the Plan documents.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

Administrative expenses incurred in relation to the maintenance of Plan are substantially paid by the Plan Sponsor, however, if allowed under the Plan document, may be paid by the Plan. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments and are not separately identified.

RISK AND UNCERTAINTIES

The Plan provides for various investment options in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.

ARSHT CENTER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RISK AND UNCERTAINTIES (CONTINUED)

The plan administrator, through its investment auditor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the plan administrator believes minimizes these risks.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 26, 2023, the date of the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2

Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

ARSHT CENTER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	(Level 1)	(Level 2)	(Level 3)	Total
Mutual Funds	\$ 5,874,137	\$ --	\$ --	\$ 5,874,137

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4 – STABLE ASSET FUND

The Plan has the Stable Asset Fund II (“SAF”) in its investment portfolio which is a group annuity contract issued directly to the Plan and backed by the financial strength of Standard Insurance Company. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus the single annual effective net interest rate of return that is announced in advance of the applicable quarter guarantee period, less participant withdrawals, and administrative expenses. As of December 31, 2022 and 2021, the contract value reported in the accompanying Statements of Net Assets Available for Benefits is \$723,640 and \$379,616, respectively.

The SAF is designed to provide plan participants with a guaranteed return of principal and interest, along with attractive crediting rates and 100% liquidity. The contract provides a minimum guaranteed interest rate of 1.00%. The SAF’s underlying general account portfolio is a broadly diversified, investment-grade, fixed-income portfolio. It is primarily invested in public bonds and commercial mortgages. As of December 31, 2022, the general account portfolio had an average rating of “A+” as measured by Standard and Poor’s Financial Services LLC (“S&P”).

Certain events could limit the ability of the Plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules.

The Plan may terminate the SAF contract at any time upon 30 days advance written notice to the Standard Insurance Company. Upon termination there are no fees or surrender charges. Depending upon the interest rate environment, the Plan has the option to request an immediate payout or a five-year installment payout.

NOTE 5 – INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Standard Insurance Company (the trustee of the Plan).

ARSHT CENTER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 6 – TAX STATUS

The Plan adopted a Volume Submitter Profit Sharing Plan with CODA, which received a favorable opinion letter from the IRS dated June 30, 2020, stating the Plan and related trust, as then designed, are in accordance with applicable sections of the Internal Revenue Code (“IRC”). The Plan has been amended and certain provisions have been adopted since receiving the opinion letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments may include shares of mutual and a stable asset fund among other investments managed by Standard Insurance Company. For the year ended December 31, 2022, fees charged to the Plan by Standard Insurance Company amounted to approximately \$3,000. Standard Insurance Company is the Plan’s trustee and, therefore, these transactions qualify as a party-in-interest transaction; however, they are exempt from the prohibited transactions rules under ERISA.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.
