INDEPENDENT AUDITOR'S REPORT

September 27, 2023

To the Plan Administrator and Participants of
First National Bank of Scotia 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of First National Bank of Scotia 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of First National Bank of Scotia 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of First National Bank of Scotia 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Responsibilities of Management for the Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First National Bank of Scotia 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First National Bank of Scotia 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First National Bank of Scotia 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FIRST NATIONAL BANK OF SCOTIA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the First National Bank of Scotia 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant directed, defined contribution plan which includes all eligible employees of the First National Bank of Scotia ("the Bank" or "the Company"), the Plan sponsor, and its related companies. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan effective date was October 1, 2004. The Plan is administered by an Administrative Committee appointed by the Bank. The assets of the Plan are held by Fidelity Management Trust Company ("Fidelity" or "the trustee"), the Trustee of the Plan.

Eligibility

Prior to December 1, 2021, all employees were eligible to begin salary deferrals after the attainment of age 21 and having been employed for 90 days. A Plan amendment effective December 1, 2021 amended the minimum required age for employee and employer contributions from age 21 to age 18. Employees are eligible to receive a matching contribution, which is paid bi-weekly, and nonelective employer contributions after attaining the age of 21, having made salary deferrals to the Plan in the current year and having completed one year of service and a minimum of 1,000 hours over that one year.

Contributions

Active participants may make voluntary pre-tax contributions in the form of salary reductions up to 100% of annual compensation. Active participants may also contribute any applicable rollovers from other qualified plans. Contributions are subject to certain limitations of the Plan and the Internal Revenue Code (IRC) under Section 401(k). Eligible participants, who attain the age of 50 before the end of the Plan year, are eligible to make catch-up contributions, subject to certain limitations of the IRC. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 6% of eligible pretax compensation. All participants who are automatically enrolled will have their deferral increased each year by 1% until a maximum deferral rate of 10% is reached, unless they elect a different deferral rate.

The Bank makes nonelective safe harbor contributions to all eligible participants at an amount equal to 3% of eligible compensation. The Bank may also make discretionary matching contributions each year. The discretionary matching contributions are based on a percentage of a participant's elective deferral amount. For the years ended December 31, 2022 and 2021 the matching percentage was 50% of the first 6% of a participant's elective deferrals contributed each pay period. During 2022 and 2021, discretionary matching contributions totaled \$191,609 and \$204,273 respectively. During 2022 and 2021, the Bank made nonelective safe harbor contributions of \$266,595 and \$254,172, respectively.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Bank's nonelective safe harbor contribution, (b) the Bank's discretionary matching contribution (if any), (c) Plan earnings, (d) certain forfeitures of terminated participants' non-vested accounts and (e) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants are allowed to direct employee and employer contributions among funds offered by the Plan. Participants may change their investment options at their discretion.

Vesting

Participants are immediately vested in their voluntary contribution plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service. Company nonelective safe harbor and matching contributions plus actual earnings thereon become 20% vested upon the completion of one year of service and continue to vest at the rate of 20% for each successive year of service until 100% vested after five years of credited service.

Notes Receivable from Participants

Participants may request a loan from their elective deferral accounts under the terms and conditions established by the Administrative Committee with a minimum loan of \$1,000, not to exceed the lesser of 50% of a participant's vested account balance or \$50,000, subject to certain conditions as defined in the Plan agreement. All loans must be repaid in level payments through payroll deductions on at least a quarterly basis over a five-year period unless it is for the purchase of a principal residence in which case the loan repayment period may not extend beyond 10 years from the date of the loan. If repayment is not made by payroll deduction, a loan shall be repaid to the Plan by payment to the Company. All loans shall bear a reasonable rate of interest as determined by the plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances.

