## **Independent Auditors' Report**

To the Board of Trustees of  
Lowry Park Zoological Society of Tampa, Inc. Profit Sharing Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed the audits of the financial statements of the Lowry Park Zoological Society of Tampa, Inc. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits in liquidation as of October 31, 2022 and September 30, 2022, and the related statement of changes in net assets available for benefits in liquidation for the one-month period ended October 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

The plan administrator has obtained a certification from the custodian as of October 31, 2022 and September 30, 2022 and for the one-month period ended October 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting**

As further discussed in Note 2(a) to the financial statements, the Plan Administrator elected to terminate the Plan effective June 30, 2022. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing plan basis to the liquidation basis. Our opinion is not modified with respect to that matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors’ Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Notes to Financial Statements**

**October 31, 2022 and September 30, 2022**

**(1) Description of the Plan**

The following description of the Lowry Park Zoological Society of Tampa, Inc. (the “Society”) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

**(a) General**

The Plan is a defined contribution (profit sharing) plan covering all employees of the Society who have been employed a minimum of six months and were age 20-1/2 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. Employees may enter the Plan on the first day of the plan year following attainment of the eligibility requirements.

During April 2021, the profit-sharing plan document was amended to comply with regulatory updates prescribed by the Internal Revenue Service and to make certain provisions of the Plan consistent with the Society’s 403(b) plan.

Effective June 30, 2022, the Society elected to terminate the Plan. See Note 3 for further information.

**(b) Contributions**

Prior to termination, profit sharing contributions by the Society were discretionary and were subject to certain Internal Revenue Service limitations. Contributions may have been reduced by prior year forfeitures. Employees must have been employed on the last day of the plan year and have completed at least 1,000 hours of service in order to receive a contribution. Employees were not allowed to contribute to the Plan. There were no discretionary contributions for the period from October 1, 2022 through October 31, 2022.

**(c) Participant Accounts**

Each participant in the Plan had a separate account that was credited with the annual allocation of (a) the Society’s profit-sharing contributions; (b) the Plan’s earnings; and (c) forfeitures, if any. Allocations were based on the prorated earnings of the employee compared to the total earnings of all eligible employees. Participants were able to direct their share of employer profit sharing contributions into a variety of investment options offered by the Variable Annuity Life Insurance Company (“VALIC”). The benefit to which a participant was entitled was the benefit that could be provided from the participant’s vested account.

**LOWRY PARK ZOOLOGICAL SOCIETY OF TAMPA, INC.  
PROFIT SHARING PLAN**

**Notes to Financial Statements - Continued**

**(1) Description of the Plan - Continued**

**(d) Vesting**

Participants were 100% vested in profit sharing contributions after six years of credited service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

One hundred percent vesting also occurred, regardless of the number of years of service when a participant reached early retirement age (55) and had five years of service, normal retirement age (65), died or became totally and permanently disabled.

As a result of the termination of the Plan all participants were 100% vested in their account balances.

**(e) Payment of Benefits**

Upon termination of service, including retirement, death or becoming totally and permanently disabled, a participant could elect to receive (1) a lump sum; (2) equal installments; or (3) partial withdrawals. In addition, involuntary distributions of amounts less than \$5,000 were permitted in accordance with provisions set forth in the Plan.

**(f) Forfeited Accounts**

At both October 31, 2022 and September 30, 2022, there were no forfeitures available to reduce future employer profit-sharing contributions or pay for plan expenses.

**(2) Summary of Significant Accounting Policies**

**(a) Basis of Accounting**

The accompanying financial statements have been prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP"). The Plan changed its basis of accounting used for financial reporting purposes from the ongoing plan basis (accrual basis) to the liquidation basis effective June 30, 2022, upon election of the Society to terminate the plan.

**Notes to Financial Statements - Continued**

**(2) Summary of Significant Accounting Policies - Continued**

**(b) Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts in the statements of net assets available for benefits in liquidation and changes in net assets available for benefits in liquidation. Actual results could differ from those estimates.

