Independent Auditors' Report

To the Plan Administrator of The Advertising Checking Bureau, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Advertising Checking Bureau, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Advertising Checking Bureau, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of The Advertising Checking Bureau, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Advertising Checking Bureau, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Independent Auditors' Report

Page 3

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Advertising Checking Bureau, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Advertising Checking Bureau, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of *Schedule H, Line 4i – Schedule of Assets (Held at End of Year)*, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Independent Auditors' Report

Page 4

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE ADVERTISING CHECKING BUREAU, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2022

1. Description of Plan

The following is a general description of The Advertising Checking Bureau, Inc. 401(k) Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all employees of The Advertising Checking Bureau, Inc. (the "Company") who have attained the age of 20 years and have completed 6 months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), and has been amended as required by law. The Retirement Plan Committee is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions – Each year, participants may contribute up to 100 percent of annual compensation on a pre-tax basis and/or an after-tax (ROTH) basis, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions, which are amounts representing distributions from other qualified benefit plans. The Plan includes an auto-enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5 percent of eligible pre-tax compensation and their contributions invested in the Managed Advice Service account, as defined by the Plan, until changed by the participant.

The Company may make matching or profit sharing contributions to eligible employees under the terms of the Plan. The amount of the matching contribution, if any, will be determined each plan year and announced to all participants. During 2022, the Company matched \$.30 for each dollar deferred, up to 3.75 percent of eligible compensation. Matching contributions for the year ended December 31, 2022 totaled \$152,964. No profit sharing contributions to eligible employees were made during 2022.

Participants direct the investments of their contributions and the employer contributions into various investment options offered by the Plan.

Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as an allocation of profit sharing contributions and plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of Plan (continued)

Vesting – Each participant's elective account shall be fully vested for participant contributions and the earnings thereon, at all times and shall not be subject to forfeiture for any reason. The following table illustrates the percentage of any Company matching or profit sharing contributions that a participant is entitled to, based upon the number of years of continuous credited service with the Company:

<u>Years of Service</u>	<u>Vested Percentage</u>
After 1 year	25%
After 2 years	50%
After 3 years	75%
After 4 years	100%

Notes receivable from participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1 percent above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

Payments of benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account or installments over a period of time, as defined. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. The Plan also provides for in-service distributions subject to conditions and limitations provided for in the plan document.

Forfeited accounts – As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$9,914 and \$15,237, respectively. These accounts will be used to reduce employer matching contributions or future administrative expenses allocated to plan participants. Forfeitures in the amount of \$9,694 and \$6,027 were used to pay Plan expenses for the years ended December 31, 2022 and 2021, respectively

Secure 2.0 – On December 29, 2022, The Consolidated Appropriations Act of 2023 was enacted into law. The Act includes the retirement provisions referred to as SECURE 2.0. The Company is reviewing all provisions of the Act, and the Plan intends to adopt the provisions of SECURE 2.0 in accordance with the law.

2. Significant Accounting Policies

Basis of accounting – The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of estimates – The preparation of financial statements in accordance with U.S. generally accepted accounting principles (“GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment valuation and income recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan management determines the Plan’s valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Excess contributions payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to the contributions.

Payments of benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, Fair Value Measurements and Disclosures, are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability; and
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Cash reserves: Cash reserves are valued at cost which approximates fair value.

Common collective trust: Valued at NAV of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

3. Fair Value Measurements *(continued)*

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,015,448	\$ -	\$ -	\$ 15,015,448
Cash reserves	29,351	-	-	29,351
Investments measured at NAV	-	-	-	2,791,530
Investments at fair value	\$ 15,044,799	\$ -	\$ -	\$ 17,836,329
Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 19,031,776	\$ -	\$ -	\$ 19,031,776
Cash reserves	39,425	-	-	39,425
Investments measured at NAV	-	-	-	3,012,111
Investments at fair value	\$ 19,071,201	\$ -	\$ -	\$ 22,083,312

For years ended December 31, 2022 and 2021, there were no significant transfers between Level 1 and Level 2 and no transfers in or out of Level 3.

