INDEPENDENT AUDITORS' REPORT

To the 401(k) Committee of The Paslin Company Employees' 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Paslin Company Employees' 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Paslin Company Employees' 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower (and its subsidiaries, including Empower Retirement, LLC) as of December 31, 2022 and for the period of May 1, 2022 to December 31, 2022, and Reliance Trust Company as of December 31, 2021 and for the period of January 1, 2022 to May 1, 2022.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Very truly yours,

THE PASLIN COMPANY EMPLOYEES' 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - Description of Plan:

The following brief description of The Paslin Company Employees' 401(k) Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

1. **General** - The Plan is a defined contribution plan covering substantially all employees of The Paslin Company except for union employees, non-residential aliens, leased employees and independent contractors, who are age eighteen or older and had 30 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is provided as a pre-approved Plan by Empower Retirement, LLC, a subsidiary of Empower.
2. **Contributions** - Eligible employee participants may authorize the employer (The Paslin Company) to withhold up to 100% of their compensation, as defined in the Plan, as pre-tax or after-tax Roth elective deferral contributions. Employees hired after June 1, 2016, but prior to January 1, 2018, who became eligible to participate in the Plan were automatically enrolled at a 2% deferral rate, unless they chose a different percentage or chose not to participate in the Plan. Employees hired in 2018, who became eligible to participate in the Plan were automatically enrolled at a 6% deferral rate, unless they chose a different percentage or chose not to participate in the Plan. Employees hired on or after January 1, 2019 are automatically enrolled at a 4% deferral rate, unless they chose a different percentage or choose not to participate in the Plan. Participants who are automatically enrolled are also enrolled in the Plan's automatic contribution increase program. Contributions for employees in this program are increased annually in January by 1%, effective in the second Plan year following the year in which the automatic deferral election becomes effective, up to a maximum of 10%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from another retirement plan. Segregated accounts are maintained for each participant. The participant directs the investment of those amounts among a selection of 37 mutual funds, a money market fund, and a guaranteed interest account offered by Empower Retirement, LLC, a subsidiary of Empower. The Plan provides for discretionary employer matching contributions. The Company elected to make discretionary matching contributions for 2022 of 100% of the first 3% of participant elective deferrals. Contributions are subject to certain limitations.
3. **Participant Accounts** - Each participant's account is credited with the participant's contribution and allocations of (a) the company's contribution and (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. **Vesting** - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. For 2018 and prior years, vesting in the portion of their accounts funded by employer's discretionary matching contributions plus earnings thereon was based on years of continuous service. A year of service was defined as 1,000 hours attained during a given Plan year, and the vesting amount was defined according to the following schedule:

THE PASLIN COMPANY EMPLOYEES' 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE A - Description of Plan (continued):

<u>Years of Service</u>	<u>Percentage Vested</u>
1	35%
2	70%
3 or more	100%

Effective January 1, 2019, participants are immediately vested in the portion of their accounts funded by employer's discretionary matching contributions plus earnings thereon.

5. Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear an interest rate ranging between 4.25% and 8.00%, which is commensurate with local prevailing rates. As of December 31, 2022 and 2021, the balance of outstanding loans was \$796,224 and \$599,962, respectively. Principal and interest is paid ratably through monthly payroll deductions.
6. Forfeited Accounts - At December 31, 2022 and 2021 forfeited nonvested accounts totaled \$62 and \$28,752, respectively. These accounts will be used to reduce future employer contributions or to pay administrative expenses of the Plan. Also, for the year ended December 31, 2022, employer contributions and fees were reduced by \$17,957 from forfeited nonvested accounts.
7. Payment of Benefits - On termination of service due to any reason, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments over a certain period. The Plan also allows in-service distributions for those who reach age 59 ½, or cite a financial hardship as defined by the Plan.

NOTE B - Summary of Significant Accounting Policies:

1. Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution Plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution Plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

2. Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make

THE PASLIN COMPANY EMPLOYEES' 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE B - Summary of Significant Accounting Policies (continued):

loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

3. **Investment Valuation and Income Recognition** - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation include the Plan's gains and losses on investments bought and sold as well as held during the year.

4. **Administrative expenses** - Certain administrative expenses of the Plan are paid directly by the employer, The Paslin Company, and are therefore excluded from these financial statements.
5. **Use of Estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.
6. **Payment of Benefits** - Benefits are recorded when paid.
7. **Subsequent Events** - Subsequent events were evaluated through September 26, 2023, which is the date the financial statements were available to be issued.

NOTE C - Fair Value Measurements:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 for the periods presented.

THE PASLIN COMPANY EMPLOYEES' 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE C - Fair Value Measurements (continued):

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

On each statement date, a proportionate share of the investment earnings (or losses, if any) of a participant's selected investment funds will be allocated to their account(s).

The preceding methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Fair Value Measurements at Reporting Date Using:

	<u>Total</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>
<u>December 31, 2022</u>			
Mutual Funds	<u>\$31,235,914</u>	<u>\$ 31,235,914</u>	<u>\$ -</u>

Fair Value Measurements at Reporting Date Using:

	<u>Total</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>
<u>December 31, 2021</u>			
Mutual Funds	<u>\$38,595,670</u>	<u>\$ 38,595,670</u>	<u>\$ -</u>

NOTE D - Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA at any time. In the event of Plan termination, participants would become fully vested in their employer contributions.

NOTE E - Tax Status:

The Internal Revenue Service has determined and informed the record keeper, Empower Retirement, LLC in an opinion letter dated April 7, 2021, that the pre-approved Plan and related Trust are designed in accordance with applicable sections of the

THE PASLIN COMPANY EMPLOYEES' 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE E - Tax Status (continued):

Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE F - Information Certified by Trustee:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA for 2022 and 2021. Accordingly, Empower (and its subsidiaries, including Empower Retirement, LLC), the trustee of the Plan, and Reliance Trust Company, the trustee prior to May 1, 2022, have certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and December 31, 2021, respectively, and Empower has certified to the completeness and accuracy of all investments reported in the Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

NOTE G - Risks and Uncertainties:

The Plan invests in a variety of investment options. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - Related-Party/Party-in-Interest Transactions:

Certain Plan investments included in the insurance investment contract are managed by Empower. Empower is the record keeper/custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Merrill Lynch, Pierce, Fenner & Smith, Inc. is the investment advisor as defined by the Plan. Fees paid by the Plan for the administrative services amounts to \$13,435 for the year ended December 31, 2022. Fees paid by the Plan for the investment management services amounts to \$115,034 for the year ended December 31, 2022.

THE PASLIN COMPANY EMPLOYEES' 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE H - Related-Party/Party-in-Interest Transactions (continued):

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE I - Investment Contract with Insurance Company:

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Empower totaling \$8,301,225 at December 31, 2022 and \$7,655,389 at December 31, 2021. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero. The crediting rate is reviewed on an annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

THE PASLIN COMPANY EMPLOYEES' 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE J - Plan Amendments During Reporting Period:

Effective May 1, 2022, the Plan was restated as a result of the adoption of a new pre-approved basic Plan document provided by Empower Retirement, LLC, which was approved by the Internal Revenue Service per an opinion letter dated April 7, 2021. Additionally, the Plan trustee was changed from Reliance Trust Company to Great-West Trust Company, LLC which was subsequently renamed to Empower Trust Company, LLC and is a subsidiary of Empower.