Payment of Benefits

Upon retirement or termination of service, participants may elect to receive a lump-sum distribution of their vested account balance or elect a rollover to another qualified retirement plan or an Individual Retirement Account. Benefit payments from the Plan will be made in a lump sum distribution if the balance is less than \$1,000 and the participant does not direct the Plan otherwise.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's pre-tax contribution account, rollover contribution account, and the vested portion of the Company's matching contribution account. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Forfeitures

Forfeited non-vested account balances may be used to pay administrative expenses and then are reallocated to other active participant account balances or are applied toward the Bank's contributions in accordance with the Plan document. At December 31, 2022 and 2021, the balance of the forfeiture account was \$1,825 and \$1,791, respectively. During the years ended December 31, 2022 and 2021, forfeitures totaling \$10,634 and \$10,816, respectively, were applied toward employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America.

Investments

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investments are exposed to various risks, such as interest rate, currency, market and credit risk. Due to the level of risk associated with investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment Fees

Net investment returns reflect certain fees paid by the various investment funds to their affiliated investment advisors, transfer agents, and others as further described in each fund prospectus or other published documents. These fees are deducted prior to allocation of the Plan's investment earnings activity and thus not separately identifiable as an expense.

Fair Value Measurement - Definition and Hierarchy

The ASC 820 framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means;
 - If the asset or liability has a specified (contracted) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement - Definition and Hierarchy (Continued)

A description of where the Plan's investments fall within the ASC 820 hierarchy is provided in Note 4. There were no transfers between levels of the fair value hierarchy during 2022 or 2021.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based on the terms of the plan document.

Administration Expenses

Substantially all administrative expenses of the Plan are paid by the Bank.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the amounts of net assets and the changes in net assets during the reporting period. Actual results could differ from those estimates, and such differences, may be significant.

3. INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has received a certification from Fidelity Management Trust Company, the trustee of the Plan, that states the following information is complete and accurate as of and for the years ended December 31, 2022 and 2021.

	<u>2022</u>	<u>2021</u>
Statements of net assets available for benefits:		
Mutual funds	\$ 9,311,159	\$ 11,241,510

Notes receivable from participants	\$ 67,990	\$ 77,858
Statements of changes in net assets available for benefits:		
Interest and dividends	\$ 792,989	\$ 993,798
Net appreciation (depreciation) in fair value of investments	\$ (2,747,946)	\$ 322,092
Interest income on notes receivable from participants	\$ 3,209	\$ 5,185
Schedule of assets (held at end of year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

<u>Assets at Fair Value at December 31, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 9,311,159	\$ -	\$ -	\$ 9,311,159
Investments, at net asset value				<u>390,640</u>
Total investments				<u>\$ 9,701,799</u>

<u>Assets at Fair Value at December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 11,241,510	\$ -	\$ -	\$ 11,241,510
Investments, at net asset value				<u>118,320</u>
Total investments				<u>\$ 11,359,830</u>

Investment in Entities that Calculate Net Asset Value ("NAV")

The Plan is invested in a common collective trust that calculates net asset value on a daily basis. Units are issued and redeemed as of the end of each day at the daily net asset value. This investment does not have any unfunded commitments. The Plan can redeem the investment daily. There are currently no redemption restrictions on the investment.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the years ended December 31, 2022 and 2021.

Mutual funds: valued at the quoted market prices of the shares held by the Plan at year-end. The quoted market prices are reported on an active market on which the securities are traded.

Common collective trust fund: valued at fair value using the NAV per share practical expedient based on value of the underlying investments using a market approach.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain investments could result in a different fair value measurement at the reporting date.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100 percent vested in their employer contributions.

6. TAX STATUS

The Internal Revenue Service has determined and informed the Bank by a most recent letter dated March 31, 2014, that the Prototype Plan and related Trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

In addition, the Plan issues notes receivable to participants, which are secured by the balances in the participants' accounts. Therefore, related transactions qualify as party-in-interest transactions. All other transactions which may be considered party-in-interest transactions relate to normal plan management and administrative services, and the related payment of fees.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 27, 2023, which is the date the financial statements were available to be issued.