Fair Value of Investments that Calculated Net Asset Value

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Reliance Metlife stable value fund series 25157 (a)	\$ 3,012,111	N/A	Daily	N/A

(a) The primary investment objective of the fund is to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed income investments.

The Trustee of The Reliance Metlife stable value fund series 25157 ("the Fund") approved a plan of liquidation as of August 2, 2022. Under the liquidation basis of accounting, assets are measured at the estimated amount of cash or other consideration that the Fund expects to collect in settling or disposing of those assets, and liabilities are measured at their estimated settlement amount including the cost that the Fund expects to incur through the end of its liquidation (liquidation value). Based on the nature of the Fund's assets at December 31, 2022, fair value approximates liquidation value.

As of trade date February 23, 2023, finalized investor unit positions of the Fund was exchanged into corresponding shares of the Reliance Metlife stable value fund series 25053 fund at each share class's respective February 23, 2023, NAV per share. The amount that was exchanged on February 24, 2023, was \$2,838,873 and the Fund was closed.

4. Related-Party Transactions and Party-in-Interest Transactions

Transamerica Retirement Solutions Corporation ("Transamerica") is the recordkeeper for the Plan and, therefore, the following transactions qualify as party-in-interest transactions.

THE ADVERTISING CHECKING BUREAU, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2022

4. Related-Party Transactions and Party-in-Interest Transactions *(continued)*

Effective January 1, 2022, per the Pension Services Agreement (“PSA”) between Transamerica and the Plan, Transamerica expects to receive certain indirect compensation from the investment options available within the Plan or their respective affiliates (“expected fund revenue”). All the expected fund revenue will be credited to the participants’ accounts as a plan service credit in each of the investment options that generate expected fund revenue. Per the direction of the Company, an annual plan service fee of 0.38% will be deducted from the participant’s accounts and deposited into an Expense Budget Account (“EBA”). Following the end of each quarter, the Company authorizes Transamerica to deduct from the EBA an amount equal to one quarter of the required revenue for Transamerica to administer the Plan (\$23.25/participant/quarter). If the amount in the EBA exceeds the payment due to Transamerica, the remaining balance will remain in the EBA and can be used for Plan related expenses. If the amount in the EBA is insufficient to cover the payment due to Transamerica, the Company shall pay for the shortfall. The Company may then authorize Transamerica to apply the shortfall to the remaining participant accounts, pay the shortfall from the Plan’s forfeiture account or pay Transamerica directly for the shortfall.

If revenue received by Transamerica from such mutual fund service providers exceeds the amount owed under the PSA, Transamerica remits the excess to the Plan’s trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of participants. During 2022, there were no excess amounts. The Plan or Plan Sponsor may make a payment to Transamerica for administrative expenses not covered by revenue sharing. As described in Note 2, the Plan paid certain expenses related to plan operations and investment activity to various service providers. Fees paid to Transamerica for the year ended December 31, 2022 were \$64,817. Fees paid to LPL Holdings, Inc., the Plan advisor, and Janover LLC, the Plan auditor, were \$34,760 and \$12,500, respectively. These transactions are party-in-interest transactions under ERISA.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subjected to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

THE ADVERTISING CHECKING BUREAU, INC. 401(K) PLAN

Notes to Financial Statements

6. Tax Status

The IRS has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the ("IRC"). The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trusts are tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by the trustee, State Street Bank and Trust Company:

	2022	2021
Investments at fair value	\$ 17,836,329	\$ 22,083,312
Notes receivable from participants	104,229	135,620
Total assets	<u>\$ 17,940,558</u>	<u>\$ 22,218,932</u>

In addition, for the year ended December 31, 2022, \$(3,328,739) in net depreciation in fair value of investments, \$6,086 in interest income on notes receivable from participants, and \$317,769 of interest and dividends has been prepared and certified to us as complete and accurate by the trustee.
