Independent Auditors' Report

To the Plan Administrator of
Innovative Employer Solutions Retirement Plan

Opinion

We have audited the accompanying financial statements of Innovative Employer Solutions Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of October 17, 2022 (date of termination) and December 31, 2021, and the related statement of changes in net assets available for benefits for the period from January 1 to October 17, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Innovative Employer Solutions Retirement Plan as of October 17, 2022 and December 31, 2021, and the changes in its net assets available for benefits for the period from January 1 to October 17, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Innovative Employer Solutions Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Innovative Employer Solutions Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Innovative Employer Solutions Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Innovative Employer Solutions Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter – Plan termination and Going Concern

The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. As discussed in Note 7 to the financial statements, the Company was acquired in April 2022 and management has determined to terminate the Plan, which indicates that the Plan is not a going concern. The financial statements do not include any adjustments that might be necessary upon termination. As of October 17, 2022, all assets of the Plan had been distributed and the Plan has been terminated. Our opinion is not modified with respect to this matter.

Innovative Employer Solutions Retirement Plan

Notes to Financial Statements

October 17, 2022 (date of termination) and December 31, 2021

1. Plan Description

The following description of the Innovative Employer Solutions Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions.

The Plan was terminated as of October 17, 2022 and all assets of the Plan were transferred to the Engage PEO Retirement Savings Plan.

- a) *General* – The Plan is a "multiple employer" plan as described in Section 413(c) of the Internal Revenue Code, and is a defined contribution plan covering all full-time employees of Innovative Employer Solutions, Inc. (the sponsor of the multiple employer plan ("Company"), its affiliates and adopting Employers who have six months of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").
- b) *Contributions* – Each year, participants may contribute to the Plan up to 80% of their pre-tax annual compensation as defined by the Plan, provided the contributions do not exceed \$20,500 for the period ended October 17, 2022 as specified in Section 402(b) of the Code. Participants may also contribute the maximum rate allowed under Section 4029(g)(5), the "catch-up" election, of \$6,500, for a total maximum contribution of \$27,000. Participants may also contribute amounts representing rollover contributions on behalf of an employee, or direct transfers from a trustee of another qualified plan in which the employee is or was a participant. Participants direct the investment of their contributions into various investment options offered by the Plan.
- c) *Participants Accounts* – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Innovative Employer Solutions Retirement Plan

Notes to Financial Statements

October 17, 2022 (date of termination) and December 31, 2021

- d) *Vesting* – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after 6 years of credited service.

Due to the Plan termination, all participants became full vested in all Company contributions.

- e) *Notes receivable from Participants* – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably (at the Prime interest rate plus 1%) through payroll deductions.
- f) *Payment of Benefits* – On termination of service due to death, disability or retirement, a participant will receive a lump-sum amount equal to the value of the participants account balance. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, there are provisions in the Plan for hardship distributions under specific circumstances.
- g) *Forfeited accounts* – Forfeitures of nonvested balances may be used to reduce employer discretionary contributions. As of October 17, 2022 and December 31, 2021, the forfeiture account balance was \$0 and \$4,059, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from these estimates.

Innovative Employer Solutions Retirement Plan

Notes to Financial Statements

October 17, 2022 (date of termination) and December 31, 2021

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of October 17, 2022 or December 31, 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative costs of the Plan are paid directly by the Company.

3. Subsequent Events

The Plan has evaluated events and transactions subsequent to October 17, 2022 through September 25, 2023, the date the financial statements were available to be issued.

Innovative Employer Solutions Retirement Plan

Notes to Financial Statements

October 17, 2022 (date of termination) and December 31, 2021

4. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified within Level 1 of the fair value hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value.

<i>Investment Assets at Fair Value as of October 17, 2022</i>				
	Level 1	Level 2	Level 3	Total

Total investments at fair value	\$21,270,075	–	–	\$21,270,075

5. Risks and Uncertainties

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rates, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

6. Related Party Transactions

Certain Plan investments are managed by Fidelity and Slavic Integrated Administration (Slavic). Fidelity is the trustee and recordkeeper for the Plan. and, therefore, these transactions qualify as party in interest transactions. Slavic is the Plan's third party administrator and also provides investment management services to the Plan. Fees paid to Slavic for administration and investment management services were \$88,341 and \$9,878, respectively. Administrative fees paid the Innovative Employer Solutions, the plan sponsor and a party in interest, were \$7,330 in 2022. Certain Plan expenses are paid by the plan sponsor. These expenses are not included in the Plan's financial statements.

7. Plan Termination

The Company was acquired in April 2022 and management determined to terminate the Plan. The financial statements do not include any adjustments that might be necessary upon termination. As of October 17, 2022, all assets of the Plan were distributed or transferred to the Engage PEO Retirement Savings Plan, and the Plan has been terminated.

October 17, 2022 (date of termination) and December 31, 2021

8. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated January 28, 2003 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.