**(c) Investment Valuation and Income Recognition**

The Plan's mutual funds and interest-bearing cash were stated at fair value. Realized and unrealized gains and losses represent the change in market value of the investments during the year.

The Plan entered into an investment contract with VALIC which included fixed accounts that guaranteed a certain rate of return. The contracts were fully-benefit responsive and were included in the financial statements at contract value, as reported to the Plan by VALIC. Balances held in the Fixed Interest Option were maintained in a general account. Contract value of the accounts was the value paid when funds were withdrawn prior to their maturity except in limited circumstances. The minimum guaranteed interest rate varied by participant and depended on the date the participant established his or her account.

Purchases and sales of investments were recorded on a trade-date basis. Interest income was accrued when earned.

**(d) Payment of Benefits**

Benefits were recorded when paid.

**(e) Risks and Uncertainties**

The Plan provided for various investment options in any combination of investment securities. Investment securities were exposed to various risks, such as interest rate, market and credit.

**(f) Administrative Expenses**

Expenses of the Plan were either absorbed by the Society, or paid out of plan assets.

**(3) Plan Termination**

Effective June 30, 2022, the Board of Trustees of the Plan elected to terminate the Plan subject to the provisions of ERISA. All participants became fully vested in their account balances on the date of termination. Upon termination of the Plan, no new employees were permitted to enter the Plan. As of the financial statement reporting date the Plan has been fully liquidated and all assets have been fully distributed.

**(4) Information Certified by Custodian (Unaudited)**

The plan administrator elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, VALIC, the custodian of the Plan, has certified that the following data included in the accompanying financial statements is complete and accurate with respect to investments:

- Guaranteed interest account, at contract value
- Mutual funds, at fair value
- Interest bearing cash, at fair value
- Net appreciation in fair value of mutual funds

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

**(5) Tax Status**

The Plan adopted the VALIC Retirement Services Company Prototype Non-Standardized Profit Sharing Plan which received an opinion letter from the Internal Revenue Service dated March 31, 2014 stating that the Plan was qualified under Section 401(a) of the Internal Revenue Code, and therefore, the related trust was exempt from taxation under Section 501(a) of Internal Revenue Code. Once qualified, the Plan was required to operate in conformity with Internal Revenue Code to maintain its qualification. Subsequent to this determination by the Internal Revenue Service, the Plan had been amended and restated. The plan administrator believes the Plan was operated in compliance with the applicable requirements of Internal Revenue Code, and therefore, believed that the Plan, as amended and restated, was qualified and the related trust was tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan had taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of October 31, 2022, and September 30, 2022, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**(6) Party-in-Interest Transactions**

Certain plan investments were managed by VALIC, the custodian of the Plan. Additionally, the Plan employed a third-party record keeper and investment advisor. Transactions with these entities were considered party-in-interest transactions. During the month ending October 31, 2022, the Plan paid \$15 for plan expenses and investment advisory fees. These transactions qualify as party-in-interest transactions, as defined in Section 3(14) of ERISA; they are, however, expressly exempted from the prohibited transaction rules.

**(7) Fair Value Measurements**

Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan had the ability to access.

Level 2: Inputs to the valuation methodology include:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability;
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

***Mutual Funds and Interest Bearing Cash***

Valued at the daily closing price as reported by the fund or account. Mutual funds held by the Plan were open-end mutual funds that were registered with the Securities and Exchange Commission. These funds were required to publish their daily Net Asset Value (“NAV”) and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded. Interest bearing cash was held in an account which earned a fixed interest rate per year.

**(7) Fair Value Measurements - Continued**

As of October 31, 2022, the Plan did not have any investments which would be measured at fair value. As of September 30, 2022, the Plan's investments measured at fair value on a recurring basis were as follows:

<u>Description</u>	<u>Fair Value Measurements at September 30, 2022 Using</u>			
	<u>Assets Measured at Fair Value</u>	<u>Observable Inputs (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Mutual funds	\$ 14,269	14,269	-	-

**(8) Subsequent Events**

Plan management has evaluated events and transactions for potential recognition or disclosure in the financial statements through September 15, 2023, the date the financial statements were available to be issued.
